## GROWING OLD

We all get older. We do not like, but, somehow or other, it seems that we cannot do anything about it. The clerk of time ticks off the seconds. minutes, hours, weeks, months and years with the most stubborn regularity. And we all have to toddle

along and make the best of it. Make the best of it! Yes, that is all that is left to us. Age creeps over us. Our faculties become dimmer. We cling tenaciously to the joys and habits of youth as long as we can. But, gradually, our grasp becomes feebler.

Why worry about it? Why be unhappy over it? Why make the slightest fuss over our own personal experience of all the children of men?

Why not be cheerful about it? I you are sincerely religious, you ought to be glad to grow old. Because the They have made the Atlantic ocean sooner you "shuffle off this mortal soil," the sooner you enter upon eter-Inal happiness.

But even if you are not religious, why worry because you are growing older or fatter or balder or feebler? Why not make the best of it?

Which brings up the question:

What is "the best" of it? Is it not wise to make an effort to become interested in matters which are not affected by the flight of The maiden sighs for a man, while time? As long as you know that time will come when you will be quite "elderly," is it not highly intelligent to reconcile yourself to the said but didn't, have saved us many thought and prepare yourself, as best you can, to get enjoyment out of ad-

There is no kill-joy philosophy involved in this thought. It is merely a matter of ordinary intelligence. Of course, the average person does not possess ordinary intelligence. The average person is a hopeless "hick."

This is taking it for granted that you are above the average. A boy can play baseball and get a realize that he cannot play baseball all his life. This same test applies to dancing, to flirting, to traveling, to athletics, to overeating and to all ed at almost two billion, none of The Roosevelt boys have gone to other amusements and habits that
