From Monday's Daily—

Saturday evening the members of the wedding party of Miss Weeolita Conrad and Mr. Howard Gray, son of Carl Gray, president of the Union Pacific, were in the city for a short time on a "treasure hunt."

The occasion was part of one of the enjoyable pre-nuptial events for the young people by the young society set of Omaha, being arranged by Miss Jean Palmer and Morse Palmer, both of whom are to be in the bridal party.

The party left Omaha with instructions to stop at different points along the highway where they received instructions that carried them to the next point and in which there was a great deal of interest taken as the hunt became more and more intensified as the party drew away from Omaha.

Miss Palmer had preceded the party in the scout car and placed the directions for the other members of the party as she came on through, and at 6 o'clock Saturday evening the first cars reached Plattsmouth and according to directions called at the Westcott store, one of the designated stopping places. Here the party had to give the desired pass word and were then directed to the roof of the building where they found further directions that took them on westward to the Glendale cemetery east of Louisville where the final directions were found that gave them the clue to their ultimate destination, the grove near Louisville where they enjoyed a picnic supper. The party returned to Omaha via Louisville.

SUFFERS FRACTURED SHOULDER

From Wednesday's Daily—

Last evening George Nelson, one of the players on the local baseball team was the victim of a very serious accident while the team was practicing at the baseball park. George was playing in his outfield position

during the batting practice and as a high fly was lifted into the short field he came in to catch it, making a very fast and low catch of the fly but caught his foot and fell, being thrown over on his right shoulder, inflicting a very severe fracture of the shoulder bone. The injured member was dressed and the young man made

as comfortable as possible but still suffers a great deal and was unable to rest at all last night from the pain of the arm.

Accidents will happen, but the best regulated families keep Dr. Thomas' Eucletic Oil for such emergencies. Two sizes, 30c and 60c, at all drug stores.
