

DEDICATION OF NEW INFIRMARY SEPTEMBER 5TH

Masonic Home Board of Control Will on That Day Take Over Building—Large Number Here.

From Thursday's Daily—The board of control of the Nebraska Masonic Home association, which was in session yesterday at Omaha fixed definitely upon the date on which the new infirmary unit of the enlarged home in this city would be formally dedicated by the board.

The date of the dedication as voted by the board will be Saturday, September 5th and the formal ceremonies will occur on the afternoon of that date and be one of the most attractive nature as there will be a very large number here it is expected, to view the new building and inspect the equipment and outfitting of the new unit that is now being rapidly completed and ready for occupancy.

The board of control is extending invitations to all lodges of the Masons chapters of the Royal Arch Masons, commanderies of the Knights Templar and chapters of the Eastern Star and Shrine temples to join in the dedication ceremonies and view the completed building, one in which the orders can have a real pride.

On the morning of September 5th the board of control will arrive and meet formally in session to accept the building and arrange for the final touches of the dedication.

In the afternoon the dedication program will be carried out and which will include participation by the officers of the association, Hon. John Wright, grand master of the Nebraska A. O. U. M. and other of the distinguished Masonic leaders, in formally putting this building into use for the sick and ailing that they may be properly cared for in all the comforts of a first class hospital.

The dedication ceremonies will bring a large number here from Omaha and Lincoln and other nearby cities to participate and will be an occasion that should be fittingly recognized by the people of Plattsmouth and made an event of honor and courtesy to the visiting Masons and their friends located here in our city. The time before the dedication covers a thirty day period and preparation should be made now to have steps taken for the participation in the event by the city at large.

LET CITY JOIN IN DEDICATION OF INFIRMARY

Occasion of the Formal Acceptance of Nebraska Masonic Home Infirmary September 5.

From Friday's Daily—The time that will elapse before the formal acceptance and dedication of the new \$125,000 infirmary is now growing short for the city of Plattsmouth and the community in general to start getting ready to participate in this important event.

The various Masonic bodies of the state have shown their interest in this very important unit of the future greater Masonic Home and it is fitting that the city of Plattsmouth, where the home is located, take formal steps to show its appreciation of the honor of being chosen as the location of the Home.

While the ceremonies will probably largely be confined to the Masonic fraternity, there are many ways in which the city can aid in the plans for the dedication.

Under the plans of the Masonic Home board, invitations are to be extended to all the various branches of Masonry in the state to participate in the dedication ceremonies which will undoubtedly mean a very large number will be here, those from Omaha, Lincoln and other nearby cities sending large delegations to take part in the ceremonies of the day while from all sections of the state there will probably be some representation present.

The new building, as those who have visited the structure well know, is one of the best arranged and equipped buildings of its kind in the state and one that represents the desire and wish of the members of the fraternity throughout the state that their sick and ailing brethren be cared for in comfort and with every possible aid for their physical ills in the new infirmary.

The building is a fine up to the minute forty-bed hospital in which there has been nothing spared to make it among the best in the state.

At the session of the chamber of commerce directors this morning the matter of the forthcoming dedication was taken recognition of and a committee of E. H. Wescott and H. A. Schneider appointed to co-operate on behalf of the Plattsmouth civic body in any way possible with the plans of the Nebraska Masonic Home association in properly carrying out the dedication.

AUTO TURNS OVER

From Thursday's Daily—Yesterday afternoon while Dave Wooster, one of the employees at the Palace Shining parlor, with a young man, Herman Meisinger, was out skimming over the highways in the car of Mr. Meisinger, Dave received the worst of the damage when the car turned over.

The car had been cut down and made into a type somewhat similar to the racing models and its bright green body has often attracted the attention of the passersby on the street. Yesterday afternoon the boys decided to try a short run into the country and accordingly they were journeying out the Louisville road at a rate it is claimed of not over 15 to 17 miles an hour. It was desired to make a turn and Dave who was at the wheel turned and the wheels locked with the result that the converted racer was hurled over as well as the occupants. Mr. Wooster suffered a scalp wound some three inches long and as well as the left shoulder bruised and strained, fortunately no broken bones being sustained in the mix up.

COUNTY BOARD APPROVES EXTENSION OF WORK ON ROAD

Following the Completion of the Project Running Five Miles West Union—Platte Road Next.

From Thursday's Daily—The board of county commissioners at their session this week voted to ask federal aid on the Platte bottom highway, extending from the northern city limits to the Platte river, linking up all the way through Cass county of the King of Trails highway.

This work will be asked with the distinct understanding, as offered in the resolution, that it is to be the next piece of federal aid road asked after the five miles on the O street road from Union to Nehawka, which has also been petitioned for, is completed.

This piece of work has long been under fire as the spring and fall rains and snows made the road very disagreeable especially in the low places and the action of the commissioners in the action of the board of county commissioners is to be commended.

The graveling is expected to follow very shortly the action of the federal and state government in completing their grading and general preparedness of the road for general use. The action of the board of county commissioners is to be transmitted by County Clerk George R. Sayles to the office of the state engineer and will take its place among the other projects that will be carried out to close up the roads that are not receiving federal aid for a part of their length.

Sarpy and Douglas county are expected to follow at once with plans for grading and graveling the highway through their county and which has been so much urged by the traveling public.

PRAISE GRAVEL ROADS

From Friday's Daily—The travelers arriving in this city this morning from the south were very much enthused over the parts of the highway that have been graveled between this city and the Otoe county line and state that it is certainly a great difference in wet weather over the former conditions of the roads after a heavy rain and that travel is not delayed in the least now when the gravel is available.

The small section of roadway from the end of the county graveling on into the paving in this city has become quite slippery, the travelers state, but this condition is not to be for long as a graveling district is being created that will care for the improvement of this part of the roadway and make it as fine a piece of road as any in the county and give a hard surfaced and paved highway from the Otoe county line clear thru Plattsmouth.

The new building, as those who have visited the structure well know, is one of the best arranged and equipped buildings of its kind in the state and one that represents the desire and wish of the members of the fraternity throughout the state that their sick and ailing brethren be cared for in comfort and with every possible aid for their physical ills in the new infirmary.

The building is a fine up to the minute forty-bed hospital in which there has been nothing spared to make it among the best in the state.

At the session of the chamber of commerce directors this morning the matter of the forthcoming dedication was taken recognition of and a committee of E. H. Wescott and H. A. Schneider appointed to co-operate on behalf of the Plattsmouth civic body in any way possible with the plans of the Nebraska Masonic Home association in properly carrying out the dedication.

GIVES KITCHEN SHOWER FOR A SUMMER BRIDE

Miss Helen Slavicek is the Guest of Honor at Most Delightful Social Event Last Evening.

From Thursday's Daily—Last evening the home of Mr. and Mrs. Frank Slavicek on West Main street was the scene of a very beautiful and pleasing gathering of young people who were the guests at a kitchen shower tendered by Mrs. John Lentz in honor of Miss Helen Slavicek, whose marriage to Mr. Vincent Pliny will take place at the Holy Rosary Catholic church on Tuesday, August 18.

The lawn had been very charmingly arranged for the happy event, large strings of the bright hued Japanese lanterns being used in the decorative plan of the occasion which furnished a pleasing part of the evening's general charm and enjoyment.

Here amid the pleasant settings the young people enjoyed the passing hours in all manner of amusements that proved a real treat and in visiting with the bride-to-be.

The guests had come with many handsome and attractive gifts that were suitably presented to the guest of honor with the well wishes of the friends and will add to the charm and usefulness of the new home that the young people are soon to occupy.

At a suitable hour the guests were treated to very dainty and delicious refreshments served by Mrs. Lentz, Mrs. Frank Slavicek and Mrs. James Pliny, which added to the delights of the members of the party.

One of the features of the shower was the mock wedding arranged by the friends of the bride, Miss Mary Holly very cleverly appearing as the minister and Miss Alice Wooster as the charming and blushing groom. Miss Anna Krejci served as the "best man" while Lillian Koubeck appeared as the bride, in becoming style. The bridal party was completed by Miss Ruth Slavicek as ringbearer and Grace Pliny as the official train bearer.

Those attending the pleasant event were: Mrs. Anthony Nesladek, Fremont; Helen, Rose and Teresa Donat, Josephine Rys, Mary and Anna Krejci, Mary Sedlak, Anna Jirousek, Louise Kalasek, Alice and Anna Wooster, Helen and Anna Smetana, Pauline and Florence Nesevsek, Frances Sedlak, Stella and Rose Wurga, Mary Sedlak, Rose Janida, Antonia Vanek, Lillian Koubeck, Mary Holly, Josephine Svoboda, Rose and Lucille Skonal of Omaha, Fern Raynard of Omaha, Helen and Agnes Slavicek, Rose and Mary Schissel and Lillian Rochka.

Mr. Heath, who claims to be a member of the Cissel Squadron post No. 41, of the American Legion, located at Silver Springs, Maryland, started from Washington on April 1, 1925, on his journey that is to carry him into the north of the forty-eight states of the union.

He has so far touched seventeen of the states and has a good start on the trip that he will have to carry out. Mr. Heath states that he is now so far 297 miles more travel to his credit than was on his schedule and so far he is sixteen days ahead of his route reaching Omaha on August 5th when he was not scheduled to reach there until August 19th, being able also to get out of Omaha the same day and reaching here yesterday for a few hours stay.

Mr. Heath made a stay of some little time here as had his horse shod at the blacksmith shop of John Iverson and incidentally he is filled with words of the highest praise for Mr. Iverson's work. Mr. Heath stated that this was his hardest job to get good horseshoes and that the Plattsmouth man sure knows his stuff.

He is going to Topeka from here and has traveled 2,380 miles on the trip. The objective is the restoration of his health, the demonstration of the capability of the horse as the means of long travel.

The occasion had been arranged by Miss Anna Krejci and it was in every way a real treat to the young people of the neighborhood.

The time was spent in games of all kinds at which the members of the party derived the greatest of pleasure, all entering into the spirit of the occasion with the heartiest of enthusiasm.

At a suitable hour dainty refreshments were served by the hostesses that completed the pleasantness of the event.

Those attending the occasion were: Mrs. Stratton, Mrs. Mike Tritsch, Miss Ella Kennedy, Mrs. Kohn, and N. K. Peoples.

HOLD PLEASANT PARTY

From Thursday's Daily—The young ladies of Miss Clara Weyrich's class and Miss Pearl Stewart's class were the guests of the Y. M. B. C., Mr. Farley's class, at the home of Mr. and Mrs. Glenn Perry last evening.

The evening was spent in dancing and various games. Those attending the party were, Misses Marjorie Shopp, Violet Ackerman, Wynore, Mary Warren, Helen Farley, Edith Farley, Mathilda Olson, Violet Vallery, Omaha, Donald Drake, Elmer Wiles, Helene Perry, Ethel Perry, Lethbridge, Alberta, Canada; Margaret Perry, Lethbridge, Alberta, Canada; Edythe Perry, Big Springs, Nebraska, and Messrs. Ed. Mat-schullat, William Mat-schullat, Man-ford Drake, Donald Drake, Elmer Johnson, Herbert Johnson, Orville Johnson, Paul Vandervoort, George Ebersole, Jack Hatt, John Bauer, Vern Hutchison, Myron Birdsley, George Price, Fred Howland, Thos. Green, Norris Cummins, Rudolph Iverson, and Virgil Perry, Miss Pearl Stewart, and Mrs. George L. Farley and Mr. and Mrs. Glenn Perry.

The delegates of whom Mrs. Flynn, Miss Foster of Lincoln and Mrs. Kelly, of York, represented Nebraska, left Omaha on a special train of thirteen coaches and made a most pleasant trip to the west with stops at a number of important places. They left Omaha on July 5th.

After the five day session of the national convention, Mrs. Flynn departed for Los Angeles, where she enjoyed the rest of her time with the son in the southern California city.

While visiting at Los Angeles, Mrs. Flynn attended the Nebraska picnic at Long Beach, where thousands of former Nebraskans gathered to spend the day in old time reunions, and among those who were in attendance she met a number of former Plattsmouth people including Mr. and Mrs. Ed Mason, Mr. and Mrs. Henry Heese, Mrs. F. H. Dunbar and daughter, Marie Sperry, Mark White and wife and William J. Stadelman, a brother of Mrs. White, who was a well known resident here some twenty years ago.

The trip was very pleasant and one that Mrs. Flynn will long remember most pleasantly.

RETURNS FROM TRIP TO THE WEST COAST

Mrs. P. J. Flynn, Who Was Delegate to National C. D. of A. Convention, Had Fine Time.

From Friday's Daily—Last evening Mrs. P. J. Flynn of this city returned home from a very pleasant stay on the west coast, a part of the time being spent at the national convention of the Catholic Daughters of America at San Francisco and a three week's outing with her son, Allison Flynn, at Los Angeles, where Mr. Flynn is now located with the Southern Pacific.

The convention was a great gathering, Mrs. Flynn reports and she has promised she will furnish the readers with a short resume of the meeting at a later date as soon as she has rested a little from the long journey.

The delegates of whom Mrs. Flynn, Miss Foster of Lincoln and Mrs. Kelly, of York, represented Nebraska, left Omaha on a special train of thirteen coaches and made a most pleasant trip to the west with stops at a number of important places. They left Omaha on July 5th.

HEAR FROM CITIZEN SOLDIERS

From Friday's Daily—Cards have been received here from members of the Plattsmouth delegation at the Fort Des Moines citizen military training camp, relating how the members of the party are faring. Karl Keil, who is attending for his second year is enjoying the distinction of being corporal, thereby escaping the regular round of K. P. and camp fatigue which no well regulated corporal is allowed to do under the rules and regulations. Fred Tril-city, a first year man, is receiving his course of training with the active drill periods every day and the other features of the soldier life at training camp. The reports state that Oscar Campbell has been at the Fort hospital, but whether from the effects of the "shots" administered to the new soldiers or not was not given.

All of the members of the party will find it a great experience and one that will be to their advantage both physically and mentally.

At the meeting of Hugh Kearns post No. 56, American Legion, held Wednesday night, the personnel of the Building committee that will act in conjunction with the special advisory committee in approving plans and letting the contract for the construction of the new community auditorium being sponsored by the Legion was approved.

The committee as named is composed of Edwin Fricke, George Petring, Leslie Niel, Emil Hild and Elmer Webb, and in all its acts, it will conform closely to the opinions of the advisory committee, composed of Judge James T. Begley, Robert A. Bates and Wm. Robertson.

While the Building committee will not be called upon to act until the money subscribed is sufficient to insure going ahead with the building, it was deemed best to get the committee all named now, so the subscribing public might know the type of men who would administer their contributions and the manner in which it would be done.

As has been frequently explained before, not one cent of contributed money will be expended until sufficient is subscribed to warrant securing a mortgage loan on the balance. Then with all the money available, final plans will be approved by the committees and a contract let for the erection of the building.

In this way there will be no depending on further contributions in order to insure completing the work. The money will all have to be actually subscribed and available. In a great many drives of this kind, work is started as soon as prospects look promising for the raising of the required money and then unduly held up or abandoned in partly finished condition because such prospects fail over two inches and this seems to have been the case from here on south to the Kansas line.

In sections of the western part of the state where rain has been needed very badly there were reports of very helpful rains although not of the proportions of the rain in this vicinity. Southwestern Iowa also received a very helpful rain during the day that was badly needed and assures a very large crop of corn in that section.

The announcement is made by the relatives in this city of the marriage of Miss Nellie May Cowles to Mr. Harry Ellsworth, the wedding occurring last week at Los Angeles, where the bride has been making her home for the past year.

The wedding was very quiet and occurred at the parsonage of the Methodist church near the home where Miss Cowles has been residing. The young people were attended by Mr. and Mrs. Thomas Progett, the latter being formerly Miss Eleanor Schulhof of this city.

The bride wore as her wedding dress a very smart fall creation of tailored design that was most becoming.

Mr. and Mrs. Ellsworth are to make their future home in Los Angeles to which place Mr. Ellsworth recently removed from this city to join his bride-to-be and for the wedding ceremony.

The bride is a daughter of Mrs. William Cowles of this city and has a very large circle of friends here where she has grown to womanhood. The groom was a resident of Plattsmouth for some two years and is a very industrious young man who was very much esteemed by those who had the pleasure of knowing him.

The many friends will join in wishing Mr. and Mrs. Ellsworth all the happiness that they so well deserve.

LITTLE CHILD VERY ILL

From Thursday's Daily—Yesterday the home of Mr. and Mrs. John Toman on West Locust street was stirred very much by the sudden illness of the little two-year-old son of the family. The little boy had evidently eaten something that disagreed with him and for some time was troubled with convulsions that at first created the fear that he may have been poisoned but investigation proved that it was merely an attack of stomach trouble. The many friends will be pleased to learn that the little one is now out of danger and will be himself again in a few days.
