able New Medicine, Karnak, and Receiving Wonderful Benefits-All Records Broken.

After the most severe tests, by the people themselves, Karnak is producing such remarkable results in the way of restoring health, strength and energy, that the record breaking demand is growing daily.

MEN AND WOMEN OF ALL AGES BENEFITED.

Men and women of all ages and

in all walks of life, afflicted with stomach, liver and kidney troubles In every case, In every case, except where a of every form, some of them of critical complicated condition or long standing and chronic nature, and others severely complicated, have been completely restored to health by Karnak.

Some of these people were weak, thin and nervous, apparently on the verge of collapse. Others seemed fairly well, yet complained of severe pains in the stomach or in the back and sides, headache, shortness of breath and dizzy spells. Many told of sour, gassy stomachs, coated tongues, foulness of breath, severe constipation, loss of appetite, sleeplessness at night and terribly dejected, de-

ormal strength and energy. Read what people say in this paper from time to time about their own experience with Karnak. Then if you are one of the thousands suffering from stomach, kidney or liver disorders, go

to the Karnak drug agent in your town and get a bottle. Over 500,000 bottles of Karnak

old in four states in ten months. Karnak is sold in Plattsmouth

xclusively by F. G. Fricke & Co., and by the leading druggist in every town.

taining wall was extended on the wings of the culvert and had stood in good shape until the very heavy rains of several weeks ago when it was swept away and also a large part of the roadway on Patterson avenue. The replacement of the retaining wall will cost from \$1,200 to \$1,600, it is thought, and will make very large expense for the city.

It has been proposed that instead of the retaining wall that the culvert be extended for a considerable distance, as it is figured that this will not only be better for handling the water but also cheaper for the city.

In handling the matter of the pro-The mute story of some tragedy tection of the paving along the avegathered from the swift flowing wa- nue from the inroads of the creek ters of the Missouri river yesterday caving in the bank along the paving, examination proved when the body of a great deal of money.
