A. J. ENGELKEMEIER, Murray, Nebraska.

Rex Young, Auctioneer, Murray State Bank, Clerk.

DRUNK DRIVER OF AUTO GETS 20 DOLLAR FINE

Illinois Man Winds Up in the City Bastle After Being Nabbed Driving His Car While Drunk

From Wednesday's Daily—Yesterday afternoon Chief of Police Johnson and Constable Tom Svoboda were called out on Washington avenue where there was a party of drunks reported to be driving a car.

The officers stepped on the gas and met the party of motorists who were going out the avenue in a decidedly reckless manner as the driver of the car seemed to be very much under the influence of liquor.

The officer found that the car was one bearing an Illinois license plate and the trio that were in the car were all more or less under the influence of the corn juice that has become one of the great profit-making enterprises.

The driver was able to give his name, John Forehand, but that was about as far as his capacity to converse could progress.

The party was brought on in and lodged in jail for the night here, their release was unknown by the law and they peacefully slumbered until this morning when a complaint was filed against Forehand in the office of Police Judge William Weber, and, who, after hearing the plea of guilty entered by Forehand to the charge of driving a car while drunk, assessed a fine of \$20 and costs which totaled the sum of \$23.

The amount of the fine was paid and the driver of the car departed a sadder and soberer man from his experience with the stern and unrelenting Nebraska law.

Itching, bleeding, protruding or blind piles have yielded to Doan's Ointment. 60c, at all stores.

WOMAN'S CLUB HOLDS MEETING

From Wednesday's Daily—Yesterday afternoon the ladies of the Plattsmouth Women's club met at the home of Mrs. John F. Gorder, former president, to outline their program for the year and to plan on the many features that are expected to make the season of 1925-26 one of the best in the history of the club.

The program for the year will include many studies of art, literature and music as well as current topics which the ladies are keeping a very close check upon.

The ladies also decided upon the support of the American Legion community building project to which they expect to also lend their financial aid in as large a sum as possible in order to give the city a suitable community building. This amount was not decided upon owing to the fact that many of the members of the club were absent from the city as well as confined at home by sickness.

VERY PLEASANT PARTY GIVEN AT SPIDELL HOME

Plattsmouth Friends Motor to Pacific Junction Where They Enjoy Very Fine Time.

From Wednesday's Daily—The members of the young women's auxiliary of the Methodist church were most delightfully entertained last evening at the charming home of Mr. and Mrs. Glen Spidell at Pacific Junction, the trip to the scene of the gathering being made by auto and afforded the pleasant feature of the evening with the cooling drive along the river bluffs and across the Missouri river on the ferry.

The evening was devoted to a business session of the auxiliary for a period and brought the pleasant social features of the session that will be long very pleasantly remembered by all of the members of the party.

Dainty refreshments served by the hostess added to the pleasures of the evening and brought the occasion to a most pleasant conclusion.

The occasion was the regular August meeting of the society and Mrs. Edward Roman was the leader of the devotions, the subject of the meeting being "New Methods For the New Year." There were several new members added to the roll of the class.

The members of the party are very appreciative of the fact that the Richardson brothers allowed them a special rate to help out the church work to this extent.

Those who attended from this city were Messrs. and Mesdames Hallie Perry, E. G. Shallenberger, Byron Babbitt, Elvin Craig, Earl Schwenkner, Frank Parkus, Mrs. Raymond Larson and Mrs. Edward Roman.

PASSING OF ANOTHER PIONEER

Another of the early settlers of Cass county passed to her reward when Rachel Ryan, wife of Samuel Ryan, died at the home of her daughter at La Salle, Colorado, July 9.

Rachel Allen was born in Ohio in 1844 and when a tiny girl came with her parents among the earliest settlers to Mahaska county, Iowa. There she grew up and in 1865 was united in marriage to Samuel Ryan. The following year they came in company of John Wood to Cass county, homesteading on the prairie two miles south of Avoca. At that time there was not a tree between Lincoln and Omaha and the men earned their living while the farms were getting started by freighting from Nebraska City to Lincoln.

Four children were born to them, three of whom died during the diphtheria epidemic of 1881.

In 1885 they again moved to Cass county among the early settlers of that district, but returned in 1889 making their home at Alvo.

In 1907 Mr. Ryan, having developed asthma, they moved to Colorado where he passed on in May, 1923.

Mrs. Ryan was a member of the Congregational church of Eagle for many years and at the time of her death was a member of the Presbyterian church of La Salle. She is survived by her daughter, Mrs. J. L. Koefer of La Salle, Elizabeth, Lee Ryan, and Faith Keizer and two brothers, Daniel Allen of Anselmo, Nebraska, and Burwell Allen of Westphalia, Kansas.

WILL EXHIBIT AT DES MOINES

From Wednesday's Daily—Harry Knabe, one of the progressive stock and hog men of Cass county, came up this morning from his home near Nehawka, accompanied by his sister, Vernice, and spent few hours here on business. Mr. Knabe is preparing to take a carload of his prize winning Hampshire hogs and Cotswold sheep to the Iowa state fair which will open in a few weeks at Des Moines.

Mr. Knabe has scored many prizes at state and interstate fairs with his stock and the result shows his skill and ability in handling the various breeds for the very best results.

The county is fortunate in having as active and wide awake young farmer as Mr. Knabe whose activities have brought up the standard of the hogs and stock in the county. His sales and showings are always watched with interest by the stock and hog men as they know that some of the best stock in the middle west will be exhibited.

For any pain, burn, scald or bruise apply Dr. Thomas' Eclectic Oil—the household remedy. Two sizes, 30c and 60c, at all drug stores.

The Dennison crepe paper solves many of the problems of the hostess in decorations. See the line at the Bates and Gift Shop.

CITY AND TOWN SCHOOLS ARE RANKING HIGH

SHOWS ADVANCE OF EDUCATION IN NUMBER ACCREDITED TO STATE UNIV.

COST \$350,569.84 FOR YEAR

Report of Superintendent Shows Facts as to City and High Schools Over County.

From Wednesday's Daily—The high and city and town schools of the county are real industries in themselves as the reports of County Superintendent Miss Alpha Peterson show and the young people of the county are given every possible advantage in receiving their education in the schools that will fit them to enter the University of Nebraska and in a number of schools, the large eastern colleges.

From the reports made to the superintendent the cost of the operation in the county of the city and town schools reached the sum of \$350,569.84 for the past year, this representing also the total receipts of the schools.

The schools that are included in the list of city and town schools are those of Plattsmouth, Weeping Water, Alvo, Murdock, Nehawka, Union, Eagle, Greenwood, Avoca, Elmwood and Louisville.

In the receipts of the schools of the federal aid there was the sum of \$6,451.98 paid over to the schools and of the state apportionment the sum of \$8,821.17.

The items of salaries is the largest single one of the expenditures of the schools, of course, and represents a very large outlay. For the secretaries of the school boards of the county the amount of \$990.70 was paid out, the salaries of the janitors \$2 to \$500 per year. The members of the boards received in salaries the sum of \$5,500.

The male teachers employed in the city and town schools received for their services \$19,578, while the women teachers in these schools drew the sum of \$101,865.

The janitor services in the town and city schools cost the amount of \$10,851.56.

For fuel to operate the various buildings there was expended the amount of \$7,874.43, for water \$974.77, showing that the pupils are great water users. Light and power in the schools cost \$1,069.59, while to insure the buildings there was paid out the sum of \$4,048.

The amount that was paid out for textbooks in the schools amounted to \$4,446 while other supplies, including paper, pens, ink, etc., cost the sum of \$4,381.

One of the large items in the county high schools was that of transportation, \$16,964.50 being paid out in hauling the pupils to, and from, the schools.

For the physical examination and care of the pupils there was expended the sum of \$271.79.

The number of pupils that fall under the compulsory law as to school age and accredited by the state, while the number enrolled in city and town schools showed 3,417.

The amount that has been voted to maintain the schools for the next year is \$228,221.23 for the various city and town schools.

Eleven of the schools are approved and accredited by the state university while three of the schools, Manley, Murray and Avoca, are approved by the state superintendent for free high school education. Avoca, on the completion of its new building and the enlargement of courses this fall, will be accredited to the state university.

There were 450,235 days of school taught in the city and town schools, this being the grand total of days taught.

The value of the high school and town school buildings and property is fixed at \$493,794.43, while the equipment of the schools is set at \$78,536.35.

There is also one parochial school, the St. John's school of Plattsmouth reported with an enrollment of 44 pupils. As this school is maintained by private contributions and the church there are no figures given as to the cost of its operation.

The assessed valuation of property for school tax in the county is set at the sum of \$20,169,693.

TRAVELING FREIGHT AGENT OF M. P. HERE

From Tuesday's Daily—R. T. Guershey, traveling freight agent of the Missouri Pacific, was here today visiting with the Plattsmouth people and getting acquainted with this section of territory.

Mr. Guershey is a rustler for his company and has secured some very pleasing results for his company along the lines in this section of Nebraska and is a very clever and genial gentleman and one that a live wire for his company all of the time.

FILES SUIT IN COURT

From Saturday's Daily—This morning an action was filed in the district court entitled the Farmers & Merchants bank of Murdock vs. H. W. Johnson et al. The action is one involving the collection of a note of \$234 which the plaintiffs claim to be due them from the defendants.

Another action filed is that of A. J. Tritley vs. John R. Beeson, involving the collection of a note for \$100, which the plaintiff claims to be due him with interest from 1921.

Weeping Water Department

Louis Ehlers and Perry Wright were shelling and delivering corn at the Wiles elevator.

Peter Miller was a visitor at Plattsmouth last Tuesday, driving over to see his son, James Miller, and wife for the day.

Carl Day and L. R. Snipes carried ice water to the players during the Weeping Water Golf contests, and they surely saved a number of lives.

Judge J. Beeson of Plattsmouth was a visitor in Weeping Water last Monday looking after some business matters for a short time and also was visiting with his many friends.

D. C. La Rue, the salt man, better known as the "Salt Seller" was a business visitor in Weeping Water, and was looking after business last Wednesday, returning to his home at Union in the evening.

Floyd Rockwell and family of Wayne and C. D. Rockwell and family of Omaha were visitors in Weeping Water last Wednesday when they were visiting with relatives and friends and looking after some business.

Martin Johnson and wife of Siebert Colo., who have been visiting here at the home of Mrs. Johnson's father, Peter Johnson, who they are now, departed in their auto for their home in the west on Wednesday of this week, having enjoyed an excellent visit while here.

Dr. E. F. Kline and family, who have been in the west for the past week, driving in their motor, are expected to arrive home soon. They visited North Platte, Scottsbluff, Cheyenne, Ft. Lupton and Denver.

Bert Petersen and wife of the Beauty Parlor, were visiting in Lincoln, Nebraska, when they were attending a house warming at the home of their friends Ray Dyer and wife. It is safe to say but little fuel was required to get the proper temperature. However all had a splendid time.

Floyd Wolcott and family and Mrs. John W. Carter arrived home last Tuesday after having spent some four weeks in the west, and during which time they visited at Yellowstone park and the Black Hills, and at each place of interest (and there were many) they camped and enjoyed their outing most pleasantly.

C. E. Heebner of near Nehawka was a visitor in Weeping Water last Wednesday and said he was expecting to go to Rochester, Minn., where he would take a clinic at the Mayo Brothers hospital. Some years ago Mr. Heebner had some trouble on his nose caused by a pair of glasses which did not fit properly and it has been persistent in not healing.

G. H. Dennis, the contractor, has just taken the contract for the erection of a cattle shed on the Walker farm, near Alvo, Gaith, Iowa, which is to be 20x70 feet and will cover much of the side of the barn. Mr. Dennis has been very busy during the past summer and was telling the writer he has not had time to do any work in the shop for the past 90 days, but at this time he is hoping that he may get some of the work at the shop caught up.

See the Northwest

Edward Boffett and F. A. Burch, who were away from last Friday until Monday night, saw a lot of the northwest during the interval. They first went to Dunning, where Mr. Burch was called by some business matters. They think this a most excellent grazing country. They also went some 40 miles north and were greatly impressed with the country. On their return trip near Grand Island they witnessed a large touring car strike a truck loaded with watermelons, scattering them over much of the Lincoln highway, and not a "nigger" in sight.

Enjoy Picnic at Park

John W. Amick, now of Hadam, Kansas, but who is visiting his brother Louis Amick at Plattsmouth, was the guest of honor at a picnic dinner at Riverview Park at Omaha last Sunday and at which a large number of relatives were present, the day was spent in visiting and recounting the other days, where all were young and the country new. There were present for the occasion J. W. Amick of Hadam, Kansas, Louis Amick of Omaha, Frank Hunt and family of near Weeping Water, Cecil and Earl Amick, Earl Coolman and family of Mynard and their daughter Evelyn.

Paving Stopped for a Time

On account of the breaking of the concrete mixer used by the Yant construction Co., the work of paving has been stopped for the present and nothing is being done until the machine shall be repaired. It is expected this will be done by some time next week. Meanwhile a portion of the force have been sent to Craig, Neb., until they are again needed here. The remainder have been sent to Alma where the company are doing some paving.

Chautauqua Best Ever

The chautauqua which has held the boards for the past week in Weeping Water, pleased those who attended and gave an excellent series of entertainments. The entertainments were well attended and the institution paid out. Those who have attended the chautauqua entertainments for the years past since there was first one in Weeping Water, say that the talent this season was the best which ever came to Weeping Water.

Are Holding Camp Meeting

The Menonite church is beginning a camp meeting on the school grounds at Weeping Water this (Thursday) evening and which it is expected will continue some three weeks or as long as interest in the meetings are maintained.

"ON THE CORNER" August Clearance Sale

"RATTLIN' RHUBARB" SOLD

The residents along Wintersteen hill and its approaches are having a sigh of relief that "Rattlin' Rhubarb" is no more. This phonetic name does not apply, dear reader, to the lowly "pleasant," so well known, but to the motor vehicle that was owned for several weeks by a group of young men of that section of the city, headed by William Mateschill and Elmer Johnson. The boys have disposed of the car now and its frantic puffs, the sharp and sleep destroying explosions will no longer warn the peaceful dwellers of that locality that the "Rattlin' Rhubarb" is returning home or its owners gathering at the home fireside. Silence, deep and unbroken hovers over Wintersteen hill and little children wonder in their childish way what has become of the grim and noisy vehicle that once tore up and down the streets in that section of the city and ask their mothers what has become of "Puss's car," only to learn that, like Santa Claus, there isn't any.

GOES TO HOSPITAL

Miss Ethel Born who has been staying in town for several months, accompanied by her father, Louis Born, of the Cedar Creek neighborhood, drove to Omaha this morning, where Miss Ethel entered the Swedish Mission hospital for the removal of her tonsils and possibly a more serious operation. Friends of the young lady will await news of improvement in her condition with interest.

Will Establish Studio Here

Last week, Mr. Carl Herritt and wife, of Nelson, Nebraska, was in Weeping Water, and was well pleased with the place, saying he looked so neat and clean with the new paving, and they secured a building and will return in a short time to establish a photo studio here. Mr. Herritt is well recommended and is a most excellent artist and his coming to Weeping Water will add much to the business interests of the town.

Making Old Building Modern

The board of education has been modernizing the old school building, which when the last buildings were constructed had not been changed, but which needed bringing up to date, and the board at this time is seeing that it is done and in the future all students will have the same advantage.

Injured Knee Badly

Alex Patterson, while at work last week, had the misfortune to fall and strike a board with a nail therein, sustaining an injury when the nail penetrated his knee just below the cap. The limb became stiff and sore, Frank C. Wood and S. J. Marshall took Mr. Patterson to the state hospital at Omaha, where he will receive treatment.
