

# "I WOULD BANK MY LAST DOLLAR ON THIS KARNAK"

**Lincoln Man Says This Remarkable Medicine Has Made Him As Fresh and Fit As A Two Year Old.**

Each consecutive day brings many interesting statements about the merits of Karnak, the remarkable new medicine that is selling so rapidly here.

Among the latest to testify is H. E. Sheerer, well-known steam-fitter, living at 510 N. 14th St., Lincoln, Neb., who says:

"Speaking from my own experience with Karnak, I'd bank my last dollar that this new medicine will help anyone who tries it. I had lumbago or rheumatism through my back, shoulders and both arms which caused me terrible pain. It just seemed like a 'kink' would catch me, first in one place, and

then in another. I would just nearly double up with pain at times, so I could hardly hold a wrench or a piece of pipe. I also suffered from nervousness and constipation, and my sleep was so restless and broken that mornings I didn't feel worth a cent.

"After trying everything I knew of, Mr. Engleking told me what Karnak had done for him, that's how I came to try it. Well, sir, four bottles have made a lean sweep of my troubles. I haven't an ache or pain now, sleep as sound as a dollar, and mornings I feel as fresh and fit as a two-year-old. I have gained weight, too, and am in the pink of condition every day. Karnak is the greatest medicine I ever heard of, and I can't say half enough for it."

Over 500,000 bottles of Karnak sold in four states in ten months. Karnak is sold in Plattsmouth exclusively by F. G. Fricke & Co., and by the leading druggist in every town.

## UNITED BRETHREN PASTORS ARE ASSIGNED FOR YEAR

The Rev. C. L. Edwards Sent From Mynard to Orchard; the Rev. I. E. Harmon to Mynard.

The United Brethren conference, which has been in session at York the past week, has completed its work with the assigning of the pastors for the coming year which is of particular interest here as the conference made a change in the pastorate of the church at Mynard.

The Rev. C. L. Edwards, who has been in charge of the church here for the past year, has been assigned to the church at Orchard, Nebraska, one of the growing charges of the U. B. church and where Rev. Edwards will find a very active field for his work and one that he will serve with the greatest efficiency. The friends here of the Edwards family regret very much to see them leave but join in wishing them success in their new work.

The conference has assigned the Rev. I. E. Harmon to the church at Mynard who will at once take over the work of the new church.

The church at Nehawka will have their pastor, Rev. C. W. Hewitt, returned to them the coming year which will be very pleasing to the members of the church in that territory.

## NEW MASONIC INFIRMARY OPENS WITH NEW STAFF

Miss Alice Goff, Formerly Head Nurse at Wilson Hospital in Neb. City, is Head Nurse.

From Tuesday's Daily— The new Masonic Home infirmarium which was formally dedicated by the officers of the grand lodge here Saturday, September 5, will in the next few days be placed in active operation by the commencement of the transfer of the patients who are at the Home in bedfast condition, to the new building that has been placed for the care of the sick and bedfast members of the Masonic fraternity in this state.

The infirmarium will be in charge of Miss Alice Goff of Nebraska City, who has been the head nurse of the Wilson hospital at Nebraska City and a trained nurse of several years' experience and whose success in the Nebraska City hospital has recommended her to the board of the Masonic Home and led to her selection as the active head of the infirmarium as far as the care and treatment of the patients will be concerned.

Assisting Miss Goff in the hospital will be Miss Dorothy Speck as day nurse and Miss Irma Bailey as night nurse at the infirmarium, building, as the patients are not so numerous at this time and can be cared for very handsily by the regular force.

The arrangement of the rooms and their facilities makes the handling of the patients a great deal easier and they can be cared for in the new building in a more efficient manner as every facility for the comfort and care of the sick and ailing has been provided for by the Masons in the new building.

William F. Evers, superintendent of the Home, will have the infirmarium building under his administrative service as well as the Home itself and will attend to the details of the management of the entire Home plant while Miss Goff has the supervision of the nursing and treatment of the patients in the infirmarium.

Miss Goff, the new head nurse, is expected this evening to take up her duties and the task of removing the bedfast will be made as soon as the weather will permit their transfer from the Home building, while those at hospitals out in the state will be brought here as the circumstances of their cases will permit.

The new building is a beauty both from the standpoint of an artistically planned building as well as one that has every comfort for the care of the patients that may be placed there and will assure the very best of care and every convenience for the sick folk.

William head nurse at the infirmarium is one of the popular young ladies of Nebraska City, where she was born and reared and she has been a very active worker in the First Presbyterian church of that city during her residence there.

## WEEPING WATER PARTIES GET INTO LAW'S HANDS

Two Young Men Draw Down Fines as Result of Overindulgence in Intoxicants Saturday.

From Monday's Daily— This morning at the judicial tribunal of County Judge A. H. Duxbury was heard the case of the state of Nebraska vs. Virgil Dixon, charged with transportation of liquor and Milton Prall, Jr., charged with possession of intoxicating liquor.

The young men had been enroute to their home at Weeping Water Saturday afternoon and had proceeded as far as the Glen Perry farm along the highway south of this city when the effects of the intoxicants that they had imbibed became to great for them and they stopped their motor vehicle, too much overcome to proceed on to their home and thereby led to their downfall.

Shirley B. Stewart was notified of the fact that the car was out along the highway and at once proceeded out to look over the matter and was accompanied by County Attorney W. G. Kleck and on their arrival there they discovered the two young men in a very bad shape. The parties were brought on into this city to be cared for as guests at the county bastille until they could recover sufficiently to face the machinery of justice.

This morning after the evidence was offered to the court the judgment was passed on the young men of serving sixty days in the county jail, Dixon for transportation of liquor and who also had his car confiscated, while Prall drew down a sentence for possession of liquor.

## SURE A POTATO RAISER

From Tuesday's Daily— Mighty oaks from tiny acorns spring was the old story but in this city it has been reversed and ten potatoes, large and small, have sprung from one tiny runty potato. Mike Bajek reports that last spring when planting his potatoes he ran out of the good seed potatoes and planted a number of little spuds that were scattered in the sack with the good potatoes. While digging his spuds this fall Mr. Bajek discovered that one of the runty little shoots had produced one large and nine little potatoes, they all being formed into one, which in form resembles a large potato. The potato was brought to the Journal office and has been added to the collection of vegetable wonders that we have on hand.

## REV. FRANK EMORY PFOUTZ RETURNED TO PLATTSMOUTH

Methodist Conference at Lincoln Returns Present Efficient Methodist Pastor to Charge.

From Tuesday's Daily— It was with the greatest satisfaction that the members of the congregation of the First Methodist church of this city as well as the citizens at large learned this morning that the conference of the Methodist church of Nebraska, in session at Lincoln, had returned yesterday afternoon to return the Rev. Frank Emory Pfoutz to the charge in this city that he has filled so efficiently in the past two years.

The marked ability of Rev. Pfoutz in the ministry has attracted the attention of a large number of the churches of the state and with this fact it was at first feared that with these conditions prevailing it might be impossible to hold the genial pastor here for another year, with the possible offers that might come from larger churches.

That the conference has decided to heed the wish of the Plattsmouth church to retain their pastor is most gratifying to everyone in the community and assures that the church here will continue with its vigorous leader as in the past year.

During the residence of the Pfoutz family here they have made many friends not only in the church but in the community at large who are delighted with the fact that this splendid family will continue to make this city their home for another year, at least.

While the Methodist church has had many very able leaders and devout teachers of the Word as presented by this church, they have had none more able than Rev. Pfoutz whose splendid work in the pulpit has been an inspiration to hundreds of the people of the community. With his church work and ability as a preacher of the gospel, Rev. Pfoutz has a splendid personality that has made him many additional friends among the people of Plattsmouth.

The community welcomes Rev. Pfoutz and his family to our city for the coming year and trust that it may be as pleasant as the past associations have been in their life here in Plattsmouth.

ence here Mr. and Mrs. Martin have made many warm friends who are going to miss them very much in the future as they leave for the west.
