WEDDING BELLS RING OUT FOR YOUNG PEOPLE

Miss Helen Lutz of This City and Mr. Harry L. King of St. Louis, Are Married.

From Wednesday's Daily— At high noon today a very pretty home wedding occurred at the pleasant home of Mr. and Mrs. John Lutz at Sixty and Griggs streets, when their eldest daughter, Miss Helen, was united in marriage to Mr. Harry L. King of St. Louis.

The wedding was very simple and was witnessed by only the relatives of the contracting parties, the members of the family circle joining in the pretty ceremony which was to mark the joining of the lives of these two estimable young people.

The home was very tastefully arranged with garden flowers that lent a touch of color and brightness to the rooms.

Promptly at the striking of the hour the young people entered the parlors of the home, taking their station before the Rev. Walter R. Robb, pastor of the First Christian church, who read the impressive marriage lines, the ring service being used in the joining of the lives of the young people.

The bride was very tastefully gowned in a going-away gown of blue silk with a picture hat to match and carried a showy bouquet of bride's roses, presenting a very attractive picture of charm, the gown enhancing her type of beauty.

Following the marriage ceremony the bridal party was entertained at a very pleasing noonday luncheon by the parents of the bride, all of the members of the family circle joining in the pleasant occasion and showering the bride and groom with their well wishes for their future welfare and happiness.

The bride has been reared to womanhood in this city where her parents have been residents for a great many years. She was educated in the schools of this city and has been very active in the life of the community, being prominent in the work of the Rebekah lodge, of which she is past noble grand. The bride possesses a very large circle of friends in this community who regret very much to lose her from their circles.

The groom was for a number of years a resident of Plattsmouth and has for the past two years been employed in St. Louis with the A. R. T. company. Both here and in his present home he has a host of friends that he has made by his splendid many character and reliability.

Mr. and Mrs. King will be at home after August 1 at St. Louis where they have a home awaiting their return from their honeymoon. They departed this afternoon for the honeymoon.

Among the relatives from out of the city attending the wedding were Mrs. B. G. Heisel of St. Louis and Mrs. A. H. Shindelbower of Omaha, sisters of the groom, and John King, U. S. A. of Fort Leavenworth, Kansas, brother of the groom.

FINE BARN DESTROYED

From Wednesday's Daily— This noon the fine, large barn at the home of J. H. McMaken on North Eleventh street, was destroyed by fire of an unknown origin. The blaze had gained great headway when it was discovered by the family and the neighbors and efforts were made to check the blaze as much as possible but in the large hay storage loft the blaze found a rapid field to work in and soon had the structure well ablaze. Trucks and wagons that were near the barn were removed from the dangerous position and a part of the harness in the building was also saved.

The fire department responded to the call but the fire was well under way and practically impossible to save the building. The structure was entirely consumed, the walls falling after the burning of the roof.

There were two car loads of hay, 100 bushels of corn and a large amount of oats in the barn, all of which was a total loss.

The barn originally cost in the neighborhood of \$3,500 and was only partially covered by insurance while there was no insurance on the contents of the building.

MRS. STREIGHT SOME BETTER

From Wednesday's Daily— The family and friends of Mrs. William J. Streight were delighted this morning to learn that Mrs. Streight, who is at the Clark hospital in Omaha, is showing some very pleasing improvement in her condition. Mrs. Streight was very low yesterday and for the entire day her case was very discouraging but during the night a change for the better was noticeable and this morning for the first time in two weeks she was able to take some nourishment. The weakness of the patient, due to her inability to take nourishment, has been one of the chief obstacles to her recovery and it is hoped now that the change may be one that will allow the patient to rally and soon regain her former strength.

ENJOYS EASTERN TRIP

From Wednesday's Daily— Miss Verla Becker returned home Friday from an eastern trip. She accompanied a party of four Nebraska Phi Phis. They attended the Pi Beta Phi national convention at Bigwin Inn, Lake of Bays, Ontario, Canada, which was in session one week. From there they went by steamship to Montreal and Quebec, visiting Miss Boldt on Heart Island, also stopping at St. Anne de Beaupre. She returned by the way of Lakes Champlain and George to Boston, New York City, Washington. In New York City they were guests of Mr. and Mrs. M. Eldred.

RETURN FROM MINNESOTA

From Wednesday's Daily— R. L. Propst and daughter, Miss Roberta, who have been spending the past three weeks in Minnesota with friends, have returned to this city. Mr. Propst spent some time in fishing in the Minnesota lakes and enjoying the coolness of that section of the country while the rest of the west was sweltering under the intense heat. He states that the fishing was excellent but gives out no stories as to his catches. While at Minneapolis and St. Paul, Miss Roberta was the guest of a number of school friends with whom she had been associated in Florida where the Propst family has spent the past few winters.

PHILATHEA CLASS MEETS AT G. C. WESCOTT HOME

Ladies of the Class Find Very Pleasant and Social Time at Home of Their Teacher.

From Wednesday's Daily— The members of the Philathea class of the Methodist Sunday school, composed of the ladies of the church and their friends who have enjoyed the study of the bible and its teachings in their class work, were very pleasantly entertained last evening at the home of their teacher, G. C. Wescott.

The hostesses for the occasion were Mrs. Wescott and Mrs. A. S. Christ and who had provided most delightful hospitality for their associates in the church and Sunday school work.

After the close of the regular business of the class the ladies were given the opportunity of enjoying several delightful musical numbers, Edgar Wescott favoring the ladies with a number of miramba selections that were rendered and showed great skill on the part of the young man.

The accompaniment for the miramba numbers as well as the whistling solos of Miss Alice Louise Wescott were played by Mr. E. H. Wescott. The numbers of Miss Wescott were very much enjoyed and the soloist was compelled to respond to a number of requests.

During the evening the ladies also enjoyed a very entertaining contest in which Miss Jessie Robertson received the first prize while the second prize was awarded to Mrs. Carl Groff for her skill.

At a suitable hour dainty and delicious refreshments were served by the hostess that added to the enjoyment of all of the members of the party.

UPHOLDS RIGHT OF DEFENDANT TO REDEEM

District Court Holds For Defendant in Case of O. C. Dovey et al., vs. W. H. Thomas et al.

From Wednesday's Daily— The case of Oliver C. Dovey et al., vs. William H. Thomas et al., which was tried some time ago in the district court involving the question of title to a portion of the Dovey section of land near Cedar Creek, has been decided by the district court in favor of the defendant, John E. Hazzard.

The court in his decision holds that the defendant, Hazzard, has the equity of redemption in the land in question and the court has given him twenty days in which to make redemption in the sum of \$14,823.47 with interest at seven per cent.

The case is one in which the plaintiffs in the case had purchased the property at a foreclosure sale but in the list of defendants included the name of John R. Hazzard, who had secured an equity in the land from George E. Dovey, was not included.

The defendant, Hazzard, has contended that the sale as to his interest was not binding as there had been no judgment entered against his interest.

The court order provided that if the redemption is not made in the twenty-day period the judgment shall stand against the interest of all of the defendants in favor of the plaintiffs.

REAL RESORT WEATHER

We make this remark figuratively knocking on wood. The last few days and nights, however, have been of the kind that everybody has enjoyed to the utmost as they have brought relief from the intense heat of both the day and night and allowed the residents of the city who, so desired, to slumber very peacefully without the annoying heat.

So pleasant has been the weather since the last of the week that one of our citizens has curtailed a trip to the mountains and will spend his vacation here in the local resort climate.

The intense heat that prevailed for a ten-day period was one of the worst in this section of the country in many, many years and the relief in the change is certainly one that is appreciated by everyone.

The weather man may continue this brand of weather, warm and pleasant days and cool and comfortable nights as long as he desires and there is not going to be any very vigorous kick from the residents of this city.

DEATH OF WELL KNOWN MEMBER OF DICKSON CLAN

Joseph Earl Dickson Passes Away at Collins, Iowa, at Age of 85— Uncle of J. A. Capwell.

From Wednesday's Daily— Attorney Joseph A. Capwell of this city has received the announcement of the death of his uncle, Joseph E. Dickson, aged 85 years, which occurred at Collins, Iowa, July 11. Mr. Dickson was the last of a number of brothers, one of whom, Frank Dickson, was for many years a prominent resident of Cass county and at one time county clerk of this county. Of the family of ten children of which Mr. Dickson was one, there now remains but one sister, Mrs. Hattie Campbell of Lincoln, Nebraska, the mother of J. A. Capwell of this city.

Joseph E. Dickson was born in Wyoming county, Pennsylvania, June 6, 1840. In 1861, while a resident of Illinois, Mr. Dickson enlisted in the Union army at St. Charles, Co., Illinois cavalry, Army of the Potomac. He was engaged in some of the most decisive battles of the great Civil war, serving with distinction at Malvern Hill, Antietam, Fredericksburg, Chancellorsville, Culpepper and Gettysburg. At the time of his enlistment he had entered for four years but re-enlisted for the remainder of the war.

He was a member of the squad that pursued John Wilkes Booth, the assassin of President Lincoln and often related the circumstances of having found the foot that Booth had kicked off when wounded in the foot by the soldiers who were in pursuit of him.

Mr. Dickson was a faithful and devout member of the Methodist church and very active in the work of his church in Collins and until his death retained the memory of his interest in the welfare of his fellowman both spiritually and physically.

The funeral services were held at Collins from the Methodist church Tuesday, July 14, in charge of the American Legion post of that place, which honored the memory of his brave and faithful soldier of the republic who had valiantly bore the good fight to the close.

SUICIDE FOUND ON ISLAND OF PLATTE RIVER BY FISHERS

Victim of Tragedy Located on Island Near South Bend Early This Morning; Inquest Today.

From Wednesday's Daily— This morning, County Attorney W. G. Kieck was notified of the finding of the body of an unknown man on an island in the Platte river near South Bend, the victim apparently of his own rash suicide.

The message stated that the man was found by fishermen on the island and lying at his side was a gun as well as a box of cartridges, a bullet from the gun having been fired into the head of the unfortunate man.

From the powder burns that were in evidence on the head of the man, it was evident that he had decided to end his life and selected the spot on the island for the rash act.

The identity of the man could not be determined until after a close examination had been made of the body and the inquest was set for this afternoon by County Attorney W. G. Kieck.

The body is to be cared for by the undertaking firm of Stander brothers of Louisville and the body will be brought to that place after the inquest is held.

ENJOYS EASTERN TRIP

From Wednesday's Daily— Miss Verla Becker returned home Friday from an eastern trip. She accompanied a party of four Nebraska Phi Phis. They attended the Pi Beta Phi national convention at Bigwin Inn, Lake of Bays, Ontario, Canada, which was in session one week. From there they went by steamship to Montreal and Quebec, visiting Miss Boldt on Heart Island, also stopping at St. Anne de Beaupre. She returned by the way of Lakes Champlain and George to Boston, New York City, Washington. In New York City they were guests of Mr. and Mrs. M. Eldred.

MALVERN WINS ONE-SIDED BALL GAME SUNDAY

Locals Drop Contest by Score of 14 to 3 at the Iowa City on Sunday Afternoon.

From Monday's Daily— Yesterday afternoon the Plattsmouth baseball team visited our neighboring city of Malvern, Iowa, to take on the strong team of that place, with the result that the locals were trounced to the score of 14 to 3, although for the opening innings the fans had vision of a real contest.

After the third inning, however, the battle was lost and the Malvern team made the record of five home runs, being able to stretch what should have been a good single into a run, and confusion in fielding and erratic drives with regularity, the balls knocked into the short outfield rolling and bouncing along the hard uneven grounds out into the race track of the fair grounds. While five of these were scored, only one was really deserving of being called a homer.

The Plattsmouth team started out in great shape and outplayed their foes in all departments of the game until the third when the general demoralization seemed to spread among the players, not only Swanson being hit hard, but a general lack of teamwork and confusion in fielding and generalship adding to the Malvern chances of victory.

The locals opened the scoring by adding two in the first of the third when Joe McCarty annexed a three bagger off the delivery of Mr. McCord, the box artist of the Malvernites, followed by Herold, who retired a fly to Barkus in the left garden. Herb Klauschie was passed by McCord to first base, where he was resting when Hans Newman poked one of his hits at the right time out into the right field and on which Joe and Herb cantered home with the much needed runs and started the evening of the day. Martin was struck out and Johnson grounded to short, retiring Newman at second base and closing the inning.

The Malvern team also started to do business in their half of the third that gave them the lead in what seemed to be a very quiet territory. Tyler opened with a hit to center and was followed by Pace, who attempted to duplicate, but failed, as McCarty snugged the pill. Barkus hit to the infield, the ball taking a bad hop, and then Mawhor, the very efficient hired man of Boss Pace, officiating at shortstop, came to bat and binged a single to the left garden that bounced and rolled all the way to the race track and by the time Mason was able to retrieve the ball, the runner and his two associates were home.

In the fourth inning Malvern annexed two more runs, both being of the hectic home run variety. Zanders, who served Malvern in the center garden, came up and attacked one of Swanny's slow balls with vigor and planted it to the center field, racing around for a circuit drive. Perdue was retired and then McCord, the slab artist of Malvern, polled his homer to center.

The fatal fifth inning was the undoing of the Plattsmouth crew and gave the Iowa team a lead that was almost impossible to overcome. Barkus, the first of the day, was retired, a single to center and Mawhor was out on a fly to Mason in left, making things look good, but Paullin drove out a hot grounder that escaped the talons of Herold, the hard working local second sacker, who usually grabs all that come into his territory.

Herold was hit to right for a safety and Zander drew a base on balls, filling the sacks and then Perdue dumped the game with a homer to center that registered all of the Malvern players.

Malvern registered two more in the sixth inning and Martin was called to the mound to replace Swanson. The Iowa team having their batting clothes on by this time, took kindly to the offerings of Martin in the seventh inning and four hits allowed three scores to cross the pan.

Plattsmouth registered their third score in the ninth inning when McCarty hit for a triple and one the pole of Herold into the left territory registered. Herold advanced on the hit of Klauschie to left, but both runners died on the bags.

The box score was as follows:

Table with columns: Plattsmouth, AB, H, PO, A, E. Rows: McCarty, Herold, Klauschie, Newman, Martin, Johnson, O'Donnell, Mason, Swanson, Nelson.

Table with columns: Malvern, AB, H, PO, A, E. Rows: Mawhor, Paullin, J. Hunsman, Zanders, Perdue, McCord, Tyler, Pace, Barkus.

ENJOY DAY'S OUTING

From Wednesday's Daily— Sunday, July 15th, the members of the Merry Workers club and their friends motored to the home of Mr. and Mrs. John M. Meisinger, where a basket dinner was held in the grove under the shade of the oak trees.

At 1:30 o'clock the dinner was spread on the grass. After dinner ice cream was served.

Later in the afternoon a short program was given which was enjoyed to the utmost. After the program ice cream was again served and at about 5 o'clock the happy group of people journeyed homeward.

Some seventy-five people attended the occasion and all seemed to have enjoyed a most pleasant afternoon.

Doan's Regulents are recommended by many who say they operate easily without griping and without bad after effects. 30c at all drug stores.

CAMPFIRE GIRLS HAVE VERY ANNOYING VISITOR

Weeping Water Girls Camped at Murray Have Party Cut Ropes and Tent at Camp.

From Monday's Daily— Sheriff E. P. Stewart was at Murray yesterday morning investigating a case of malicious mischief that was reported there at the camp of the Weeping Water Camp Fire girls near that place.

The party of Weeping Water girls have been enjoying their outing in the pleasant surroundings of Murray for the past week, camping out and living in tents out in the open, where they could enjoy to the utmost the comforts of outdoor life.

On Saturday evening some one, supposed to be some mischievous youth, had visited the camp of the girls and proceeded to cut the ropes holding up their tents as well as slashing the tents.

The investigation by Sheriff Stewart gave a very pronounced clue to the parties who did the work and that they will be taken into custody soon if they shadowed as the act of depredation was one wholly uncalculated for and one which should be severely punished.

FORD COMPANY MAKES A NEW RECORD IN CARS

June Sees 6,000 More Cars Delivered to Dealers Than For Same Month in 1924.

A new June sales record was established by the Ford Motor company during the month just passed, when approximately 6,000 more Ford cars and trucks were delivered to retail customers in the United States than during the same month a year ago, which held the previous high mark for June.

Reports indicate a continued large volume of business through the summer months. The outlook is for another record breaking month for July. Urgent requests for additional shipments have made necessary increasing the company's July production schedule, which now calls for several thousand more cars and trucks than were produced in June.

Sales figures just given out by the company show that the total sales for June were 195,300 Ford cars and trucks. Of this number, 176,256 represent domestic sales, as compared with 170,547 cars and trucks sold in June a year ago.

Buying conditions also continue good in the high priced car market. Evidence of this appears in the sales of Lincoln cars during June, with deliveries to domestic customers totaling \$92, an increase of 95 over June a year ago.

SUIT ATTRACTS ATTENTION

From Wednesday's Daily— This morning the county court was the scene of great activity when the case of the State of Nebraska vs. Frank B. Slagel was tried. The case is one involving one chicken and a great deal of trouble that followed in the dispute of the ownership of the fowl. The defendant, Mr. Slagel, is charged with assault and battery, in that he is alleged to have slapped Mrs. Bena Smith, a neighbor, over an argument as to the ownership of one fowl.

The parties reside south of this city in the old Rock Bluff neighborhood and a very large number of the residents of that locality were on hand to hear the case and the testimony of the witnesses. The state is represented by County Attorney Kieck while the defendant's interests are being looked after by Attorney D. O. Dwyer.

UNDERGOES AN OPERATION

From Wednesday's Daily— Mrs. Claude Boroff, of Macedonia, Iowa, daughter of Mr. and Mrs. A. W. Smith of this city, who has been very seriously ill at the Smith home here for some time, was taken to Council Bluffs Sunday and on Monday was operated on at the Mercy hospital in that city. Mrs. Boroff has had a very large number of operations in the hopes of giving her relief from her suffering and her condition is reported as being very grave.

UNDERGOES OPERATION

From Wednesday's Daily— This morning Mrs. Lillian Freeman of this city, one of the well known musical instructors of this community, was operated on at the Wise Memorial hospital in Omaha. Mrs. Freeman has not been feeling the best of late and has apparently been suffering from a severe attack of gall stones, to relieve which it was decided that an operation would be necessary and accordingly the patient departed for Omaha a few days ago and this morning was operated upon.

A household remedy in America for 25 years—Dr. Thomas' Eclectic Oil. For cuts, sprains, burns, scalds, and bruises. 20c and 60c. At all drug stores.

Have you anything to sell or buy? Then tell the world about it through the Journal Want Ad column.
