Red Cross Roll Call to Start on Armistice Day

Greatest of Interest Attached to the Securing of New Members for the Great Organization.

The Annual Roll Call of the American Red Cross held each year from Armistice Day to Thanksgiving is the season for the enrollment of members in this organization chartered by Congress and known as the heart of the Army and Navy. The question is often asked by an individual "What becomes of the dollar which I give to the American Red Cross in return for my membership in that organization?" First of all, fifty cents of that dollar remains in the county where it is collected, to be used by the local Red Cross chapter in constructive community service within the county. The fifty cents that goes to Washington assists in service to disabled war veterans. Approximately \$75,000,000 have been expended by the Red Cross in the care of ex-service men since the close of the World War. The fifty cents sent to the National Headquarters also contributes toward the services to men in the regular Army and Navy, to national and international disaster relief, domestic operations, foreign and insular work, the supervision of service activities and general management.

It is evident that the national organization could not exist unless there were millions of people in the United States interested in it. For as President Coolidge stated recently "The American Red Cross has be-

come an intimate part of our national life. Under its Congressional Charter it is a semi-official agent of the government, but it belongs nevertheless to the people." It is, of course, possible to pay more than one dollar for membership in Red Cross. For example, there are five dollar, ten dollar and twenty-five dollar memberships, but only fifty cents from each of these classes of memberships goes to the national organization, the balance remains in the local community to finance local work. All of the accounts of the American National Red Cross are subjected to the most careful scrutiny and audit by the War Department and an annual report of its work is made to the Congress of the United States. Every member of the Red Cross can take satisfaction in the knowledge for the purpose of rendering service. The greatest thing in the world after all is doing something for someone else less fortunate than ourselves and this is the aim and substance of the Red Cross. Every man and woman who can afford to pay one dollar a year will want to become a member for 1926 and feel that by so doing they can also be placed in the ever lengthening list of "those who love their fellow-men."

Art Exhibit Draws Many to High School

Showing of Some 148 of the Best Pictures of the Masters of the World Proves Great Treat.

From Saturday's Daily— Starting on Thursday afternoon and continuing over through Friday and Friday evening, there was an exhibition at the high school gym one of the most beautiful of art showings that has been held in this city, the occasion being the special exhibit arranged under the art department of the city schools, of the collection of the masterpieces of the canvases.

These pictures included some sixty of the copies of the old masters as well as the best of the work of the later period artists of the world and were selected with the view of giving the very best of the art work in as condensed a collection as possible. The paintings were arranged in the gym so that everyone visiting the school could enjoy the chance to view them and appreciate their beauty.

The collection shown here was valued at \$1,150 and was one of the best of its kind that has been shown in the west. From here the collection will be taken to Glenwood to be exhibited.

Last evening there was a very interesting program given in the auditorium of the school that was attended by a great many of the Plattsmouth people. Change in the Telephone Management Here

J. P. Lahr of Valparaiso, Comes Here as New Manager of Lincoln Telephone Co., Office.

From Friday's Daily— Change in the management of the local exchange of the Lincoln Telephone & Telegraph company was made today when J. P. Lahr, formerly of Valparaiso, Nebraska, arrived here to take over the position formerly held by W. J. Bennett, who in turn is sent to Ashland as the manager there.

Mr. Bennett has served as manager here for the past few years and both he and his family have made many friends in their residence in this city.

Mr. Lahr, the new manager, will have his family move here as soon as possible and located here as their permanent home. The new manager is not an entire stranger to this community as he was for a number of years a resident of Weeping Water where he was in charge of the telephone exchange there ten years ago and was a most efficient official of the telephone company, making the Weeping Water exchange very effective in its service.

It is hoped with the new arrangements made at the local office to give the Plattsmouth patrons of the telephone company a first class exchange in every way and with the service that is desired by the patrons. Mr. and Mrs. Lahr will receive a hearty welcome to their new home in this city from the Plattsmouth people.

Locals Lose Football Game in the Snow

School of the Deaf From Omaha Have Best of Very Poor Playing Conditions, Winning 12 to 2.

From Saturday's Daily— The baseball park, scene of the Plattsmouth high school-School of the Deaf game yesterday afternoon, resembled more the scenes of the Canadian winter sports than a football field and with these trying conditions to face the locals lost the game to the visitors by the score of 12 to 2. The Plattsmouth players were very seriously handicapped by the snow and the intense cold that made their hands numb and almost useless in trying to handle the ball which was cold and icy. The visitors were troubled also with the icy conditions of the ball but by the use of gloves they were able to retain a better grasp on the ball than the blue and white warriors.

The Plattsmouth game was largely on the defensive as their only effective plays in the offensive was on the punting of Captain Harlan Gorder, whose toe was more effective in the long distance kicks than his foemen. Repeated fumbles of the ball by the locals made their effective offensive game impossible and they were put on the defensive against the visitors at almost all stages of the game.

The School of the Deaf did not play any spectacular game but their quickness was marked and they made their plays effective by their quickness in making the passes and line drives. Revers, Berney, star half-backs, and Reicker were the most effective of the visitors in their plays. The first touchdown of the visitors occurred in the second quarter when Revers broke through the Plattsmouth defense and raced for forty yards for a touchdown but the team was penalized for the holding of Ed Wescott, local quarterback and the ball sent back to the twenty yard line of Plattsmouth where Revers again secured the ball and dashed over for the touchdown which counted this time.

The Plattsmouth points were secured when the punt of Gorder brought the ball to the twenty yard line of the School of the Deaf. Here the local team after two downs attempted a pass which was caught back of the line by one of the visitors and who was tackled there scoring a touchback for the blue and white.

The almost frozen and badly demoralized locals were scored against in the last of the final quarter when Berney of the visitors secured the ball and drove through for the final score of the game.

Well Beloved Woman Enters into Last Rest

Mrs. Hulda Jane Ackles Dies at Home of Her Son in Country After Illness of One Day

From Saturday's Daily— Mrs. Hulda Jane Ackles, one of the well beloved women of this vicinity, passed away last Friday evening, October 23, 1925, at the home of her son, William Ackles, in the country southeast of town, after a day's illness with a throat trouble which terminated in an attack of heart disease. Mrs. Ackles had frequently suffered from these attacks of throat affection which assembled crop, and did not appear to be in a dangerous condition at any time during the day, which made the sudden death a great shock to her children and to her friends and neighbors.

Her son, John Ackles, was out at the home of his nephew, Charles Osenkoff, near Onawa and her son, Clarence, was in Omaha, so the only children with her in her last moments were her son, William, and her daughter, Mrs. Henry Osenkoff. The absent ones were hastily summoned and came as fast as possible and all were present at the funeral which occurred on Monday afternoon at the M. E. church, the pastor, Rev. David Simpson officiating.

Rev. Simpson read as the Scripture lesson the 23rd Psalm and then spoke from this wonderful chapter words of comfort and consolation, paying a wonderful tribute to mother love and devotion. He also said that the large number present upon this sad occasion testified to the great love of the community for the departed and the sympathy they felt for the bereaved family. The floral offerings were beautiful, two especially beautiful ones bearing the words, "Mother" and "Grandmother." A quartet composed of Messrs. Frank Ross and William Schwalm and Mrs. Elmer Sundstrom and Mrs. David Simpson sang several old time favorites, accompanied on the piano by Mrs. V. H. Breeden. The pall bearers were old friends of the family and were, Frank H. Nichols, L. J. Mayfield, C. W. Shuster, Jacob Reichart, Henry Ragoss and Alfred H. Peterson.—Louisville Courier.

ARE YOU ALL RUN DOWN

Many Plattsmouth Folks Have Felt That Way

Feel all out of sorts? Tired, achy, blue, irritable? Back lame and stiff? It may be the story of weak kidneys! Of toxic poisons circulating about upsetting blood and nerves. There's a way to feel right again. Help your weakened kidneys with Doan's Pills—a stimulant diuretic. Doan's are recommended by many Plattsmouth people: Mrs. Ada Moore, 410 Granite street, Plattsmouth, says: "After doing a little work about the house my back became lame and sore. I was constantly annoyed with a dull, gnawing ache across my back. Head aches were followed by dizzy spells and my kidneys were in a run-down condition. They acted irregularly, too. I found immediate relief thru the use of Doan's Pills from Weyrich & Hadraba's drug store. An occasional use of Doan's keeps me free from any suffering."

Mrs. Moore is only one of many Plattsmouth people who have gratefully endorsed Doan's Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S PILLS, the same that Mrs. Moore had—the remedy backed by home testimony. 50 cents at all dealers. From Saturday's Daily— The pleasant home of Mr. and Mrs. W. A. Swatek on west Main street was the scene of a very delightful Halloween party last evening when the two little daughters of the family, Mary and Eleanor, entertained a large party of their little school friends and neighbors. PARTY AT CHRISTIAN CHURCH

The First Christian church was the scene of a very pleasant gathering yesterday when Miss Evelyn Robb entertained a number of the members of her Sunday school class of little lassies.

The church was arranged in keeping with the Halloween season and furnished a very appropriate scene for the delightful occasion. The hanging caldron over which the fearsome witch conducted her incantations while her ghostly associate also added a touch of the Halloween spirit to the occasion. The evening was spent in games and telling stories which were all very much enjoyed and at the home-going hour dainty refreshments were served that added to the pleasures of all of the members of the jolly party.
