

# WILL PRAISE KARNAK AS LONG AS HE LIVES

## Omaha Man Declares New Medicine Did The Work For Him When Everything Else Failed

Still another Omaha man comes forward and voluntarily tells of the remarkable results he secured from Karnak, the new medicine that is creating such a sensation since being put on sale here.

"I'll praise Karnak as long as I live," declares Martin Hendrix, 603 N. 18th St., Omaha. "You can realize how grateful I am to this medicine when I tell you that for three long years I suffered misery from stomach troubles, indigestion, gas bloating and weak spells that nothing would help. Why, every morning I would get up after

pitching and tossing all night long, feeling weak, worn-out and all down in the mouth.

"No, sir, nothing did me any good, but when I began taking this Karnak it put me back on my feet, feeling fine in no time. It's the most wonderful thing I ever saw. I have the best kind of appetite now, and the stomach troubles, gas and biliousness are all things of the past. I sleep like a top all night, and I get up in the morning feeling fresh and fit, ready for a good day's work.

"After this remarkable relief you can always count on me to say a good word for a medicine that will fix a man up like Karnak did me."

Karnak is sold in Plattsmouth exclusively by F. G. Fricke & Co., and by the leading druggist in every town.

## 'Sweetheart Town' Presented Last Night

Large Audience Greeted the Premier of Home Talent Musical Comedy by Christian Church

From Tuesday's Daily—

Last evening the first performance of "Sweetheart Town," the home-talent musical comedy, sponsored by the Brown class of the Christian church was given, and the audience that greeted the show was one of the best that has been present at any of the shows here this season.

The production was under the direction of Miss Helen B. Mark, who has been here for the past ten days arranging for the show, and whose work was reflected in the performance given by the young people of the cast.

The play centers about the rural atmosphere of "Sweetheart Town" as well as the Madewell hotel in New York and two love stories run through the course of the plot, as well as a sprinkling of the laugh provoking comedy that was well given by the young people of the cast. Fred Warren as "Ezra Parks," gave a very fine rendition of the aged rural hotel "sheik," while as "Mrs. Parks," Pauline Parker was very clever. Roy and Mathilde Olson were the centers of a great deal of the fun of the play and kept the audience in a laugh at each of their appearances on the stage. As "Mary Parks," Miss Delores Bosse was very pleasing and with "Living Hite," "Joe Brooks" formed a leading part of the pretty love stories as well as providing several tuneful numbers. John Frady as "Martin Pierce" and Miss Vyril Foster as "Peggy" were the leading characters of the play and were heard in a number of tuneful melodies. As the witching Hite, Miss Marie Hutchison playing the part of "Mazie," was one of the features of the offering of the evening, while Russell Hackenberg as "Almos Blueck," the colored lad, afforded a great deal of fun in the course of the offering, while Vern Hutchison as "Squire Bidlow," was very staid and dignified but finally fell for the wiles of "Maxie." Miss Helen Warner was seen in the role of "Miss Kalia," the nurse who finally led "Prof. Lighthead" (Roy Olson) back to his favorite hospital.

Assisting the principals in the production was a "beauty chorus" of the young ladies of the community, that added a pleasing touch to the evening's entertainment, the chorus being composed of the following ladies:

Misses Mildred Atwin, Margaret Alwin, Elsie Allen, Wilma Pickard, Evelyn Robb, Louise Rummel, Ona Graves, Leona Hudson, Edith Bullin, Alice Bullin, Jeanne Tidball, Kathleen Troop, Helen Sharp, Thyra Johnson, Helen Perry, Florence Wiles, Helen Valley, Marjorie Shopp, Beulah Warren, Mary Warren, Alice Crabb, Marie Sperry, Gretchen Warner, Mildred Schultz, Mildred Fleming, Edna Klinger and Dorothy Wehrlein.

## Death of Old Time Resident of This City

Mrs. Ida Louise Snyder, Widow of Late O. H. Snyder, Dies at Downers Grove, Ill.

Word has been received in this city of the death at Downers Grove, Illinois, of Mrs. Louise Snyder, old time resident of Plattsmouth, widow of O. H. Snyder, one-time prominent druggist of this city.

The news of the death of Mrs. Snyder came with the greatest of regret to the many old friends in this community, where the Snyder family resided up to some twenty-five years ago.

While a resident of Plattsmouth, Mrs. Snyder was one of the leading members of the First Presbyterian church and also of the Woman's club, in which her marked ability and her splendid talents made her one of the outstanding members of the community.

Mrs. Snyder was universally loved and esteemed by a large circle of friends in her residence here and those who are still here will join in their feeling of sympathy to the bereaved family.

The following from the Downers Grove Reporter, gives a very beautiful tribute to Mrs. Snyder:

"Lightly and quietly, with a smile on her lips, Mrs. Ida Louise Snyder drifted into that last sleep at her home on Oakwood avenue last Saturday morning. She has been in failing health for several years, but her unconquerable spirit kept her always cheerful, always ready with a smiling smile and a cheering word.

"A simple Episcopal prayer service was held at the home Monday afternoon by the Rev. P. V. Norwood, pastor of St. Andrews Episcopal church and the remains were shipped to her home at Mt. Pleasant, Iowa, for burial. Funeral services were held from the Episcopal church of Mt. Pleasant Tuesday, the Rev. Mr. Pickworth officiating, and she was buried at the side of her husband and infant son in the family plot.

Mrs. Ida Louise Snyder was born in Zanesville, Ohio, August 17, 1847, the eldest daughter of William and Mary Evans. When a child, she moved with her parents to Tazewell county, Illinois. She attended a Presbyterian school for girls at Steubenville, Ohio, graduating at the close of the Civil war and joining her parents in Mt. Pleasant, Iowa, where they had moved while she was in school.

In Mt. Pleasant she met Oscar H. Snyder and they were married April 7, 1869. They lived at various times in Plattsmouth, Neb., Malvern, Tabor and Fairfield, Iowa, and at Tabor, Mrs. Snyder was for eight years head of the art department of Tabor college. They came to Downers Grove twelve years ago, where Mr. Snyder passed away.

She leaves three children, Henry of Fairfield, Iowa, Miss Edith, a Harlan of Downers Grove; three grandchildren, five sisters, Mrs. Anne Goodwin and Mrs. Joseph R. Reed, Council Bluffs; Mrs. Elizabeth Lindley, Omaha; Mrs. W. F. Swan, of Elkhart, Miss., and Miss Ethel Evans, New York, and three brothers, William Evans, Houston, Texas; Joseph Evans, Algona, Washington and Paul Evans, Hastings, Nebraska."

## DAMAGE SUIT ON TRIAL

From Wednesday's Daily—

The district court was busy today in hearing the case of Chris Parkening vs. the C. B. & Q. railroad company and in which the plaintiff seeks to recover damages for \$3,500 against the defendant company for the flooding of the farm lands of the plaintiff. The failure of the defendant company to provide proper drainage along their right of way and under their tracks is alleged to be the cause of the overflowing of the lands and the damaging of the crops of the plaintiff.

The land where the damage is claimed to have occurred is the old Parkening farm which is now occupied by John Parkening, son of the plaintiff, and is situated in the vicinity of Cullom.

## Walter Burke on Trial in the District Court

Defendant Is Charged With the Third Offense of Possessing Intoxicating Liquor.

From Tuesday's Daily—

The case of the State of Nebraska vs. Walter Burke was occupying the time of the district court today, the defendant being charged by the state with the possession of intoxicating liquor for the third offense.

In the preliminary hearing in the county court Mr. Burke had entered a plea of not guilty and on his appeal to the district court, the court appointed as his counsel Attorney A. L. Tidd, while the interests of the state were in the hands of County Attorney W. G. Kieck.

The testimony of Sheriff Stewart, Deputy Sheriff Schaus, Chief of Police Johnson, Officers Jackson and Libershal as well as County Judge Duxbury and Justice William Wener was taken in behalf of the state. The officers testified to having arrested Burke and later by Mr. Schaus as to finding a can of liquor on the side of the Rock Bluff road south of this city which Glen Mason had stated to Mr. Schaus he had taken from the Burke home and buried at the request of the defendant. Mason testified that he had been asked by Burke to go to his home and secure the can of liquor that he had taken it and buried it. Mason also testified to having told the officers of the location of the liquor.

The defendant Burke testified that he knew nothing of the liquor claimed to have been hidden by Mason and which he denied was owned by him or that he had told Mason anything about concealing it. The arguments were made immediately after dinner and the case submitted to the jury at 2 o'clock for their consideration. The members of the jury trying the case were: Fred Morgan, Ivan Taylor, W. W. Coatsman, Joe Wolpert, Clifton Smith, F. J. Schumaker, T. W. Fleming, Thomas Walling, John Murdock, C. D. Palmer, Fred Rutherford and D. Steffens.

From Wednesday's Daily—

The second case of the November term of the district court was terminated yesterday afternoon when the jury that was trying the case of the State of Nebraska vs. Walter Burke returned a verdict that the defendant was guilty of the charge of possession of intoxicating liquors and that of the third offense of this nature that the defendant had been guilty of.

The verdict under the indeterminate sentence law carries with it a penalty of from six months to two years in the state penitentiary.

The previous convictions of Mr. Burke on similar charges had been in 1922 and 1924 and with the last offense on November 1st of this year.

The case was tried with dispatch, the court opening at 9 o'clock and completing the selection of the jury and the taking of testimony and the arguments had to the jury right after the noon hour so that the case was delivered to the jury shortly after 2 o'clock and by 2:30 the verdict was returned finding the defendant guilty of the charge preferred against him.

## Men Employed in Paving Gang Resort to Blows and Find Way Into County Court.

The county court yesterday was the scene of the airing of the troubles that arose at Weeping Water on last Friday night between Fred Haskenoff and Seagard Nelson, both men being employees of the Yant Construction Co., which has for the past summer been doing a great deal of paving at Weeping Water.

As far as could be revealed in the charges and counter charges made at the hearing yesterday it seems that both men had met on one of the well paved highways of our neighboring little city and hurled names at each other that are not heard in the best circles even in this day and age. The words grew more forcible and covered so much territory that of course war came to the front and the men started to struggle after the manner of beasts, first with their hands and later it is claimed Nelson kicked Haskenoff a mighty kick that all but disrupted the mighty son of toil and required some little time for him to regain his poise so that he might seek retaliation. When Haskenoff came to himself from the effects of the kick, he sought some manner of getting squared and in his anger it is claimed he grabbed a pick handle that was lying near by and struck Nelson on the head and for almost an hour Mr. Nelson was bearing the birds sing "I'm Knee Deep in Daisies and Head Over Heels in Love."

## VISITING RELATIVES HERE

## NEW DAUGHTER ARRIVES

The mother and little one are doing nicely and the occasion has brought a great deal of pleasure to the happy father.

## Girls Win Chicago Trip

Mary Ellen Wiles, Charlotte and Marjory Joyce have won free trips to the fourth annual Boys' and Girls' congress at the International fair at Chicago.

This is the first time since the Farm Bureau was organized that three girls from this county have won trips. Other years it has been the boys. Eli Shire, of Mayer Bros. company at Lincoln has given \$50.00 to pay the expenses of the style show girl. She is Mary Ellen Wiles. The state fair board gave \$50.00 to send the high girl in clothing judging. This was Charlotte Joyce. And the Rock Island railroad is sending Marjory Joyce.

The Farm Bureau is sure that the boys are glad the girls won these trips this year.

Chinch bugs live over winter under the protection of big clumps of grass, heavily matted clumps of grass, and in deep trash. If every

farmer in a neighborhood burns these harbors before the severe winter comes, and does a good job of it, the neighborhood can expect to be free of bugs next summer.

Those bugs not killed by the fire will freeze because their shelter will be gone.

The bugs have been increasing in numbers in southeast Nebraska each year for five years. Last summer they did considerable damage and, if not killed this winter, they promise to destroy the 1926 crops almost entirely.

A quiet day when a fire will spread slowly and burn all the grass and trash is the best day to choose to set a match to the bugs, the circular states.
