

To the Public

On October 2nd, the Plattsmouth Auto and Wagon Bridge Company reduced the toll rates to 15c for Automobiles and 25c for Trucks and Busses, without extra charge for passengers and loads, which reduced rates were highly appreciated by the traveling public.

However, on Saturday, October 3rd, at 4:30 p. m., the King of Trails Bridge Company, under order of the District Court had a restraining order served on this Company, which restrains the putting into effect of these low rates, until Thursday, October 8th, when a hearing will be had in the District Court and this Company hopes to be able to restore the low rates immediately after such hearing.

ENJOYABLE BANQUET SERVED AT HOTEL PERKINS

Members of Plattsmouth Credit Bureau Enjoy Fruits of Fines For Non-Attendance.

From Saturday's Daily—
Last evening the dining room of the Hotel Perkins was filled with a party of some eighteen members of the Plattsmouth Credit Bureau to enjoy the very fine banquet prepared and served them by the management of the hotel.

During the past year the members of the bureau have been pledged to attend the meetings of the organization and in their failure to do so have had to pay a fine, which has in the past year formed a neat sum and the members who have been fined were invited to participate in the feast last evening, after which they voted to continue the dining system for the next year as it was certainly a fine return of the penalties imposed.

The dining room was made very attractive for the banquet and the tables arranged with decorations of pink and green, green ferns and vines forming the centerpiece while pink candles and attractive candlesticks added to the charm and beauty of the scene.

The menu served by the hotel management was one to tempt the most discriminating and was enjoyed to the utmost by all the members of the party. The menu was as follows:

Fruit Cocktail
Cream of Tomato Soup
Fried Chicken
Mashed Potatoes Creamed Peas
Vegetable Salad
Pumpkin Pie with Whipped Cream
Coffee Mints

The members of the banquet party spent some time in visiting and discussing the work of the bureau following the banquet and brief remarks were made by the various members of the party.

The Plattsmouth Credit Bureau was first formed as a part of the Ad Club but has since formed a separate organization, the officers of which are H. A. Schneider, president; E. A. Fricke, secretary; F. M. Bestor, treasurer.

The bureau has been found to be a very valuable asset to the business life of the community and it was the decision of the members that they continue during the present year the system of fines for those who failed to be in attendance at meetings.

BEAUTIFUL DOUBLE WEDDING AT BERGER HOME THIS MORNING

Miss Cleed Berger Married to Mr. Fred Smith and Mrs. Marguerite Lopp to Mr. George Tiedge.

From Saturday's Daily—
This morning the home of Mrs. Mollie Berger on Marble street was the scene of a very pretty double wedding when the two daughters of Mrs. Berger were united in marriage, Miss Cleed Berger being married to Mr. Fred Smith of this city while Mrs. Martha Marguerite Lopp was married to Mr. George C. Tiedge of Omaha.

The home was very prettily arranged with the floral decorations of the fall season, a large floral arch being formed in the doors of the parlors, beneath which the young people took their station for the ceremony.

Preceding the ceremony the beautiful bridal chorus from "Lohengrin" was played very charmingly by Mrs. Raymond Berger and to which the two bridal couples entered the parlors to take their stations before Rev. H. G. McClusky, pastor of the First Presbyterian church who read the marriage lines. The beautiful ring service was used in the joining of the lives of the quartet.

The two brides were each gowned in very striking costume of silk in the pleasing cocoa shade, wearing picture hats to match and with bouquets of brides roses and sweet peas.

The marriage was witnessed by only the immediate members of the family of the brides.

Following the wedding the young people were showered with well wishes of the relatives and left shortly after the wedding for the north where they will enjoy a short honeymoon at Minneapolis with friends.

On their return from the honeymoon, Mr. and Mrs. Tiedge will make their home at Omaha while Mr. and Mrs. Smith will make their home in this city.

The two brides are Cass county girls, having been born and grown to womanhood in the vicinity of Nehawka, where they received their education and have spent all of their years prior to moving to this city some two years ago. The two charming ladies have a large circle of friends in this city and at Nehawka, who will join in their most sincere wishes for their future welfare and happiness. The brides are the daughters of Mr. Mollie A. Berger of this city.

Mr. Smith has been connected here with the Plattsmouth Motor Co., as a salesman for a number of years and has a very large acquaintance throughout the entire county and is a gentleman of the most genial disposition and one held in the highest esteem by those who have the pleasure of knowing him.

Mr. George Tiedge is also connected with the Ford interests, is a road man of the Omaha branch of the Ford Motor Company and has been successful in his work with the company.

In their future years and lives the young people will have the best wishes of the friends over the county.

The crops this year in the Rio Grande valley have been excellent and the conditions for farming this year are of the best and should give the residents a large and bounteous crop in the early spring season.

The Rio Grande valley has received hundreds of farmers from the north in the last year, Nebraska, Iowa and Kansas sending down many to become residents of that rapidly developing part of the great state of Texas.

Among the Plattsmouth people who have located along the valley are Mr. and Mrs. Russell Perry, Mr. and Mrs. L. V. Copenhaver, Mr. and Mrs. Don C. York and family and A. C. Mutz and wife.

DEATH OF MRS. PHILIP STOEHR THIS MORNING

Aged Lady Called to Last Long Rest After An Illness Covering a Period of Several Months.

From Saturday's Daily—
This morning at the family home in the north portion of the city occurred the death of Mrs. Philip Stoehr one of the old and highly respected residents of this community, where she has made her home for the past 36 years.

For the past few weeks the condition of the health of Mrs. Stoehr has been failing gradually and as the days sped by it was clear that the lifetime of the wife and mother was numbered by a brief span of time. In her last illness the wife and mother was given the care of loving hands but which availed little in checking the approach of the death messenger.

Anna Maria Lohnes was born near Pekin, Tazewell county, Illinois, July 9, 1859, where she was reared to womanhood and at the age of 20, in 1879, was united in marriage to Philip Stoehr, the marriage occurring at Sand Prairie, Illinois. To bless the lives of this estimable couple three children have come to their home, Mrs. Margaret Schroeder of Bellevue, Mrs. Lula Kell and George Stoehr, both of near Cedar Creek.

Mr. and Mrs. Stoehr came to Nebraska in the year 1889 and settled in the vicinity of Cedar Creek where they made their home for a great many years, moving to this city two years ago where they have since resided.

MRS. WILLIAM BAIRD RETURNS FROM P. E. O. NATIONAL CONVENTION

Very Enjoyable Meeting of Fraternal Organization Just Closed at Minneapolis, Minn.

From Saturday's Daily—
The national convention of the P. E. O. society which has just closed at Minneapolis, Minnesota, has proven one of the most successful and largest attended meetings that the society has enjoyed. Mrs. William Baird, past state president of Nebraska, stated on her return this morning from the meeting.

Mrs. Baird joined the Nebraska delegation at Omaha and they made the trip to the Minnesota city on a special train over the Chicago and Great Western, there being a very large delegation from this state, they only being exceeded in the point of numbers by the Iowa delegation.

In the Nebraska delegation there were twelve past state presidents, Mrs. Baird being one of this number, while the present state president and her assistants were also in the party. Nebraska had 48 delegates present as well as a large number of the other visitors.

The convention was held in the Wesley Methodist church which was splendidly arranged for the convention. There were 500 voting delegates in the convention, one of the largest number that has been reported at any of the national meetings. The sessions were presided over by Mrs. Bowden of Brookfield, Missouri, the national president.

At the Minneapolis convention Mrs. Alice Scott of Kansas was named as the new president of the national organization after a very spirited contest in the convention.

On the return trip, Mrs. Baird enjoyed the fine Mississippi valley trip that is secured by the travel over the Burlington lines east of the Mississippi river as far as Savannah, Illinois, giving a great view of the river and the interesting scenes along the river. Mrs. Baird stopped for a short visit at Aurora before returning home of this city.

TRAVEL IS CHEAP

From Saturday's Daily—
Were it not for the mud and rain that prevails on the highways at the present time, the motorists between this city and Omaha would be in the heyday of their enjoyment. The Platte river bridges over which the travel must go are now engaged in competition that looks good to give the traveler the benefit of the rates. The T. H. Pollock bridge has announced a cut of more than half in their rates, autos that formerly cost 25c now crossing for 15c and without any charge for additional passengers while trucks can spin over the bridge for 25c each regardless of the load, instead of the former higher rates.

The new bridge was open for travel today and was free for a toll bridge until the two counties can gather in enough revenue to make the bridge free.

As one resident of the city remarked, "it is getting cheaper to travel than to stay at home."
