A LUCKY SPILL From Saturday's Daily— Jim Magee, of the postoffice force, is thanking his lucky stars that a near auto accident in which he figured terminated without injury to himself or the other occupants of his new Essex coach. Accompanied by his wife and two little children, and Mr. and Mrs. B. L. Kirkham, Jim was driving home last Thursday night over the old Whitewood-St. Onge road. It had been raining a little during the evening, making the dirt road slippery in places, and in making a sharp turn Jim applied the brakes and slowed down the car. This caused the wheels to skid and the car left the road and turned over on its sides, piling up the occupants in a heap. Fortunately the car had almost stopped when the accident occurred and no one was injured in any way. A broken windshield was the only damage to the car, but Magee and Kirkham had to "hoof it" six miles to get help to right the car, and the party reached home at about the time Old Sol was peeping his head up in the eastern horizon.—Belle Fource (S. D.) Post.

E. A. KIRKPATRICK OLD RESIDENT OF NEHAWKA COMMUNITY

Veteran of the Civil War Has Lived in Present Community for More Than Average Lifetime.

E. A. Kirkpatrick is the oldest settler in this community. He came to Nehawka seventy years ago last Sunday with his parents from Iowa when he was eleven years of age.

He had made his home here ever since and has noted the many changes which have taken place here since that time.

The Kirkpatrick family were the first residents of this village. They built their home on the banks of the Weeping Water creek, a short distance south of the present home of F. P. Sheldon. Soon after locating here, Mr. Kirkpatrick's father built the first flour mill in the state. It was operated by water power and the machinery was brought here from Iowa.

The closest village to this place at that time was Rock Bluff, which is on the bank of the Missouri river, east of Murray. It was at this place where groceries and other supplies were secured. In those days there was no timber here as there is today. No trees were to be seen and only occasionally a small patch of brush. Neighbors were scarce and Indians more or less plentiful.

Seventy years ago, Nebraska City was known as Fort Kearney where the old log fort was located and Mr. Kirkpatrick says he has been in it on many occasions.

Shortly after the arrival of the Kirkpatrick family here, the Sheldon and Pollard families moved here and the community gradually built up and a few years later the town of Nehawka was started.

Mr. Kirkpatrick can recite many interesting happenings of this community in the early pioneer days and it is a treat to the present generation to listen to him tell of conditions and happenings of that time.—Nehawka Enterprise.

PRAYER FOR RAIN NEXT SUNDAY IN TWO STATES

Atlanta, Ga., Sept. 10.—Apparently encouraged by the results obtained by the people of South Carolina last Sunday when they prayed for rain and got it, church people of two southern states today implored their governors to set aside next Sunday as a day for supplication for divine deliverance from the drought that has ravaged their crops and now threatens to dry up their wells.

The Baptist pastor's conference at Chattanooga and the Chattanooga association today asked Gov. Peay of Tennessee to proclaim the day as one for prayer for rain. The governor was absent from Nashville, but it was indicated that the request would meet his favor. It was said the plea of the Chattanooga pastors was based on a suggestion of their local weather forecaster.

HENRY FIELD STARTS OUT GOOD WORK

Pushes Campaign for the Securing of a Radio Outfit for the Father Flanagan Home at Omaha.

Shenandoah, Ia., Sept. 11.—Special— The boys band from the Father Flanagan home at Omaha came here last evening and put on a program from the Henry Field Co., studio, K.F.N.F. The band is composed of boys from 9 to 16 years of age and are extra good musicians. Just a few minutes before the program, Mr. Field accidentally found out that they had no radio in the home although about 300 boys are there.

During the program Mr. Field spoke of this over the microphone and wondered why the radio folks of Omaha had not taken care of this long ago, and if they did not do it, he would start a list with ten dollars to get a radio for that home.

Certainly surprised and pleased bunch of boys, beyond expression as they started home after the program with the fine radio.

SKETCH OF MRS. JOHN STARK

Another of Elmwood's best and most highly respected women has passed away. Mrs. John Gerry Stark departed this world on September 8th, 1925. The word of her death comes with great sadness to the entire community. She was born at Elmwood, Neb., about a month before her entire life here and held the high respect and esteem of all who knew her.

The following is an outline of her life: Minnie Belle Mullin was born on December 3rd, 1872, on the farm west of Elmwood, Neb., where she departed this world on September 8, 1925, having lived 52 years, eight months and 25 days.

In 1889 she became the wife of John Gerry Stark and they went to Nicholson, Pa., where they lived for two years, then returned to Nebraska living for a few years at Ithaca, and again returned to Cass county where they have lived in or near Elmwood until the present time.

To this union four children were born, Alpha Margorie, now Mrs. E. Miller, of Lincoln, Neb.; Genevieve B., now Mrs. C. O. Pulver, of Kenesaw, Neb.; Cecil M., and Eldon N., of Elmwood. These were all with her at the end. She was always delighted with her three grandsons, Maurice L., and Gale Stark Pulver and John Edward Miller.

She is survived by the four children, husband, John Gerry Stark and sister, Edith Mullin, a cousin, Mrs. Elizabeth Bartlett, her grandmother, Mrs. Ellen A. Mullin, now living in Butler, Mo., and other relatives who live at a distance.

In 1885 she accepted Christ as her Saviour and became a member of the Church of Christ in Elmwood, where she has always held her membership.

Realizing that the end was approaching she made her own funeral arrangements and her wish is being carried out as nearly as it is possible. The funeral services were held in the Elmwood Church of Christ on Thursday at 2:30 with the minister in charge, and the burial was made in the Elmwood cemetery.—Elmwood Leader-Echo.

One interesting feature of the tax returns was that Ruyard Kipling paid nearly as large a tax as Harold Bell Wright. This should puzzle the intelligentsia who pronounced Kipling "dead" some years ago.
