### File Motion for a New Trial in Fanger Case

Defendant Would Have Case Retried as Motion Filed in Court Requests a New Trial.

From Saturday's Daily—  
The case of Frank I. Fanger vs. George O. Dovey, a suit in settlement of the affairs of the two parties as partners in the retail mercantile business here for several months in 1924, and which was decided in favor of Mr. Fanger in a judgment for the sum of \$2,459.50, will probably be appealed to a higher court, as a motion was filed in the office of the Clerk of the District Court yesterday by the defendant through his attorney asking for a retrial of the case.

This case grows out of the disposal of the store building and stock that was purchased in the receivership of the E. G. Dovey & Son business here in this city. Mr. Fanger then owning a department store here and joining his stock with that purchased from the Dovey firm and the whole being operated for some time by the partnership of Mr. Fanger and Mr. Dovey. Later the store and the buildings were disposed of to the H. M. Soennichsen company, from which sale and the proceeds thereof the suit arises. The plaintiff, Frank Fanger, sued for the sum of \$11,000 alleged to be due in the settlement between himself and the defendant, but received the judgment of \$2,459.50 from the court.

The H. M. Soennichsen company is not involved in the suit, as their purchase of the property is not attacked, only the division of the proceeds of the sale between the two parties being involved.

### OLD FRIEND SICK

From Saturday's Daily—  
The Cass county friends of Wilber W. Annes, well known Dunbar druggist and political leader in this section of the state, will be glad to know that he is now making slow but sure progress in his attack of asthma and heart complications, that have made his case very grave for several weeks. The patient is under the care of Dr. W. D. Gibbons, the family physician and is given every attention that is possible at his home in Dunbar. Owing to the need for absolute quiet on the part of the patient there are no visitors allowed at the sick room.

Mr. Annes is well known over this section of the state of Nebraska as he has served as a member of the legislature from Otoe county and also has been a candidate several times for the republican nomination for congress in the first district but his ability and splendid personality is not alone confined to this district but he is known and loved by a large circle of friends over the entire state, who are joining in the wish that he may find a speedy recovery from his illness and again be able to resume his usual activity in business and once more mingle with his friends.

### VERY PLEASANT BRIDGE PARTIES DURING WEEK

From Saturday's Daily—  
Two of the very pleasant social events of the past week were the bridge parties held at the home of Mrs. Henry G. Soennichsen on North Fifth street and at which Mrs. Soennichsen and Miss Mathilde Soennichsen were the hostesses. The home was very tastefully arranged for both of the gatherings, on Thursday and Friday afternoon, each day a 5 o'clock bridge tea being featured by the hostesses that proved most delightful to all of the friends who were in attendance. There were six tables arranged each day, the whole occasion following the Halloween season in the decorative plan of the home.

On Thursday afternoon the first prize was awarded to Mrs. John F. Wolf, and the second to Mrs. F. R. Gobelman and the consolation prize to Mrs. Harry Long. The ladies who were awarded the prizes on Friday afternoon were Mrs. C. E. Hartford, first, Mrs. J. W. Crabill, second and Mrs. Edna Shannon consolation.

### SERIOUS ACCIDENT FOR LITTLE FIVE-YEAR-OLD

On last Friday the little five-year-old daughter of Mr. and Mrs. Henry Reuter met with a very serious accident. Mr. Reuter had a partial load of corn on the wagon and started his team up. He did not know that his little five-year-old daughter was anywhere near around. She had started to climb up on the wheel to get into the wagon and when the wheel started moving she clung to it and going around with it the wheel passed over the entire length of her body. It was a serious accident, but she is slowly improving under the doctor's care. The little one had just started to school this year.—Elmwood Leader-Echo.

The Halloween season is not complete without the decorations of the home for this event and the Bates Book and Stationery store has a very large and well assorted line of novelties that will please. When preparing for Halloween call at this store.

### A Tribute of Friends to Mrs. Chas. E. Ward

Obituary of a Well Known and Highly Esteemed Resident of Avoca and Vicinity of Many Years.

Maude Irene Teel was born on September 10th, 1889, in Red Willow county, Nebraska, near McCook. After a short illness she passed away Oct. 19, 1925, at St. Catherine's hospital, Omaha, Neb. With her parents she moved to Kansas at the age of five years, and about four years after moved to Oklahoma.

She was united in marriage to Charles Edgar Ward, Feb. 28, 1909. To this union two sons were born—Earl Reed, aged 19, and Keith Reed, aged six. Besides her husband and little sons, she leaves to mourn her loss, her father and mother, Mr. and Mrs. Teel of Renfrow, Okla.; four sisters, Mrs. Lesta Stobaugh, Wichita, Kans.; Mrs. Ollie Hunter, Mrs. Pearl Fleming and Mrs. Iva Kerns of Renfrow. Four brothers, Glen Teel, of Wellington, Kans.; James A., Ted J. and Ezra, of Renfrow. Also a host of other relatives and friends. Her immediate family were all present except the mother, one brother and one sister.

At the age of 16 she united with the Christian church, and after moving to Nebraska placed her membership with the Avoca church. The family have the sympathy of each individual in their large circle of friends. "Mother dear," what does it mean. That the dearest of all earthly ties have been severed. It means that one whose daily prayer ascended to Heaven for the protection and guidance of the family has passed away. In the passing of our dear sister, Avoca and community have suffered a severe loss. Although her life was short it was great, and many will be able to say, "I live, because she has passed away."

Her thoughts moved on a high level in a clear atmosphere. Her time was never too precious to spend in listening to and understand-

ing her co-workers. Her greatest ambition was to make the work at Avoca effective to the kingdom of God. So long as Jesus Christ lives among us, our sister will live, for she has taken Christ into her very heart and being. No, we cannot say, we will not say, that she is dead; she is just away. See the faint smile so characteristic of her, that seems to say—"It is not so." She has just wandered into an unknown land; how very fair it needs must be since she lingers there.

### JUNIORS NEED MORE CALVES

Owing to the increasing popularity of baby beef calf clubs over the state, Prof. H. J. Gramlich, of the university farm has issued a statement urging that breeders of good beef cattle aid in the formation of the clubs by supplying the boy and girl members with one of their calves.

There have been a large number of requests for calves by club members received at the college this year. Because of this, Professor Gramlich says the animal husbandry department at the college is willing to co-operate with cattlemen in placing any calves which they wish to sell in the hands of club boys and girls.

This furnishes an opportunity not only to be of service to the club members, he said, but also provides a market for some of the high class surplus stock, or in the case of purchased cattle, a chance to dispose of good individuals that are off color or in any way undesirable for breeding animals, yet in no way impaired for beef producing ability.

### Car Stealing Youths Back in Reformatory

Both of the Young Men Taking the Car of J. M. Robertson Are Back in Reformatory.

From Saturday's Daily—  
John Kenney and John Hellyer were a remorseful pair of boys at the state reformatory Friday night, twenty-four hours after they were speeding toward Omaha after breaking custody at the state institution and stealing an auto. Both are Omaha youths and they were located in that city Thursday night. Kenney was immediately brought to Lincoln and returned to the institution by an older brother when he made his appearance at his home at Omaha.

Hellyer was brought from Omaha by Superintendent Miller. He was very much downcast when he was reincarcerated. He arrived at the reformatory at 8:30 p. m. Friday. It is thought that charges will be filed against the pair, but nothing definite has yet been decided by authorities. Both were serving time for auto theft. Hellyer had but a few months of a one-year sentence ahead of him and Kenney has spent three months of a one to ten years stretch within the walls of the reformatory.

### LITTLE LAD SUFFERS THREE BROKEN LEGS

Sonny, the eldest son of Mr. and Mrs. Jesse Jones, had the misfortune to have his leg broken in three places Saturday evening. As he and his little brother were playing about the barn, in some manner the large door was thrown off the roller and the door fell on the little fellow in such a manner that the handle which is used to open and close it fell on his leg with the above result.

While it is a very bad accident, had it not been for the handle holding it up, it would have been easy to have crushed his life out, and all are glad it is no worse, also that he is making a good recovery.—Eagle Beacon.

### SHOOTING MATCH SUNDAY

There will be a shooting match held at the home of Fred Spangler, south of Plattsmouth, on Sunday, November 1st. This will be a real event for the shooters of the county and everyone is invited to be in attendance. 026-2tw-4td

In view of the prevailing belief that Governments exist today primarily for the purpose of pitting money into the pockets of particular favored classes of citizens we have no very great hope of anything but quibble.
