

# "I WOULD BANK MY LAST DOLLAR ON THIS KARNAK"

### Lincoln Man Says This Remarkable Medicine Has Made Him As Fresh and Fit As A Two Year Old.

Each consecutive day brings many interesting statements about the merits of Karnak, the remarkable new medicine that is selling so rapidly here.

Among the latest to testify is H. E. Sheerer, well-known steam-fitter, living at 619 N. 14th St., Lincoln, Neb., who says:

"Speaking from my own experience with Karnak, I'd bank my last dollar that this new medicine will help anyone who tries it. I had lumbago or rheumatism through my back, shoulders and both arms which caused me terrible pain. It just seemed like a kind of witch-mech, first in one place, and

then in another. I would just nearly double up with pain at times, so I could hardly hold a wrench or a piece of pipe. I also suffered from nervousness and constipation, and my sleep was so restless and broken that mornings I didn't feel worth a cent.

"After trying everything I knew of, Mr. Englekling told me what Karnak had done for him; that's how I came to try it. Well, sir, four bottles have made a lean sweep of my troubles. I haven't an ache or pain now, sleep as sound as a dollar, and mornings I feel as fresh and fit as a two-year-old. I have gained weight, too, and am in the pink of condition in every way. Karnak is the greatest medicine I ever heard of, and I can't say half enough for it."

Over 500,000 bottles of Karnak sold in four states in ten months. Karnak is sold in Plattsmouth exclusively by F. G. Fricke & Co., and by the leading druggist in every town.

## VERY ATTRACTIVE WEDDING AT AVOCA

### Marquardt-Amsbaugh Nuptials Very Largely Attended by Friends and Relatives.

From Saturday's Daily— On Tuesday evening, June 30, 1925, the home of Mr. and Mrs. B. C. Marquardt of Avoca, was the scene of a pretty wedding, when their daughter, Clara May, became the bride of Mr. Floyd Ronald Amsbaugh of Omaha.

Rev. Dr. Frank Smith, pastor of the First Central Congregational church of Omaha, officiated in the presence of about 150 guests. Preceding the ceremony, Miss Phyllis Straub sang "I Love You Truly," and "Oh Promise Me."

Mrs. E. G. Spencer, a sister of the bride, played the wedding march for the bridal party as they entered thru an aisle formed of ribbons stretched by Ralph Spencer, and took their places under a canopy of pink and white wedding bells with streamers and bouquets of sweet peas on either side forming a pretty setting for the impressive service.

The bride, who entered with her father, was gowned in white beaded georgette crepe, and a long veil arranged with frill at the back and held in place by orange blossoms and strings of pearls. Her snowier bouquet was of bride's roses and sweet peas.

Mrs. V. C. Rawalt, sister of the bride, as matron of honor, wore a lace dress over green silk, and carried a bouquet of daisies and baby breath. Little Verne Rawalt, as ring bearer, was dressed in a white suit and carried the ring in a large pink rose.

Mr. Amsbaugh was attended by Bernard Spencer, as best man, dur-

ing the service and the reception following the ceremony. Mrs. Spencer played the piano.

A profusion of garden flowers were used in the decoration about the house.

In the dining room the Misses Dorothy Marquardt and Verna Nutzman presided at the punch bowl, and Ethel Witzke and Leone Everett served the ice cream and wedding cakes.

The out of town guests who attended the wedding included Mr. and Mrs. Charles Marquardt of Scribner, Mr. and Mrs. Henry Marquardt, Fremont; Mr. and Mrs. James Freerks and daughter, Anna, Mr. and Mrs. E. G. Spencer and sons, Bernard and Ralph, of Talmage; Mrs. M. N. Spencer, Red Oak, Ia.; Mrs. Beckford and daughter, Minta, of Utica; Mrs. Albert Cockle and little daughter, the Misses Len Bromer and Ethel Eldridge of Omaha; Miss Mignon Mary, Ashland; Mr. and Mrs. C. ## SUFFERS DISLOCATED HIP

From Tuesday's Daily— Mrs. Maude Babbitt of this city suffered a very severe accident at her home in this city yesterday that will confine her to her bed for the next six weeks at least as the result of a dislocated and possibly fractured left hip.

Mrs. Babbitt was out in the yard at her home yesterday morning looking after some of the household work and as she was walking along she fell over a carpet sweeper and struck the ground with considerable force, causing the fracture of the hip. Her cries brought assistance and the suffering lady was carried into the house and medical aid summoned. The injured hip was given treatment and the limb placed in a plaster cast to protect and hold it in place.

Her son, Earl Babbitt, took the injured lady to Omaha, where she was placed in the Methodist hospital for treatment and will be kept there until the hip is completely healed and the patient able to once more use it and which will be at least for a six weeks' period and possibly longer. The accident has brought a great regret to the host of friends here and they are trusting that the recovery of Mrs. Babbitt will be just as rapid as possible.

## REPAIRING BALL PARK FENCE.

From Tuesday's Daily— Charlie Johnson, Burlington yardmaster, who is a great devotee of the national pastime and who has had much to do in years past with keeping Plattsmouth well represented on the diamond, has again taken up the work of repairing the ball park fence washed out by the recent flood waters. As caretaker of the park and manager of baseball activities in years past, Mr. Johnson kept the grounds and property in tip-top shape and is as well versed in the needs there now as any man in Plattsmouth. For some time he had refused to take up the work again, but has been finally prevailed upon, and under an agreement between the baseball team and the Park board, the fence will be repaired under the supervision and in return be relieved of the payment of 10 per cent of their receipts to the park board during the remainder of the season.

New posts have been set along the west side and supported with braces, and these with openings thru which the water can run, spaced at intervals apart, should prevent the fence from again going down before the onslaught of water from the sewers emptying into the small creek at the west side of the park.

Mr. Johnson is devoting his time and energies to the work solely because of his interest in the game, and in order to help get the park into usable shape, and is deserving of a vote of thanks from the Park board, the baseball team and all who are interested in seeing the property preserved from the utter ruin it faced with the fence lying buried in mud, and which the curtailed park fund, since the cutting out of a park for next year by the city council, would not permit of hiring this work done and at the same time keep up the general improvement work in the other parks.

## DEATH OF LITTLE CHILD

From Wednesday's Daily— Last evening the home of Mr. and Mrs. Orville Newton in the south portion of the city was saddened by the taking away of their little two months old son, Ronald, who had for some few days been poorly. The funeral services were held this afternoon from the home and conducted by the Rev. H. G. McClusky, pastor of the First Presbyterian church. The interment was at Oak Hill cemetery where rests another of the little children called back to the bosom of the Giver of Life.

## MANY VISIT AK-SAR-BEN

From Tuesday's Daily— Last evening was Cass and Otoe county night at the Ak-Sar-Ben den in Omaha and a delegation of some 500 of the visitors from the two counties were present to enjoy the frolic and the show that Samson had arranged for the occasion.

At the local Platte river auto and wagon bridge there were eighty-five cars crossing the river carrying Plattsmouth, Nebraska City, Syracuse, Murray and Union people to the Omaha show.

At the den there was a rip roaring time in store for the members of the party and among those who provided entertainment was Everett Stewart, of Murray, who was duly initiated into the Knights of the Ak-Sar-Ben. The Plattsmouth delegation was very fortunate in having their members escape the grueling ordeal of the initiation.

On the return trip the Plattsmouth visitors experienced a great deal of trouble from the mud and the general slippery condition of the roads that made travel a matter of the greatest difficulty and in many cases the cars were skidding into the ditch and requiring help to get them back on the roadway.

### Big Event Will be Held at Union This Year and Will Mark the 37th Anniversary.

From Tuesday's Daily— The old settlers of Cass and Otoe counties are to hold their annual reunion at Union on Saturday, August 8th, the advance notices of the association announce.

This year the association has as its head Hon. W. B. Banning, state senator and banker, and as the secretary, L. R. Upton, one of the leading business men of Union, and their efforts are sure to give good results in getting the best of attractions for the old settlers' gathering as well as to help the young people enjoy the day.

The Old Settlers is one of the long established holidays in this part of the state and each year the old time residents come for long distances to join in the festive gatherings. Each year the pioneer residents grow fewer, but also each year more of the residents enter the old settlers' class through the advancing years of their residence in the county.

The Rock Bluffs association, comprising all of the residents of the county who have lived at one time in the old river town of the past, will also meet on the grounds during the reunion and assure a real time of profit and pleasure to all of the members of the society and the old time residents of the county in general.

In every old time resident of the county and especially the pioneers, now few in number, should join in the big reunion and make it a real success in the associations of the past. Turn out and honor the pioneers who are still with us and who have made Nebraska history.
