

Alvo Department

Wm. Mickel is constructing a reservoir for the holding of water for his stock.

Anyway they all enjoyed the fried chicken supper at the Methodist church last Friday evening if the weather was a little snappy.

W. H. Warner is the irresistible worker, is picking corn for John Elliott at this time, and will stick on the job until it is completed.

Frank E. Cook has been rustling, building a fence for the purpose of pasturing sheep in the corn field after the picking is completed.

Attorney C. D. Ganz and Edward Carr were looking after some business matters in Plattsmouth on last Thursday, they making the trip in the car of the latter.

Gale Bird and mother, Mrs. Art Bird and two sisters, Iva and Eular, were out to Lincoln, where they were visiting and Mrs. Bird was doing some shopping.

Last Saturday Verl and Carl Rosenow and Misses Blanche Sexton and Pauline Snavely were enjoying a show in Lincoln, they having driven to the capital city in their car.

C. D. Ganz and wife and Mr. and Mrs. S. C. Boyles were enjoying the Cass County Bankers' convention at Louisville last Monday, the bank being closed that day because of Columbus day.

During the past week among those who shelled and delivered corn to the elevators at Alvo were Earl Creamer, Wm. Nickel, J. H. Weyche, Elmer Klyver, W. H. Gamlin and the Willis Whitney estate.

One of the windows in the market of John Woods is being handsomely decorated, and attracts much attention to this up-to-date store. Whoever did the work has a good idea of the decorative art.

A. B. Stromer has been having a siege of the grippe, but is still able to keep at his work and will endeavor to wear the malady out, but we opine from past experience that he will have a hard tussle.

John Skinner has been rustling the past week making a trip to Omaha every day with the truck and also getting in two trips to Lincoln as well. Besides this he has been digging potatoes as well.

George Eidenmiller, the barber, was called to Lincoln last Thursday to look after some business matters, and while he was away Carl Rosenow was looking after the business at the shop, and was busy as a bee.

R. M. Coatman was dragging the roads last Thursday in order to have them in as good condition as possible when the weather freezes them, that they may be smooth for that goes a long way towards good roads for the winter.

Ralph L. Parmenter and wife were enjoying a visit last week from their friends, Mr. and Mrs. Frank Nelson, of Council Bluffs, who returned home Thursday and were accompanied by Mr. and Mrs. Parmenter and the little one.

Messrs. W. W. Coatman and A. B. Stromer were at Murdock on last Thursday, being taken over by W. W. Coatman to attend the county convention of the Red Cross, which was held at the Modern Woodmen hall on that date.

On last Friday was held the first of a series of dances which will be given by the Knights of Pythias lodge and which will be held on an average of once a month during the winter. The dance last Friday was well attended and enjoyed by all present.

Mr. and Mrs. Art Dinges were enjoying the picnic at Syracuse on last Thursday, they driving over in their car, and found they knew everybody and then some. While they were away, the business here was looked after by A. B. Stromer after he had returned from his mail route.

Roy Coatman and Edgar Edwards and Frank Edwards and wife, who have been in the north hunting, returned home last week and report a very fine time and brought home some wild game for the families in the east, and report considerable snow in that portion of the state.

Many of the farmers hereabouts are getting at the corn picking and soon everybody will be out bright and early hanging the ears against the boards. Last Thursday we observed Herman L. Bornemeier, Art Heier, Albert Kunz, W. C. Timlon and Turner McKinnon at work making the corn dry.

Entertained the Club The Home Missionary society met last Saturday at the home of Mrs. John Murthey and enjoyed the occasion very pleasantly, as well as securing a neat sum for the use of the society by using the scales on all who attended. As they were weighed, each of the members was assessed one half of a cent for each pound of weight, and the total amounted to \$5.00. The ladies enjoyed the after-

noon and were served a very delicious luncheon by Mrs. Murthey.

Obituary
Chester Arthur Ough was born on May 29, 1896, at Indianola, Nebr. After a very brief illness he died at Alvo September 21, 1925, aged 29 years, 2 months and 22 days. He was the youngest son of Mr. and Mrs. Henry S. Ough. He leaves to mourn his death a father, Henry S. Ough, of Alvo; four sisters, Mrs. R. L. Parmenter, Alvo; Mrs. A. Diers, Lincoln; Mrs. W. M. Powell, Lincoln and Mrs. J. A. Shaffer, Alvo; also one brother, Milo S. Ough, of Porterville, Calif., all of whom attended the funeral.

Chester's childhood was spent at Indianola and Alvo. Eleven years he lived in California.

In 1917 he entered the service of this country and was stationed at Camp Lewis, Washington, being honorably discharged July 8, 1919. The statement is made in the papers of discharge that his character was excellent. The testimony of relatives and friends is, "Chester was a good boy."

Shortly after the time of his discharge he returned to Alvo and in September, 1924, he and his father established a grocery business at Alvo, in which business he remained up to the time of his death.

In 1917 he joined the Seventh Day Adventist church at Los Angeles. The funeral was held from Hodgman's chapel in Lincoln on September 27, conducted by Rev. O. H. Miller, pastor of the Seventh Day Adventist church of College View, assisted by Rev. C. A. Norlin, pastor of the M. E. church at Alvo.

The American Legion conducted the services at the grave, burial being in Wyuka cemetery, Lincoln.

The pall bearers were Sam R. Jordan, Lee Stewart, John B. Skinner, Carl D. Ganz, Arthur J. Dinges and Walter J. Collins, members of the American Legion.

Card of Thanks
We desire to thank all those who so kindly assisted us during the brief illness, death and burial of our beloved son and brother, Chester A. Ough, and for the beautiful floral offerings and sincere sympathy extended.—Henry S. Ough and Children.

Entertained For Sister.
Mrs. Soren Peterson entertained a number of the friends of her sister, Miss Opal Steele, at their home, northeast of Alvo, on last Wednesday evening. A most pleasant time was had, which was enjoyed by all the young people and which was enlivened by music, games and a delightful lunch, which was served by Mrs. Peterson, assisted by Miss Steele.

Holds Five Hundred Party.
Last Wednesday Harry Appleman and wife entertained at their home a number of their friends, at a 500 party, which was enjoyed most pleasantly. The evening was made the more enjoyable by music furnished over the radio with a loud speaker and as the guests enjoyed the games of cards, they also listened to the current news of the day or night, and concerts from over the country. A delightful luncheon was served and was a very pleasant feature of the evening.

Catarrhal Deafness
is often caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing. Unless the inflammation can be reduced, your hearing may be destroyed forever.

NEBRASKA RANKS WELL AT NATIONAL DAIRY SHOW

Agricultural College Teams Place Sixth and Fifteenth—Brother and Sister Demonstrate.

In competition with ten teams representing colleges throughout the United States at the national dairy show in Indianapolis, this week, the team representing the University of Nebraska in the judging of dairy products won sixth place and the dairy cattle judging team won fifteenth place in competition with twenty-four teams.

The Nebraska team won fourth in the scoring of butter, fifth in milk and ninth in cheese. Edward McChesney of Nebraska team won eighth
