

# Alvo Department

Lantz Clites of east of town was looking after some matters of business in Plattsmouth last Wednesday.

George Brown and wife of South Bend were visiting here for the day on last Wednesday, with friends and relatives.

Charles Godbey and wife departed last week for Oklahoma where they are to visit with relatives for some two weeks.

Virli Rosenow has been assisting in picking corn at the home of Frank L. Edwards and finds the picking pretty good.

Dan Williams, the hustling drayman, was hauling cobs to the many people in Alvo who were desirous of getting them.

Carl Rosenow has been assisting in the gathering of the new corn crop at the home of Lee Snaveley during the past week.

"Mexican Joe" was assisting in the construction of a chicken house for Herbert G. Moore last Friday until the rain came and stopped the work.

The John Woods market and grocery have installed a new ice box and counter which adds much to the appearance and convenience of the store.

W. W. Coatman, living south of Alvo, has been having a tussle with the flu for the past week but at this time is reported as being some better.

During the past week J. B. Skinner was hustling with the stock to Omaha and made a trip a day with an extra one to Lincoln a portion of the time.

Wayne Swartz was a visitor for a short time in Alvo from his home near Murdock and then departed for Lincoln where he had some business matters to look after.

Mesdames R. M. Coatman and C. G. Kirkpatrick, and Phillip Coatman were at Weeping Water last Wednesday attending the funeral of the late Mrs. Charles Ward which was held at that place.

Henry Peterson, who is here from the south will probably remain for the winter and was looking after some business at Elmwood last Thursday as well as visiting with friends at Greenwood.

Simon Rhemeyer and family were visiting last week at Omaha where they went to be present to the celebration of the 34th birthday anniversary of Andrew Rhemeyer, who lives there. All enjoyed the occasion very much.

The prospective members of the Alvo basketball team which is to be a feature of the Alvo schools have been holding tryouts and following the development of the players they expect the selections for the team will be made.

The body of Henry Henriksen, who has been buried at the Camp Creek cemetery west of Alvo, was transferred to the cemetery north of town where it was laid beside the body of a sister who was buried there late this summer.

The Ladies Reading club of Alvo met last Thursday afternoon at the home of their member, Mrs. Foreman where they enjoyed the afternoon very pleasantly and had an excellent program and a very fine luncheon which Mrs. Foreman served.

Mrs. Akley, who conducted the restaurant and confectionary and who has been ill for some time still remains sick at her home in the city and has the business closed. Mr. Akley who is working in Omaha was down last Sunday to visit the family.

William Coatman and wife of Weeping Water accompanied by their daughter, Mrs. M. L. Galliger of Grand Island, who has been visiting with the parents at Weeping Water, were visiting last week at the home of Mr. and Mrs. R. M. Coatman of Alvo.

Fred Rhemeyer of Weeping Water, has purchased himself a new touring car of the Universal make, better known as the latest wrinkle in the Ford, and with it made a trip on last Tuesday to Alvo where the families of the Rhemeyer families visited for the day.

Simon Rhemeyer shelled and shipped nine hundred bushels of corn from this year's crop, which he has bought and placed in the crib as people desired to dispose of it. This corn proved to be in a very good condition. Archie Miller also shelled some 600 bushels which he delivered at the Rhemeyer elevator company.

Mr. and Mrs. C. S. Boyles were attending the State Bankers convention which was held in Omaha during the past week, and enjoyed the time there very much, for it furnished amusement as well as giving them an opportunity to place their hands on the pulse of the commercial and financial conditions of the state of Nebraska.

Mrs. Nancy McNamee and son, Amos, of Union, were spending last Wednesday at the home of G. E. Steel and Sunday at the home of Mr. and Mrs. Soren Peterson, they were also met there by John Phann

and family and Nels Peterson and wife, the latter parents of Mr. Soren Peterson all of Nebraska City, where they had a splendid visit.

During last week everybody was picking corn and then when the rain came all took a rest until it dried off. There was a general disappointment in the corn crop, as it is going on the average of about fifteen bushels more than was expected. As a rule August is a very critical month, this year it proved to be the best friend the farmer had, for it was warm and wet month and the corn which was suffering from want of moisture surely took a new lease on life.

**Installs a Fine Radio**

Last week S. C. Boyles installed a radio at his home which is a very fine one, known as the DeLuxe Special Triodyn and which was purchased from Arthur Dinges, who installed the same.

**Entertained Their Friends**

Last Tuesday evening at the pleasant country home of Mr. and Mrs. Herman L. Bornemeier was held a meeting of the friends of the family who were entertained at 5:00. A most pleasant evening was had and following the games a delightful luncheon was served. All declare this excellent couple fine entertainers.

**Celebrates 81st Birthday**

Grandmother Rosenow of Elmwood recently celebrated her 81st birthday, at which time there were a grand good time had by all the children who were present, they living all over the western portion of the country.

**Bible Conference to be Held in This City**

Starting on Next Thursday, Meetings Will be Held at Public Library Building—Is for Public.

From Saturday's Daily—

The week end Bible Conference, under the auspices of Omaha Bible Institute, will be held in the Public Library building, Plattsmouth, Neb., beginning at 7:30 Thursday evening, October 29th, continuing Friday and Saturday evenings, as well as Sunday afternoon and evening.

On Saturday evening, President W. H. Jordan will speak on "How to Present the Sunday School Lesson;" a service of special interest to teachers and officers in Sunday school; and on Sunday afternoon at 3:00 o'clock, the subject will be "The Great Missionary Call to the Church." Some of the following topics will be given in other evening services:

The Book, its Plan and Purpose.  
The Holy Spirit.  
The Book of Jude.  
The Book of the Acts of the Holy Spirit.  
The Plan of the Ages.  
An Hour in the first Chapter of Revelation.  
Messianic Psalms.  
This is interdenominational work, and will appeal to all who are interested in a further study of the scriptures. Mr. Jordan supplied in Plattsmouth churches last Sunday. He is the founder of Omaha Bible Institute, and is making this his life work.

Anyone interested in the study of the Bible is welcome to attend these meetings.

**FIRST OFFICER OF SHIP IS TAKEN INTO CUSTODY**

Southampton, England, Oct. 22.—The Canadian Pacific liner Melita, whose commander, Capt. A. Clews, was killed yesterday in a shooting affray, arrived today. Thomas Towlers, first officer of the Melita, who is charged with the shooting, was landed and lodged in a police station. He will be arraigned tomorrow morning.

**AUTO IN EVERY FAMILY SEEN**

Washington.—Soon every family in America will have an automobile and some families will have two or three of them—if the public continues to buy them at the present rate. Motor vehicle registration increased 13.9 per cent during the first six months of the year and automobile dealers report that sales have been exceptionally good during the summer months, indicating a further increase.

There were 17,786,909 machines, including pleasure cars, trucks, and taxis being operated over highways during the first half of the year, but 79,200 of these were official vehicles owned by state on which no tax was paid.

On July 1 there were 15,519,647 passenger cars, but sales since then of both new and used machines has increased this number by about 1,000,000. While there were only 82,312 taxis listed, only 20 states required "for hire" cars to register their business and several new fleets of taxi lines have been started in various cities recently.

Farmers, contractors, stores and other business concern had 2,114,750 trucks operating on July 1. With business on the upward trend, however, this type of vehicle has also increased several thousand since then.
