

# Alvo Department

Wayne Swartz was shelling and delivering corn to the Rehmyer Elevator one day last week.

Art Skinner was shelling corn at the home of John Nickel and J. W. Kyles during the past week.

V. A. Moeckenhaupt was hauling wheat to the Rehmyer elevator during the past week, which is some of the last year's raising as well as some of this.

William Atchison, S. K. Johnson and Frank L. Edwards were shelling and delivering corn at the Rehmyer elevator on last Wednesday and Thursday.

W. H. Warner has been busy during the past week assisting in the delivering of corn to the Alvo elevator and was hauling for John Nickel on last Wednesday.

Lee Shively, who has been having several men assisting him in the gathering of his corn crop, which was quite good, completed the harvest of this grain about the 11th of last week, and was fully up to his expectations.

Herman Bornemeier completed the picking of his corn one day last week and was doing no kicking either as to the yield or because he did not have any more corn to pick. He seemingly was well satisfied over the results of the season's work.

Judge W. E. Hand and James Greer and sister, Miss Maggie Greer, were in Plattsmouth on Monday of this week, looking after some business in regard to receiving their naturalization papers and the making of them full citizens of the United States of America.

On Friday of this week the members of the Knights of Pythias, Dec. 18th, will give a dance which will be for the order alone, they not giving it for the public. The members and their wives and sweethearts will have the floor to themselves for the occasion.

It looks like Christmas in front of the market, as the row of green trees, which are planted there make one think of the places the trees grow, and where things are green and nice, which makes things look like there was to be Christmas in the near future.

John W. Banning and the good wife were enjoying the Ten Commandments which were being shown at the city of Eagle one day last week, they driving over in the evening to see the picture, which they considered as being one of the best that they had ever had the privilege of looking at.

Mr. F. E. Dickerson, the proprietor of the general store of Alvo, was a visitor in Lincoln last Wednesday and Omaha on the day following, where he was looking after some matters of business for the store here. While he was away Mrs. Dickerson and Miss Lelia Shelton were looking after the business at the store.

Mrs. Ralph Wells and three children, friends of Mrs. R. H. Chenoweth, having their home at Scottsbluff, were visiting for a number of days at the home of Rev. and Mrs. R. H. Chenoweth last week. Mrs. Wells drove in her car from her home in the western portion of the state with the three small children, they all enjoying the journey and also the visit with their friends here.

Word was received in Alvo to the effect that Mrs. Ray Ackley, who has been in Omaha now for some time, is not showing as much improvement in her health as was desired and that she was to go to the hospital again the first of this week, and the children would come to Alvo to remain with their grandmother while the mother was at the hospital. Her many friends in Alvo will be pleased when they can hear of the restoration of the health of Mrs. Ackley.

Mrs. Bert Kitzel entertained the Ladies Aid society of the Methodist church at her beautiful home north of Alvo last Tuesday, when there were many interesting subjects discussed, and provision for the completion of the arrangements for the Christmas entertainment and the

work of the winter for the church. A program which was most interesting and which was followed by dainty refreshments served by the genial and efficient hostess, who is a past mistress at entertaining completed the afternoon of pleasure.

**Visited at Madison Recently.**  
Edward Carr and wife were visiting about a week since at Madison, they driving over there for a few days where they were guests of friends and returned last Sunday after a very nice stay. Mr. Carr says that the roads were mostly good except where they had been recently graded, which made the traveling very bad. Mr. Carr and son, Marvin, were in Alvo last Wednesday looking after some business matters for a short time.

**Were Over to See Santa.**  
Mr. and Mrs. Herman L. Bornemeier and the little ones were over to Lincoln last Wednesday where they went to look after some business matters for the school, they also going to see about the visit of Santa Claus who had a date at Alvo and vicinity, and as they were on the committee having in hand an interview with his Majesty, they were to assist in arranging for his reception at his coming. Mr. Bornemeier, who is a member of the Board of Education of the Alvo schools, was looking after the purchase of a new typewriter and the getting of a number repaired and put in first class condition which they have for use in the schools.

**Will Hold Christmas Program.**  
Arrangements have been practically completed for the holding of a Christmas program at the church on the evening of December 20th, next Sunday, when a very worth while time is promised. In the morning of this day the Rev. Chenoweth will conduct the services and will deliver a very able discourse which should be heard by all members of the church as well as all who are not members. A cordial invitation is extended to all to come and worship with the church on this morning for the spirit of the services will be that of the Christmas time, and will be beneficial to all.

**Entertained the Reading Club.**  
Mrs. August Johnson, northwest of Alvo, entertained the Alvo Womans' Reading club last Thursday at her beautiful country home and at which time there was a very nice attendance and one of the most worth while programs that has been held in some time. Mrs. Johnson entertained the members of the club in a way which was most pleasing and she also served light refreshments at the conclusion of the meeting. All in their departure in the evening complimented her for the very nice time which she had made for them.

**Will Operate Hill Elevator.**  
Lee Hill, of Lincoln, the proprietor of the east elevator, was a business visitor in Alvo last Wednesday and while here secured Oris Foreman to conduct the elevator and he is hoping to be able to handle a large amount of corn as there is a very generous yield in this vicinity.

**Entertain Friends at Dinner.**  
Mr. and Mrs. Charles Godbey entertained last Sunday at their home in Alvo for their friends, Mr. and Mrs. S. O. Weese and their daughter, Helen, and her friends, from Lincoln, they driving over from the capital city for the visit for the day. Mr. and Mrs. E. E. Dickerson of Alvo were also guests at the Godbey home, and all enjoyed dinner at this hospitable home.

# HEAVY LOSER IN FIRE STILL DOING BUSINESS

Dr. and Mrs. E. H. Worthman are in receipt of word from their relatives, Mr. and Mrs. H. E. Brown, of Scottsbluff, in which they state that although their loss was heavy in the recent big fire in their town, they are now opened up for business in temporary quarters until the old building is put into good repair.

The loss to Mr. Brown in stock and fixtures was something in the neighborhood of \$40,000, mostly covered by insurance. Mr. Brown also conducted a store at the neighboring town of Gering and as soon as possible he moved his Gering stock over to temporary quarters and opened up for business. As he already had most of his fine holiday stock in, the loss was greater than it would otherwise have been. The fire started in the basement from unknown causes.

Mr. Brown owned a drug store in Louisville prior to his moving to Scottsbluff. His business increased largely out there and he has prospered greatly. His many friends here will be sorry to learn of his loss.—Louisville Courier.

# STOP THAT BACKACHE

Many Plattsmouth Folks Have Found the Way to Do It.

Is a dull, nerve-racking backache wearing you out? Do you feel older and slower than you should? Are you tired, weak and nervous; find it impossible to be happy, or enjoy the good times around you? Then there's something wrong and likely it's your kidneys. Why not get at the cause? Use Doan's Pills—a stimulant diuretic to the kidneys. Your neighbors recommend Doan's. Read what this Plattsmouth resident says:  
C. E. Hitt, carpenter, South 10th street, says: "I suffered with backache and I couldn't stoop over to pick up anything. Knife-like pains stabbed through my back with al-

most every breath and my back became sore from the constant pains. My kidneys acted too often both day and night and the secretions contained sediment. After using two boxes of Doan's Pills I was cured."

Mr. Hitt is only one of many Plattsmouth people who have gratefully endorsed Doan's Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S PILLS, the same that Mr. Hitt had—the remedy backed by home testimony, 50 cents at all dealers.
