ENJOY FINE PROGRAM

From Friday's Daily—

Yesterday afternoon the ladies aid society of the Methodist church enjoyed a very delightful meeting at the church parlors that was largely attended and a most pleasing offering was had in the program given by the young people of the church.

The afternoon was largely devoted to music, the committee in charge having secured a number of the talented little folks of the city to take part in the program and who made a very artistic rendition of the various numbers that were given.

Miss Mildred and Master Wilbur Hall were heard in a very charming violin and piano duet that showed the greatest skill on the part of the young people.

Miss Catherine McClusky also favored the ladies with a very charming flute solo, the accompaniment being played by Mrs. A. D. Caldwell.

Miss Jean Hayes also favored the ladies with a most delightful vocal offering, being heard in two songs that reflected the greatest credit upon the young lady.

The "Jolly Four," an orchestra

composed of Jean Caldwell and Dick Avard, violins, Marjorie Arn, piano and Vernon Arn, Jr., drums were heard in a selection and so well pleased were the ladies that the young people were compelled to respond to a number of encores.

The committee in charge of the afternoon were Mesdames R. B. Hayes, W. R. Holmes, Philip Harrison, G. O. Swenicker and George B. Mann and at the close of the afternoon the hostesses served a dainty and delicious lunch that was very much enjoyed by all of the party.

The officers of the Sunday school selected at the Sunday meeting and at the election yesterday consisted of: W. F. Fierrobbin, superintendent; Lloyd Shurd, assistant superintendent; Earl Hackenberg, secretary, Miss Helen Warner, treasurer; Miss Iona Graves, librarian, Miss Evelyn Robb, pianist.

The members of the congregation had come to the meeting with well laden baskets of the good things to eat and which was the means of a very dainty and delicious repast that all enjoyed.

In the past year the First Christian church has showed a very decided advancement in all lines of their work, both in the improvement of the financial condition of the church as well as the spiritual advancement in an increasing membership and the interest shown in the work of the church. The live and vigorous work of Rev. Walter R. Robb, pastor of the church and the earnest and hearty co-operation of the membership has brought the church to a place of strength and usefulness in every way and the members of the church can feel well pleased over the results that they have secured for the year 1925.

The same energetic efforts are planned for 1926 which it is hoped will surpass in every way the results of the year just closed and place the church on its feet in every way and make it one of the strongest Christian churches in the state.

IS YOUR WORK HARD?

Many Plattsmouth Folks Found How to Make Work Easier

What is so hard as a day's work with an aching back? Or sharp stabs of pain at every sudden twist or turn? There is no peace from that dull ache.

No rest from the soreness, lameness and weakness.

Many folks have found relief thru Doan's Pills. They are a stimulant directly to the kidneys.

Plattsmouth people recommend Doan's. W. Landis, farmer, Lincoln Ave., Plattsmouth, says: "Heavy work strained my kidneys and they acted irregularly. The kidney secretions were scanty in passage, acid and were highly colored, too. A dull ache settled across my back and when I stooped to lift anything, I could hardly straighten. I felt weak and tired out. After using Doan's Pills from the Maury Drug store the trouble was corrected."

Mr. Landis is only one of many Plattsmouth people who have gratefully endorsed Doan's Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S PILLS, the same that Mr. Landis had—the remedy backed by home testimony. 60 cents at all dealers. WATCH PARTY AT MYNARD

From Saturday's Daily— One of the pleasant social events that marked the New Year's season in this locality was the watch party held at the home of W. T. Richardson and wife at Mynard and which was attended by a very large number of the residents of that locality, there being some seventy-five in the party that gathered for the event.

After the very enjoyable luncheon that had been arranged there were several inspirational talks given, Rev. F. E. Pfoutz and C. C. Wescott of the Methodist church of Plattsmouth bringing greetings from that church while Rev. R. P. Harmon of the Mynard church gave a very interesting discussion of the church work. W. T. Richardson was also heard in a few brief remarks.

The Cole orchestra was also present and gave proof of the artistic of the members of this organization. At the close of the evening the devotions led by Rev. Harmon fittingly ushered in the glad new year.

ENJOY FINE DINNER

From Saturday's Daily— Yesterday at the noon hour a party of Plattsmouth residents motored out to the pleasant Gapen home south of the city where they enjoyed one of the dinners that Mrs. Gapen knows the secret of preparing and which has become justly famous over this section of the state. The dinner was one such as only that the most expert chef can prepare and consist of all of the dainties that the season could provide. In the party were Mr. and Mrs. C. C. Wescott, Mr. and Mrs. R. A. Bates, Mason and Alice Louise Wescott and Miss Alice Eaton.

Young People are Married at Council Bluffs

Miss Louise Parriott and Mr. Elmer Tritsch Married This Morning at Iowa City.

From Saturday's Daily— This morning at Council Bluffs occurred the marriage of Miss Louise Parriott, one of the popular young ladies of this city and Mr. Elmer Tritsch, one of the leading young farmers of Cass county.

The wedding was very quiet, the bridal couple in company with Miss Wilma Rainey and Mr. Earl Becker motoring to the Iowa city where the ceremony was performed that made them as one.

Following the wedding the bride and groom returned home to this city and will be tendered a reception this evening at the Tritsch country home west of this city by the relatives and friends.

The bride is a daughter of Mr. and Mrs. C. C. Parriott and has been reared in this community, for the past several years making her home with her uncle and aunt, Mr. and Mrs. W. H. Rainey and with whom she was residing at the time of her marriage. The bride was educated in the Plattsmouth schools, graduating in the class of 1924 and has since her graduation been a teacher in the country schools, teaching in the vicinity of the farm home where she is to reside in the future.

The groom is a son of the late John and Ida Tritsch and is numbered among the leading farmers of this locality, holding the respect and esteem of all those who have the pleasure of knowing him.

The many friends are joining in wishing Mr. and Mrs. Tritsch all of the happiness and success that they so well deserve as they journey down life together.

Last Year was Slow on Marriages and Divorces

Reports Show That Both the Marriage Licenses and Divorces for 1925 Showed a Decided Slump.

From Saturday's Daily— The records of the county court and the clerk of the district court show that the marriage market as well as the divorce market were both decidedly slow the past year and one of the lowest records for years had been set in marriage license department of the county court even though the objectionable ten day clause was removed from the license law by the last legislature, the young people evidently shying at the efforts of Dan Cupitt or going elsewhere for the licenses.

The number of marriage licenses sold the past year numbered 75 as compared with 36 in 1924, the year of the great drought in the marriage license business in Nebraska. The showing this year was better than 1924 but far below the standard of the years past.

In the divorces granted in the district court the report discloses the fact that there were 17 divorces filed and granted in the court.

Suits for \$75,000 Filed Against the Missouri Pacific

Mrs. Bertha E. Hutchison, Administrator Sues for Death of Husband and Son at Railroad Crossing.

From Saturday's Daily— As the aftermath of the railroad crossing tragedy on August 24, 1925 near Weeping Water, which caused the death of Fay Hutchison and his two year old son, Kenneth, two suits aggregating \$75,000 have been filed in the office of the clerk of the district court in this city, against the M. P. railroad and Don Miller.

The suits are filed by Bertha E. Hutchison as administrator of the estates of Fay Hutchison and Kenneth Hutchison, deceased, the plaintiff being represented in the action by T. A. Donahue of Omaha.

The petition of the plaintiff in the case asking damages for the death of Fay Hutchison, states that on August 24, 1925, Phillip Wollen of Weeping Water was engaged in moving the household effects of the Hutchison family from the farm home east of Weeping Water to that city. It is further stated that the roadway that was used by the truck was one that crossed the railroad tracks of the defendant railroad company, that the crossing was rough and hard to travel over, that view of the track was obscured from parties approaching the track from the east and that by this reason the railroad company was at fault.

It also claimed that the railroad train of the defendant company which was pulled by the locomotive in charge of Don Miller as engineer, was traveling at a very high rate of speed, that there was no whistle sounded or bell rang as the train approached the crossing and this did not give any warning to the occupants of the truck of the approach of the train. The petition further states that the truck of Mr. Wollen was struck by the train and hurled some distance, Fay Hutchison and his infant son, Kenneth being killed in the wreck.

For the death of Fay Hutchison damages in the sum of \$20,000 while for the death of Kenneth Hutchison, damages of 25,000 is asked by the plaintiff.

From Saturday's Daily— Last evening the Elks club was the scene of a great deal of merriment and enjoyment as the members of the order with their families and friends enjoyed the annual New Year's dance which has become a feature of the social activities of the club in recent years.

The Monarch's of Council Bluffs, widely known to the residents of the middle west through their radio program, held a contest at Council Bluffs were the chief features of the dance and gave a very pleasing program of the late and popular musical numbers that were enjoyed to the utmost by the large party.

The attendance was quite large and a number from out of town as well as the young people home for the holiday vacation were present to enjoy the dancing treat and which served to entertain the party of Elks and their friends for several hours.

CHRISTIAN ENDEAVOR PARTY

The refreshment committee in charge of Miss Ethelyn Wiles provided a fine oyster supper that everyone participated in and enjoyed to the utmost.

Alumni Cleans Up on the High School Quintet

Basket Ball Game Last Evening Results in Victory for the Visiting College Players.

From Saturday's Daily— The visiting alumni of the Plattsmouth high school who have been numbered among the holiday visitors in this city, last evening gave an exhibition of the great indoor sport of basket ball at the high school in which they cleaned up on the high school team by the score of 28 to 6.

The game however was much better than the score would indicate and the great god of chance smiled most lovingly on the alumni, in addition to the fact that they are real basketball players and represent many fast teams.

The high school team was unable to make many of their field goals stick as on repeated tries for goals the ball would spin out of the circle, while on the other hand a large number of very freakish tries for goal on the part of the alumni resulted in the ball sticking to the needed scores.

In the first half of the game the battle raged very closely with the score standing 9 to 4 in favor of the alumni, but in the second stanza Joe Krejci, the Peru college center got going and dropped a number of field goals from the floor that added to the list of scores.

Gradoville, who is now with the Nebraska uni also scored a number of field goals. Harry and Howard Dwyer, who are also at Nebraska university, Russell Wasley of Peru, and Charles Hartford of Iowa State at Ames, were in the game for the alumni and added to the scoring of the old timers.

For the high school Ed Wescott and Jack Hatt each secured one field goal apiece while Joe Buttery and George Rebal each snagged a free throw and which constituted the total sum of the high schools efforts.

The fans who were in attendance were well entertained by the fast playing of both teams and the opportunity of seeing a number of those who have in the past assisted in making basketball history at the Plattsmouth high school.

The game was an excellent work-out for the high school players and with their try against the college stars should fit them in good shape for the battle that they will have next Friday night against the Fremont high school, one of the fast

high school teams in the east portion of the state. With the starting of school Monday the high school team will get back into their regular practice, a part of the players having failed to practice to any extent in the past week owing to the holiday activities.

REVEIVES GOOD NEWS

From Saturday's Daily— The New Year has proven a very pleasant occasion for Mr. and Mrs. Broy Christianson at Omaha, as the coming of the glad new year has brought with it a fine eight and a half pound son to gladden the family circle. The occasion has been the cause of a great deal of joy to the proud father as well as to the little brother, Jack. The mother and little one are doing very nicely and it is hoped that "Ole" will soon be back to normal. Mrs. Christianson was formerly Miss Bessie Ptacek of this city.

RETURN FROM HOSPITAL From Saturday's Daily— Yesterday afternoon Jack Stamp returned home from the hospital at Omaha, where he has been for the past six weeks recovering from the effects of his broken leg that he sustained while working on the farm south of this city.
