## YOUNG PEOPLE ARE MARRIED THIS MORNING

Miss Mary J. Knoefick United in Marriage to Mr. Glenn E. Speltman of Sioux Falls.

From Wednesday's Daily— This morning at 9 o'clock at the residence of Father Hancock, rector of the Holy Roman Catholic church, occurred the marriage of Miss Mary J. Knoefick, of this city, and Mr. Glenn E. Speltman of Sioux Falls, South Dakota.

The wedding was very quiet, the ceremony being witnessed by only the immediate members of the two families as the young people pledged their vows of love that were to unite them until death shall part.

The young people were attended by Mr. Frank Koubek as best man and Miss Marie Moriarity of Omaha.

The bride was gowned in a costume of tan satin made with Spanish lace that enhanced her ashen beauty and afforded a most beautiful note to the impressive ceremony.

Following the wedding the young people returned to the home of the bride's parents in the northwest portion of the city where a sumptuous dinner was served to the members of the two families and the bridal party.

Mr. and Mrs. A. J. Speltman of Gretna, parents of the groom, were here to attend the ceremony.

The bride is a native Plattsmouth girl, the third daughter of Mr. and Mrs. A. P. Knoefick, old time residents of this city, being born and reared in this community and receiving her education here in the city schools.

Miss Knoefick has been one of the talented musicians of this city and her many friends here will regret very much to learn of her departure from this city to make her home in South Dakota.

The groom is at Sioux Falls where he is with the Northwestern Bell Telephone Co., and is one of the faithful and trusted employes of that great corporation.

Mr. and Mrs. Speltman departed this afternoon for their future home at Sioux Falls, South Dakota, and will take with them in their new home the hearty well wishes of the many friends in this city and vicinity.

## DEATH OF YOUNG MAN OCCURS IN MINNESOTA LAKE

Burkhard Frey, Member of Former Well Known Cedar Creek Family, Drowned.

From Wednesday's Daily— The funeral services of Burkhard Frey, who was drowned at Lake Josephine near St. Paul, Minnesota, were held Tuesday afternoon at Glendale church, east of Louisville, being conducted by the Rev. Mr. Vanderville of the Presbyterian church of Omaha.

The deceased young man was a nephew of the Frey brothers who formerly resided at Cedar Creek, the family being well known to the older residents and many of the friends of the family were present at the last sad rites.

The deceased young man was 25 years of age and had resided in this country only a short time, coming here from his native land of Switzerland. He was a very fine young man and highly esteemed by those who had the pleasure of knowing him.

John Frey of Omaha, uncle of the deceased man, had charge of the services at Glendale and looked after the placing away of the beloved nephew. A brother, John Frey, also of Omaha, had gone to Chicago on an auto trip but was reached by the Chicago police with the sad news of his brother's death and was able to reach Louisville in time to attend the services.

## SUITS TO ESTABLISH DEATH OF UNION BANKER

Several Suits Filed by Mrs. Charlotte Patterson Against Insurance Companies at Omaha.

From Wednesday's Daily— The filings were made yesterday in the district court at Omaha of several cases by Mrs. Charlotte Patterson, widow of Jack M. Patterson, against insurance companies in which her husband carried policies and for the purpose of definitely deciding the proof of his death which is supposed to have occurred July 21, 1924, at Chicago when he disappeared, supposedly beneath the waters of Lake Michigan.

The suits against the insurance companies aggregate \$44,500, and the companies involved are the Travelers, \$7,500; Guarantee Fund, \$10,000; Omaha, \$5,000; Bankers, \$12,000 and the Missouri State \$10,000.

Mr. Patterson, who was then engaged in the banking business at Union had gone to Chicago a few days previous to his death, with Mrs. Patterson for a brief visit there with his sister, Mrs. Albert Deegan and family, and Mr. and Mrs. Patterson had then planned to go on to Wisconsin to join Joseph Fetzer of this city, father of Mrs. Patterson, on a visit at their old home.

On the fateful morning of July 21, 1924, Mr. Patterson had taken his wife and sister down into the business section to look after some shopping, leaving them there and returning to the vicinity of the Deegan home along Lake Michigan, stating that he was going to have his auto greased and also might take a dip into the lake. This was the last seen of the young banker by the members of the family.

Late that night, police found the empty car on the lake shore. He had had it greased, had called for it again and then had stopped apparently for a swim. The shore at that point is shallow for a distance of about 100 feet out and then there is a sudden deep dip. Patterson could not swim. It is believed he stepped off into the deep place and was drowned.

A sales slip was found in his clothing in the car, showing that he had bought a bathing suit at a department store.

The insurance companies, however, held that sufficient proof of death has not been offered, for the body has not been seen.

## WELL KNOWN YOUNG PEOPLE WED TODAY

Miss Mable A. True and Mr. Frank Krejci Are United in Wedlock This Afternoon.

From Wednesday's Daily— This afternoon at 1:45 at the office of County Judge A. H. Duxbury occurred the marriage of Miss Mable A. True to Mr. Frank Krejci of this city. The wedding was very quiet, John True, father of the bride, being the only attendant at the ceremony.

The young people were very impressively joined in wedlock by county judge in his most becoming manner and which joins the lives and hearts of the two estimable young people.

The bride is one of the popular young ladies residing in the vicinity of Cedar Creek where she has made her home for a number of years and where she is held in very high esteem by a large circle of friends.

The groom is a son of Mr. and Mrs. Severin Krejci of this city and has been reared to manhood here. He is now engaged in a business in a garage on North Sixth street and is numbered among the well known and popular young men of the community.

The friends here will join in wishing Mr. and Mrs. Krejci many years of happiness and success.

**ANOTHER ACCIDENT**  
Another one of those "miracle" auto accidents occurred Monday evening just before dark a mile south of Eagle on the Harding highway. Arthur Trunkertiz was driving his Ford coupe north and when at the intersection George Hoffmeister, who was ahead of him in his car, turned to the west just as Arthur and Harold Pterol, who was with him, attempted to go around him. In attempting to avoid a collision, Arthur swung around enough to miss all but the rear fender of the big car, but even that was enough to overturn the lighter Ford completely, leaving it standing on its pins with engine still running. The side of the coupe hitting the ground was completely demolished and the boys left laying upon it practically unhurt. This was the miracle—how such an accident could occur with no serious injury to anyone.—Eagle Beacon.

**HUMIDITY UNCOMFORTABLE**  
From Tuesday's Daily— The guy that was out with the prediction that the summer of 1925 would be the coldest summer since 1816 has been given a bum steer by someone as the weather in the past week has been the warmest since last summer. Yesterday was 98 in the shade and lacked several degrees of being as hot as Friday but as one of the old residents put it, "The humanity was h—."

## UNDERGOES OPERATION

From Wednesday's Daily— Richard Beveridge was taken to Omaha Monday evening and entered the Clarkson hospital where he was operated on yesterday morning. Mr. Beveridge was injured some time ago in lifting and as the result has been feeling very poorly the last three weeks and to secure permanent relief it was decided that an operation was necessary and accordingly the young man was taken to Omaha for the operation. The latest reports are that Dick is coming out of the operation just as well as can be expected and his general condition seems favorable, although it will be several days before any permanent relief can be secured in his case.

## COUNTY COURT HAS A REAL JURY TRIAL

Chal-Max Motors Co. vs. Lodge L. Caygill in Small Verdict For Plaintiff.

From Wednesday's Daily— Yesterday, before Judge A. H. Duxbury, a jury in the county court issued a verdict in the case of Chal-Max Motors Co. vs. Lodge L. Caygill. They were threshed out. This is a case where the plaintiff company sought to compel the defendant to pay the profit on a car that had been sold to the defendant but never accepted. The defendant presented his side of the case which was that he had made an agreement and contract with the plaintiff company for the purchase of a car, that he had deposited \$50 with the plaintiff and later another had stated the balance of the purchase price on an auto had called at the office of the company and notified them that he wished a termination of the contract and cancel the contract.

The plaintiff contended that the delivery of the car "on the date named or as soon thereafter as possible."

The jury was out only a short time and returned with a verdict for the plaintiff in the sum of \$75, including in this the \$50 already paid to the plaintiff by the defendant.

## NOT LIABLE FOR LOSSES

From Wednesday's Daily— Joseph Barker and the Buckingham estate in Lincoln, Neb., the supreme court that the district court did the right thing when it held that they were not liable for any part of the \$396,291 that Chris Klem and other stockholders of the Omaha Potash & Refining company sued them for in a lawsuit. They ask that it affirm the judgment.

During the potash excitement in Nebraska the company was organized, and its stock widely sold. Barker and Buckingham served as directors for four months only in the fall of 1918, and the court says that when they resigned they caused to be turned over to their successors as directors all of the money they had in their possession, and that if any losses were incurred in the extravagant purchase of the Burns and Burns company was after they were in charge, and that in law he relieves them of any responsibility. In any event all that they did had been subsequently ratified by the company and its stockholders.

They say that they had no more interest in the company than their stock purchase, and that they are not to be held for the losses of anyone else.

## COMMISSIONERS DEADLOCKED ON CLERK POSITION

Board Has Taken Several Ballots With No Results as to Nominating Successor.

From Tuesday's Daily— The board of county commissioners have been holding their regular monthly session the past two days and between allowing the bills have been attempting to fill the vacancy in the office of the clerk of the district court, occasioned by the death of Clarence L. Beal.

The applicants for the office are Mrs. Golda Noble Beal, widow of the deceased clerk; Mrs. Alma Larson Sydetham, deputy clerk for the past eight years; Mont Robb, republican warhorse of Union, as well as D. C. Morgan and Monte A. Streight of this city.

The board took a number of ballots yesterday without result as each one of the commissioners took their favorite candidate as their choice and on the ballots taken this morning there was no further change in the standing of the candidates.

The attempts to secure compromises between several of the candidates proved unavailing and as the situation stands the board is deadlocked.

As to the vacancy the work of the office has been looked after by the deputy and County Judge A. H. Duxbury, who, under the law, is the clerk of the district court until a successor is named. The court, however, is desirous of being relieved of this responsibility as the county court is one man's job in itself.

## GRAVEL IS NOW BEING LAID ON K. T. HIGHWAY

Work Started Yesterday Toward the Permanent Hard Surfacing of Roadway South.

From Tuesday's Daily— Gravelled roads in this locality came a step nearer yesterday when the actual work of placing the gravel on the King of Trails highway was started and means that in a few weeks the roadway will be a real one extending from the southern boundary of the city to the Otoe county line a distance of something over seventeen miles.

The roadway has been serapped and the hard packed surface of the road exposed for the laying of the gravel, which makes the traveling rather rough at this time but this will be the condition only for a short time as the gravel will soon be laid and placed in shape for the use of the travelers on the highway.

Along the highway the ditches have been opened up for good drainage of the roadway and everything put in the best of shape for the making of the permanent roadway.

The graveling of the K. of T. highway has long been urged and is now in view of realization and means that gravel on this highway will be comfortable in good or bad weather in the future.

**RETURNS HOME**  
From Tuesday's Daily— Mrs. John Bajcek, who has been at Savannah, Missouri, for several weeks taking treatment and undergoing an operation for the removal of a small growth that has been giving her some trouble of late, has returned home, accompanied by her daughter, Mrs. John B. Livingston, and her son, who were with her at Savannah. Mrs. Bajcek is feeling somewhat better and it is hoped will derive some permanent relief from the treatment and operation that will permit the restoration of her former good health.

## MRS. GOLDA BEAL NAMED CLERK OF DISTRICT COURT

Selection of Widow of Former Clerk of Court Made Late Yesterday Afternoon by Board.

The board of county commissioners which has had under consideration for three days the matter of the successor of Clarence L. Beal in the office of the Clerk of the District Court, late yesterday afternoon just before the adjournment of the board, made their selection in the person of Mrs. Golda Noble Beal, widow of the deceased clerk.

There had been several names under consideration by the board in the three days that they had been deliberating on the question and included very high class and efficient men and women, any of whom would have been undoubtedly efficient and accommodating in the office. In fact the high standing of the candidates made the choice of the person to fill it that much more difficult for the commissioners.

The choice of Mrs. Beal is especially pleasing in this city where she has made her home for a great many years and where her splendid ability and charming personality has made her many friends. The feeling of cordiality toward Mrs. Beal was reflected in the splendid support that she received from a large number of friends during the three days that her application has been under consideration.

Mrs. Beal is a daughter of Mr. and Mrs. A. R. Noble of this city and was, prior to her marriage, one of the very efficient teachers in the county and city schools. Her educational qualifications for the office to which she has just been named are splendid and when the new clerk has had a short experience in the office of clerk she will be in the position to give the people of Cass county a real service.

The change in the office of the clerk of the district court will probably be made at once as the services of a clerk are necessary in legally issuing summonses and other papers in the court. Since the illness of Mr. Beal in February the work has been in the care of Mrs. Alma Sydetham who has given very efficient administration of the office, but since the death of the clerk her authority has been limited and the result has been that the serving and issuing of papers has been handicapped to a greater or less extent.

The naming of Mrs. Beal was the general sentiment of a large part of the residents of this portion of the county who felt that she should have the honor of filling out at least the unexpired term of her husband until the election in November 1926 when the voters will select the clerk for the remaining two years of the term, but until that time the appointment made by the board of commissioners will be effective.

When informed of the result last evening immediately after the choice was made by the county board, Mrs. Beal was overjoyed and gratified at the expression shown in her selection. The new clerk of the court was especially profuse in her praise of the splendid loyal service that the friends had rendered in the contest on her behalf.

As to her plans for the conduct of the office or the appointment of a deputy, Mrs. Beal had no statement to give at this time, preferring to take some deliberation on the matter.

## ISSUES A CHALLENGE

From Tuesday's Daily— Dr. Oscar Sandin, chief of the fire department and also captain of one of the teams participating in the water fight in the afternoon of July 4th is out with a challenge to Claude Smith's Eskimos for another meeting.

The two teams had a red-hot contest here on the Fourth and both claim to have won the victory and to decide the final outcome a meeting will be staged in the future.

Dr. Sandin gives the Journal permission to quote him in the matter as follows: "Tell the world that Doc Sandin's Copenhagen Snooze Chewers can beat Claude Smith's Eskimos when it comes to water fights, any time they want to go to it!"

A number of the citizens are planning to collect a purse that will go to the winner and which will give added incentive to the water fighters.

## COMMISSIONERS LOOK OVER THE ROADS

From Wednesday's Daily— This morning County Commissioners C. E. Harris and C. D. Spangler were out in their districts looking over the work that was necessary on the roads and bridges in their districts. In the absence of the other two members of the board Commissioner Gorder was kept busy signing the warrants for claims and other routine matters that came to his attention. The board reconvened this afternoon to take up the matter of the appointment of a clerk of the district court.
