FORMER RESIDENT OF CASS COUNTY DIES THURSDAY

John Boom, For Many Years a Resident of Eight Mile Grove Precinct, Dies at Hastings.

From Friday's Daily—
This afternoon the body of John Boom, former well known resident of Eight Mile Grove precinct, arrived in this city from Hastings where Mr. Boom died yesterday afternoon at the hospital in that city following an illness of some duration.
Mr. Boom resided in this county up to twenty years ago when he removed to the southwestern portion of the state and later located at Guide Rock where he had since resided. He was taken to Hastings recently and placed in the hospital for treatment, gradually growing worse until death came to his relief.
The deceased was 59 years of age and is survived by a large family, a daughter, Mrs. Ed Gobelmann, residing in this city.
The funeral services will be held

Saturday afternoon at 2 o'clock from the Glendale church east of Louisville and the interment made in the family lot in the cemetery there.

MAKES EXCELLENT SHOWING

Harry M. Knabe, the energetic young farmer and swine breeder of near Nehawka, has had some very fine success this season in the showing of his Hampshire swine at the Iowa and Nebraska state fairs and his exhibits there have attracted the attention of many thousands of visitors.
The reports from the state fair at Lincoln give Mr. Knabe the following awards:
Aged boar, 3rd; Junior yearling boar, 6th; boar pig, 3rd and 6th; Junior boar pig, 5th and 7th; aged sow, 6th; senior yearling sow, 1st; senior sow pig, 4th and 5th; aged herd, 5th and young herd, 4th and 5th.

"In a few years you will fly the entire width of the Pacific in one hop, if so inclined," writes Arthur Brisbane. "Also Asia will be able to come here in one swift flight." Arthur is just full of hope these days.

RETURNS TO HOME IN ILLINOIS

From Friday's Daily—
Yesterday afternoon, Miss Elizabeth Smith of Princeton, Illinois, who has for the past year been visiting at the home of Mr. and Mrs. Frank McNurlin in Mt. Pleasant and also with the members of the Heebner family in the vicinity of Nehawka, departed for her home in Illinois.

While on her visit here, Miss Smith was taken quite sick and for the past few weeks has been recovering from the effects of a slight stroke of paralysis, gaining her strength so that her brother, James Smith of Princeton, was able to take her back to the old home to recuperate there from her illness. A number of the old friends and relatives were here to bid her good-bye at the afternoon east-bound Burlington train that will take her on to her home.
The many old friends here trust that she may have a complete recovery from her affliction and soon be on the highway to recovery from her illness.

AMERICAN LEGION TO JOIN ELKS CLUB IN CARNIVAL SOON

Entertainment Feature of Indoor Carnival to Feature Late Fall Season, It Is Decided.

From Friday's Daily—
That the American Legion and Plattsmouth lodge No. 729, B. P. O. E. will join in an indoor carnival late this season was the decision reached by the members of the Legion at their session last evening at the old high school building, where the post has been holding its meetings of late weeks.

This action follows that of the Elks last week in suggesting that the two organizations that have planned carnivals join in making it one large affair in which both would share in the labors and profits that might come from the event.

The Legion's half of the proceeds will be devoted to their community building fund, which is now being raised and the Elks as well expect to make a liberal donation to the new building for their part of the carnival proceeds.

The arrangements for the carnival as well as the definite dates for the event will be in the hands of a joint committee of the two organizations that will take up their duties as soon as possible. However, it is expected that the carnival will be staged in the last part of October or the first weeks of November, as the fore part of the month will be largely occupied with the activities of the American Legion national convention at Omaha, which will be attended by every member of the American Legion in this city and county.

It is expected to make this carnival one of the most attractive that has ever been staged in the city and it will probably be held in the Elks building which is much more appropriate to the purpose than other halls, although the plans of the carnival have not been fully matured and will await the action of the carnival committee to perfect them. However, every effort will be made to have the occasion as pleasant and entertaining as possible.

The local Legion decided also to take up the matter of a float in the great Legion parade in which it is hoped to have 100 floats in line from the state of Nebraska, depicting some scene from the history of the state or patriotic theme and which many of the posts are now getting busy on in order to have them in readiness for the big event of the parade in Omaha. If the float can be secured, the subject will be something in which the local community has shared in the history of the state.

POPULAR COUPLE CELEBRATES THEIR GOLDEN WEDDING

Children Plan and Carry Out Details of Delightful Occasion in Honor of Mr. and Mrs. Taylor.

Louisville folks have had the pleasure and distinction of seeing a number of their citizens come to the important time in their lives when a golden wedding celebration marks half a century of wedded life. The latest being the anniversary of Mr. and Mrs. Henry K. Taylor. This event was celebrated at their home on North hill last Sunday, nearly all their children being present. On account of illness and other reasons, all could not attend, much to the disappointment of their parents and relatives.

The celebration was planned and carried out entirely by the children, who did all the work of preparing and entertaining the guests at the fine chicken dinner, with plenty of trimmings and frills. A supper was also served later in the evening which was also a veritable banquet affair, and to which all did ample justice. The beautiful wedding cake was the gift of Mrs. Clarence Ackles, a neighbor and close friend of the family.

The house was beautifully decorated with the colors gold and white and festoons of these colors made the living room very festive in appearance.
The children present to enjoy this important and rare occasion were Mr. and Mrs. Fred Fleischman and family, of Manley; Mr. and Mrs. Floyd Taylor, of Chicago; Mr. and Mrs. Earl Bailey and two daughters, of Grand Island; Mr. and Mrs. J. W. Taylor and family, Mr. and Mrs. John Fleischman and family and a grandson, Howard Taylor, wife and family, all of Louisville. A few neighbors and close friends were also in attendance, among them being Mrs. G. W. Mayfield, who at the age of nearly 90, had the honor of being the eldest person present. Next in years was the bridegroom himself, Mr. Taylor being 70 and his good wife 66.

Both Mr. Taylor and wife were born in Lee county, Virginia, near the county seat town of Jonesville. Mr. Taylor was born April 17, 1855, and Mrs. Taylor on March 27, 1859. They were 16 and 20 when they were married on September 9, 1875. For a number of years they lived on a farm in Virginia, coming to Nebraska in the year 1891. They resided on a farm in Sarge county for several years, coming to Louisville about 25 years ago.—Louisville Courier.

NERVES ALL UNSTRUNG

Plattsmouth Folks Should Find the Cause and Correct It

Are you all worn out? Feel tired, nervous, half-sick? Do you have a constant headache, sharp twinges of pain, too, with dizzy spells and annoying urinary disorders? Then there is cause for worry and more cause to give your weakened kidneys prompt help. Use Doan's Pills—a stimulant diuretic to the kidneys.

Plattsmouth folks recommend Doan's for just such troubles.
Mrs. P. A. McCray, 515 So. 6th street, Plattsmouth, says: "While doing my work I became tired and felt weak and sharp pains through my back put me right down. When I stopped I became dizzy and black specks blurred my sight. I felt nervous and all out of sorts. My kidneys didn't act right, either. I used Doan's Pills and one box from Weyrich & Hadraba's Drug store cured me of the trouble."

Mrs. McCray is only one of many Plattsmouth people who have gratefully endorsed Doan's Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S PILLS, the same that Mrs. McCray had—the remedy backed by home testimony. 60 cents at all dealers. Coach Rothert Uncovers Some Excellent Material For Plattsmouth High School Eleven.

From Saturday's Daily—
While the school days have just commenced and the task of whipping into shape the football team in a twenty-one day period for the opening game just getting under way, Coach Rothert is well pleased with the interest that is being shown by the boys in both the first team and the second team, as this season there is an unusually large number of the younger boys out for football and many of them show a marked aptitude for the game.

This year there are eight men out who were on the squad last year, five of whom are letter men and participated in a number of games of the season. Harlan Gorder, Carl Kell, Sterling Hatt, Joe Buttery, Ed Westcott, Kenneth Sullivan, Stuart Egenberger and Herbert Johnson being among the last year's string of players to be back for this season on the gridiron. Harry Eastwood is one of the new men that look good for a place on the team as he shows excellent form in his work.

In the younger players, a large number of whom are first year men in high school there are many excellent prospects for the development of real football players and these will be given a thorough working out by the coach. In the younger players out are Gilbert Clark, George Perry, Robert Wurl, Gerald Smith, Bernard Klinger, Merritt Patton, Oliver Snyder, Eugene Bushnell, Richard Herold, Ralph Mason, Jerry Adams and Robert Huncke.

The first game of the season will be on Friday, September 25, when the local team will journey to Council Bluffs to play Thomas Jefferson High school on their home grounds.
