DEATH OF AGED RESIDENT OF THE MASONIC HOME

Andrew Sipp, 91 Years of Age and Member of Lincoln Lodge No. 19, Passes Away.

From Monday's Daily—
Early Sunday morning at the Nebraska Masonic Home in this city occurred the death of Andrew Sipp, one of the oldest residents of the Home and whose life had passed the long period of 91 years.
Andrew Sipp was born in Naugheim, Germany, October 2, 1834, and has been a resident of the United States for a great many years, coming here when a young man.
Mr. Sipp belonged to Lincoln Lodge No. 19, A. F. & A. M., and has been a resident of the Home since December 21, 1917.
In his residence at the Home, Mr. Sipp had made many friends among his associates in that great institution and who regret very much his passing.
The deceased lived far beyond the usual lifetime of man and his years have been practically all the great developments of the century.
A son of the deceased was here at his bedside in the last hours and accompanied the body to Lincoln where it was laid to rest in Wyuka cemetery, the funeral being in charge of Lincoln No. 19.

PURCHASES NEW HOME

From Monday's Daily—
Maldon D. Brown, the jeweler, has just completed the purchase of the residence property on Main street, between 9th and 10th street, that was owned by George A. Kaffenberger of Lincoln. This residence is one of the most attractive in the city and was for many years occupied by Captain H. E. Palmer and family, later being purchased by Byron Clark and then by Mr. Kaffenberger. The new home will make one of the most delightful for Mr. and Mrs. Brown and will place them in a most pleasant and delightful neighborhood.

SUFFERS SEVERE INJURY

From Monday's Daily—
Mrs. Adam Kaffenberger of this city, while attending the picnic and social meeting of the St. Paul's auxiliary at the Born home yesterday, was unfortunate enough to sustain a very severe fall down a flight of stairs while she was assisting in the conduct of the picnic. In the fall, Mrs. Kaffenberger sustained several very severe bruises and a general shaking up, but fortunately there were no bones broken or internal injuries received by the lady, and which could have easily been sustained in the accident.

Hall's Catarrh Medicine

Those who are in a "run-down" condition will notice that Catarrh bothers them more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions.

UNDERGO OPERATIONS

From Monday's Daily—
At the St. Joseph hospital in Omaha Saturday morning, Jane and Ronald, the little children of Mr. and Mrs. Frank Rebal of this city, were operated on for the removal of their tonsils and adenoids. The little folks cleared the skin, restoring sound digestion. All druggists sell it. Price, \$1.25.

WILL APPROVE LEGION BUILDING COMMITTEE

Men Who will Work in Conjunction with Advisory Committee on Construction Details.

From Monday's Daily—
The personnel of the Legion building committee that will work with the public advisory committee and drawing up contract details for the new community auditorium to be erected if the public interest and contribution is sufficient to permit of completing the work with funds secured on a first mortgage, is to be approved at the regular monthly meeting of the post on Wednesday night of this week and will be published in Thursday's Journal. This committee will be made up of capable Legionnaires and the fact that it is to be guided in all matters by the advisory committee composed of District Judge James T. Begley, Robert A. Bates and Wm. Robertson provides a double safeguard against any seeming mistake that might be presumed to be made by Legionnaires alone.
The general public is proclaiming its confidence in the building, and with the drive to be inaugurated in the residence sections of town this week, substantial contributions from all quarters are looked for.
The raising of money for any purpose is far from an easy task, and the Legion drive appears to be faring as well or better than any similar enterprise undertaken in this vicinity in recent years.
The building sought is to be a community building in the strictest sense of the word, and not an American Legion club house.
The Legion's connection with the move lies merely in its having provided the site, its present effort to raise the money, its contemplated assumption of the remaining indebtedness and, of course, its control of the completed building, subject to pledges already made as to occasions when free usage will be granted for community enterprises and nominal rental charged for the "booster" type of commercial enterprise. The whole revenue derived from all rentals is not expected to more than pay the interest and upkeep, while the borrowed principal will be repaid by the Legion itself from the money raised through its own enterprises.

SLUGGERS DEFEAT MURRAY

From Monday's Daily—
Yesterday afternoon the Bohemian Sluggers of this city journeyed down to the resort city of Murray where the bathing beach attracts hundreds every Sunday, to take on the Murray baseball team.
The Murray team had won at the previous meeting of the two teams and the Sluggers journeyed down yesterday bent on revenge and as the result they defeated the Murray team by the score of 12 to 7.
The hurling of the Sluggers was looked after by Louis Svoboda of Malvern who was in his old time form and allowed but few scattered hits. The receiving was done by "Bab" Krejci, who was also the batting star of the Sluggers as he annexed a three bagger, one two sacker and two singles.
The Murray battery consisted of Art and Ernie Hill and who played a very good game throughout the battle.

VISITS IN LINCOLN

From Wednesday's Daily—
Miss Ursula Herold, of Plattsmouth, Neb., who has been visiting in Lincoln with her aunt and uncle, Mr. and Mrs. E. W. Hager, 2600 Q street, returned to her home Tuesday. Miss Herold has been in Washington, D. C., for the past two years, attending the National cathedral, an Episcopal school for girls, and will enter Smith college in the fall.

LOOKING FOR LOCATION

From Wednesday's Daily—
J. W. Pointer, who is to be one of the members of the high school faculty the coming term, was here yesterday for a few hours in company with Mrs. Pointer, looking over a desirable home that they might occupy the coming year. They have a home in mind that will make them a very pleasant and convenient location and will probably move here a few weeks before the starting of school so as to share the school with the formal opening of the term.

UNDERGOES OPERATION

From Tuesday's Daily—
On Sunday Dr. H. C. Leopold of this city was called upon to operate on the two children of Mr. and Mrs. A. A. Jackman, of Louisville, who had their tonsils and adenoids removed. Word from Louisville state that the young people are doing nicely and stood the trip back home in fine shape and greatly relieved from their suffering of the last few weeks.

ELKS VOTE FUNDS FOR PAVING AT OAK HILL CEMETERY

Plattsmouth Lodge No. 739 Takes This Action at Their Meeting Last Evening.
From Wednesday's Daily—
Last evening Plattsmouth lodge No. 739, E. P. O. E. took up at their session the matter of the disposition of the fifty per cent of the carnival funds that were raised last fall for the use of cemetery improvement, voting to turn over to the city the amount of \$1,500 that had been deposited and which the city had agreed to add to \$700 and pave one of the streets in the Oak Hill cemetery.
The lodge had for some time entertained the proposition of creating an endowment fund, only the interest of which was to be used in cemetery work, it being the plan to have this added to each year until sufficient funds might be secured to give an adequate return to the fund that would enable the proper care to be taken of the cemetery.
The agitation that has been made for the paving of the cemetery streets as well as the grading of the road to the Oak Hill cemetery, by the city government as well as a large number of the citizens, decided the Elks that they might secure a greater direct benefit by turning the fund over to the city for application on the paving in the cemetery and which was accordingly the action that was taken last evening by the lodge at their session.
The Elks have considered the fund as a trust in their hands and at the very general demand that had been expressed, decided that the fund should be applied to the present use of the cemetery, rather than future plans that might cover a period of years. The lodge feels that they have justified the confidence of the public in the administering of the fund and now that the time is at hand when the city is willing to do so, they favor the permanent improvement of the cemetery they will do their part in turning over the funds.
The action of the lodge will probably be followed Monday evening by some definite action by the city council to get the work under way and have the new paving placed in the cemetery before the cold weather comes and which will make at least one of the streets possible in bad weather for the funeral parties.
The Elks recently at one of their lodge meetings had voted the sum of \$3000 to be used for the use of the Catholic cemetery but this may be devoted by the trustees of this cemetery also to the paving fund, as the cemeteries are adjoining and have the use of the streets of either cemetery for the funeral parties.

KANSAS INVITES RAILWAY COMMISSION TO MEET

One of Members on Committee of Operators With Federal Commission in Readjustment.

The Nebraska state railway commission received a telegraphic invitation from the Kansas commission Friday inviting its members to take part in a conference at Topeka on August 4 to consider what the states should do in the matter of resisting the application of the carriers for an 11 per cent increase in freight rates. No action will be taken until commissioner Taylor returns from his vacation in a day or two.
The commission is a bit embarrassed by the fact that Mr. Taylor is a member of the committee of state commissioners who had arranged with the interstate commerce commission to act in co-operation in securing evidence to be presented at the hearings which begin in Chicago September 1. The Kansas plan seems to be to have the states interested to join in making a fight against the raise asked for, but the co-operative plan contemplates the use of the material gathered by the states relating to the revenue results in recent years under state rates in the same hearing.
Evidences of a panicky feeling among state commissioners is shown in the fact that the Nebraska commission has received from the state of Washington, and other intermountain and some states to the north. This would seem to indicate that no defense was being prepared by the states when as a matter of fact all have been busy.

ENJOYING AUTO TRIP

From Wednesday's Daily—
The Rev. Frank Emory Pfoutz and family, who are now enjoying their vacation in the east and New England, write back to friends here that they are having the time of their lives in the great outdoor trip through this attractive section of the country.
Last Sunday was spent by the family in New York City and viewing the many points of interest there which are associated with the life and history of the nation.
While at Boston the family visited the home of Henry Wadsworth Longfellow at Cambridge as well as the historic cities of Lexington and Concord.
The Pfoutz family will spend the coming Sunday at Roanoke, Virginia, and from there will start on their homeward journey back to Nebraska, expecting to leave on August 12, if possible.

FILINGS IN THE DISTRICT COURT

From Wednesday's Daily—
Several new pieces of litigation have been filed in the office of Clerk of the District Court Golda Beal. These cases are Celicia Hiatt vs. John Keenan et al.; Joseph E. Tubbs vs. Union Trust Co. of New York city et al. and Frank E. Valery vs. Charles Hendrie et al. These suits are all for the quieting of title and in them W. A. Robertson appears for the plaintiffs. The case of Deles Dornier vs. Joy R. Applegate has a motion filed by the plaintiff's attorney, C. A. Rawls for the modification of decree of alimony and the acquiring of land interests by the plaintiff in the estate of the plaintiff.

Mr. Miner is the efficient superintendent of the Plattsmouth Water company and has reduced the management of the affairs of the plant at Plattsmouth to a business program.
Mr. and Mrs. Ben C. Olive are rejoicing over the arrival of a fine new boy which came to their home to stay a few days since, and which has been given the sobriquet of George Arthur and many are feeling pretty happy over the fraternal event.
Grandfathers Geo. Olive and B. W. W. are both smiling very much of the time.
Next week is the annual visit of the Ridpath Chautauqua, which has visited Weeping Water for a number of years. This is an excellent company and furnishes a program which is equal to any given and Weeping Water is fortunate in that they have the company, and that they have their streets in shape when the time comes for the big crowds which the chautauqua always brings to this rustling city.

Are Going Over the Hill.

The people of Weeping Water are again demonstrating their wisdom in the extending of the paving to the cemetery, as like Plattsmouth, it is sometimes almost impossible to get to the burying ground at certain portions of the year. The people of Weeping Water have concluded while they are at the work to put the paving to the cemetery and at the same time furnish a way to the country to the north of town. The work which they have been doing is making Weeping Water a much better town and will eliminate the problem of city traffic.

Happy Workers Club Visit Here

The Happy Workers Club of Alvo, a young ladies' organization of that village, was in Weeping Water last Wednesday and was demonstrating in sewing, there being on the demonstration, Misses Helen Johnson, daughter of August Johnson, and Misses Gladys Keller, they being brought over as well as Mr. Bert Kitzzell, their instructor, the demonstration showing both excellent instruction and ability to learn and work. A committee also for judging the work in the needlecraft line, composed of Misses June Wychal, Alice Cook and Gladys Keller. Mrs. Keller accompanied the young ladies.

Will Visit the West

M. H. Prall will be coming week depart for Crete accompanied by Mrs. Prall, where they will attend the editors' association which is holding a meeting there for the next part of the week and after the conclusion of the gathering will continue on west and will visit the Yellowstone and Denver but will not go to Colorado Springs as they have visited there a number of time before. However, they will visit at Loveland and Fort Collins.
