WOMAN FOUND IN RIVER HERE MAY BE MURDER VICTIM

Body Taken Up During Noon Hour Today for Identification and Wound Found in Head.

From Thursday's Daily— This noon, Dr. Carl E. Burns of Omaha and John E. Pruska of that city were here to exhume the body of the woman found in the Missouri river a few days ago in the hopes of identifying the body as that of Mrs. Pauline Smith, Omaha nurse, who has been missing for the past few weeks.

The inspection and examination of the body by Dr. Burns, dentist, who has been looking after the care of the teeth of Mrs. Smith was made, and the opinion given that the body was not that of the Omaha woman.

Mrs. Pauline Smith was a graduate nurse of the St. Joseph hospital, who had been in poor health for time and her relatives fear that she has made way with herself in the three weeks since she left the home of Mr. Pruska, her brother-in-law, and since which time she has been missing.

The body when examined here this noon revealed that it was that of a woman apparently 45 or 50 years of age and who had been very poorly clad. The woman was five feet, six inches in height and had not been very heavy in weight. A large number of the teeth were missing from the body, the description of the teeth as determined from the examination by Dr. Burns, being as follows:

Upper right 1st bicuspid, gold crown; four upper anterior teeth; second and third upper left molars; upper right first and second molars out; third in.

Lower left 2nd molar, gold crown; first lower left molar broken down; second lower left bicuspid, gold crown; first lower left bicuspid O. K.; lower left cuspid, out; lower cuspid out right lateral out; cuspid first, first bicuspid out; first right molar MO amalgamum filed; second right molar MOB amalgamum filled.

On the examination by Dr. Burns it was found that there was a wound over the left temple that had apparently been made by some blunt instrument which might have been occasioned by foul play at the hands of someone and the disposal of the body in the river or might have been received while the body was in the water in the earlier stages before it became so badly bloated.

The tan oxford shoes were about size 7, with rubber heel and the soles were worn very thin at the ball of the feet.

The task of exhuming the body for identification was a most gruesome one, even though it left the fate of the Omaha nurse as deep a mystery as ever.

On Thursday afternoon Mrs. R. P. Westover entertained very pleasantly at her home on high school hill, a party of the little ladies of this city, in honor of Josephine Helen McKernon of St. Joseph, Missouri, a niece of Dr. Westover.

The afternoon was most delightfully spent in games of all kinds and in the guessing contest, Jean Caldwell proved the most accurate and received the first prize and also in the observation game Jean was the prize winner, with Vestetta Robertson, Maxine Clويد and Bessie Halstead being tied for second place.

In these amusements the young people derived a great deal of fun and entertainment for the passing hours of the afternoon and as the day was drawing to a close dainty refreshments were served to add to the enjoyment of the members of the party.

AUTHORITIES INVESTIGATE THEFT CHARGE

Suit of Clothes Claimed to Have Been Taken From Tent Near Myard By Youths From Here.

From Thursday's Daily— Last evening, Chief of Police Johnson and Officer Joe Libershal were busy investigating the alleged theft of a suit of clothes and a small grip from a tent near Myard, where part of the force of the Yant Construction company are staying while in the summer work on the K. of T. highway is being carried on.

The facts in the case as reported were that the suit of clothes had been reported as missing and later three young men had approached some of the gang working on the matter but who denied the charges of having taken the suit, claiming that they had found the suitcase and clothes along the road.

The wife of the man who, it was claimed, owned the clothes, did not desire to make any complaint in the matter but who denied the charges and on her action will depend a great deal the action that the county authorities will take.

No complaint had been filed up to 1 o'clock against the parties in the case and it is expected that the case will be placed before County Attorney Kieck this afternoon for some action.

DEATH REMOVED OLD RESIDENT IN CASS COUNTY

In the death of Mrs. Gamble one of Cass county's oldest residents has gone. Mrs. Gamble has been in this county for many years and was well known to all. Following is a brief outline of her life.

Mary Ann Atchison was born April 12, 1854, at Dundee, Scotland, and passed away at her home near Elmwood, Neb., on July 1, 1925, aged seventy-one years 2 months and 19 days.

In early life she became a member of the Church of England. When a small child she moved with her parents to New Castle, England, living there until 15 years of age, when the family came to America, locating at Kinsman, Ohio, where she united with the Episcopal church.

At this place she was united in marriage to James B. Gamble, on December 2, 1873. To this union were born nine children, four of whom died, Thomas, Frank, and two infants.

They remained in Ohio until 1879 when they moved to Nebraska where she lived until death. She leaves to mourn her besides her husband, five children, her love for the family that she had reared being one of more than usual strength, as she knew no sacrifice too great for those she had loved and labored constantly for the welfare of her family circle in which she found her greatest joy.

Often in the years of her life had the departed lady extended the cloak of Christian charity to the unfortunate, has fed and sheltered those who perhaps were in need and want and often without the hope of the reward of her deed save in the grateful memory of someone. In her lifetime, Mrs. Cory has spent well filled years of Christian living and were each kindly act or tender thought a flower, her last resting place would be a tower of beautiful blooms of memory.

To the family the sympathy of the community goes out to help, perhaps, to soften the bitterness of grief, but in their hearts they can carry more precious still, the memory of the real Christian life that the mother has set as a lamp to guide their remaining way through the pathways of life.

MRS. JOHN CORY CALLED TO LAST REWARD TODAY

Highly Esteemed Lady Called to Her Last Rest After Long Illness—Funeral Sunday.

From Friday's Daily— This morning at 10 o'clock the spirit of Mrs. John Cory passed on at her home in this city, death coming after a long illness that had gradually weakened the patient and in the last few days she had been unconsciousness the greater part of the time, the weakened body awaiting the final summons of the rest that her long and useful life has earned for her.

The death of Mrs. Cory will bring general regret over this city where she has resided for forty years and in the community where practically her lifetime had been spent.

Alice Brosius was born at Peoria, Illinois, February 8, 1866, where her parents had been among the early settlers and while yet a child of very tender years she was taken by the parents westward to the new territory of Nebraska, where in 1854, the Brown family, relatives of Mrs. Brosius, had settled and made their home.

Mr. and Mrs. Brosius and their little family settled at Kenosha then a flourishing townsite along the banks of the Missouri river in Cass county, where the family established their home and the daughter, Alice, spent her girlhood days. Here amid the beauties of the pioneer river town, Alice Brosius grew to womanhood, learning in the careful training of the pioneer home the many attributes that were to form a basis for her splendid character and ability in later life.

It was in March, 1873, at the old home, nestled amid the hills of Cass county that Alice Brosius was united in marriage to John Cory, a marriage that has happily lasted through the forty-seven years and brought with it joys and sorrows and at last the close of the last life for the loving wife and mother.

The death of this splendid woman there remain the aged husband, four daughters, Mrs. Sybel Brantner of Pender, Nebraska; Mrs. Garnett Ohlshlager, Mrs. Florence Coleman of this city, Mrs. Frances Schick of Omaha. There are also four grandchildren, Mrs. Janet Chase of Pender, Mrs. Nellie Bethel of this city, Miss Florence Schuize of Omaha and little Miss Mary Alice Ohlshlager of this city, to mourn the death of the grandmother.

In her girlhood days, Mrs. Cory was affiliated with the Methodist church and has continued a faithful and devout member of this faith until the hour that the gates of death were opened to her passing to the better world.

"Mother Cory," as she was known by many of the more intimate of the friends, has had a splendid life to leave as a heritage to her family that are today bowed in the first grief of their separation. In her long years she has been a true and unflinching mother, her love for the family that she had reared being one of more than usual strength, as she knew no sacrifice too great for those she had loved and labored constantly for the welfare of her family circle in which she found her greatest joy.

Often in the years of her life had the departed lady extended the cloak of Christian charity to the unfortunate, has fed and sheltered those who perhaps were in need and want and often without the hope of the reward of her deed save in the grateful memory of someone. The little one had been suffering from pneumonia which was followed by a heart weakness that led to her death.
