

MURDOCK DEPARTMENT.

PREPARED EXCLUSIVELY FOR THE JOURNAL.

Albert Bornemeier shelled and delivered corn to the elevator at Manley last Thursday.

O. J. Pothast was looking after some business matters at Dresher during the last part of the week.

Miss Edna Kupke has been quite ill and was kept from her school studies for a number of days last week.

Henry Amgwert and Albert Theiel were in attendance at a dance which was given at Ashland last Saturday evening.

Wayne Swarts was in attendance at a Scottish Rite dance which was given at Lincoln last Wednesday evening.

John Heinemann and wife were visiting at Ashland last Wednesday where they were also looking after some shopping.

Herbert Firestone was a visitor in Leshara for over the week end last week, and was much pleased to have enjoyed the visit.

Herman F. Schweppe was a visitor in Omaha last Thursday where he went to market some hogs, taking them in his truck.

Miss Mary Isabel Tool was a visitor in Lincoln for a short time last week, getting the teeth looked over, and some dental work done.

Herman Gakemeier of near South Bend, was a visitor in Murdock and was looking after some business matters at the Bank of Murdock.

Herman Gakemeier of near South Bend, was a visitor in Murdock and was looking after some business matters at the Bank of Murdock.

John J. Gustin shelled and delivered corn to the Farmer's elevator on Thursday of last week, Milo and Philip Buskirk did the work.

E. Buck of Ashland, was a visitor in Murdock for the day last Thursday and a guest at the home of his brother, J. H. Buck, and family.

There are now on file twenty-three applications for the superintendency of the Murdock schools for the coming year and still more coming.

Curley Moeckenhaupt and wife, from near Alvo were visiting in Murdock last Thursday evening and were also looking after some business as well.

John J. Gustin shelled and delivered corn to the Farmer's elevator on Thursday of last week, Milo and Philip Buskirk were doing the work.

Curley Moeckenhaupt and wife from near Alvo were visiting in Murdock last Thursday evening and were also looking after some business as well.

The members of the Freshman class of the Murdock high school celebrated the birthday of one of their teachers, Mrs. Hoagland, and presented her with a very fine box of stationery and a pen to do the writing with as well.

Mrs. Fred Tonack has been quite ill at her home on the farm, and it was necessary for the children to remain home for a few days. The many friends of this estimable lady will be pleased to know she is some improved.

O. E. McDonald and family were over to Murray and Plattsmouth last Wednesday, where they were visiting with relatives and looking after some business. They visited at Murray with the mother of Mr. McDonald and at Plattsmouth with the parents of Mrs. McDonald.

A large number of the people about Murdock were at the stock sale which was held near Ashland last Thursday, there being among the number Messrs. Paul and W. O. Schewe, Wayne Swarts, Gust and Herman Gakemeier, Walter Backemeyer and James Mills.

Emil Kuehn was a visitor in Lincoln last Friday where he went to visit his daughter, Miss Evelyn, who is at this time recovering from an operation for relief from appendicitis. Miss Evelyn is getting along nicely and it is up and it is hoped that she will be able to return to her home in the near future entirely well.

The feeders which Matt Thilman and son, Victor, have been manufacturing, are going rapidly and they are being kept rather busy in their manufacture. They are also making a very fine walnut reading lamp which sits on the table and which a number of people have purchased as it is a most convenient piece of furniture.

Harold Tool, the manager of the Tool, Neuman Lumber company of Murdock and a rustler for business, was spending a number of days at Omaha in attendance at the "Kow Hole Club," otherwise known as the Retail Lumbermen's Association, and returned home last Thursday evening.

Wade Winklepex and family were visiting with friends in Lincoln from Saturday until Monday where they enjoyed the occasion very much.

Will Dance the Charleston. The lovers of the "out of the ordinary" will be furnished some of their desires when the Charleston dance is on at the M. W. A. hall the coming week.

Entertains Her Class. Mrs. Leo Rikli at her home just east of Murdock on last Friday evening entertained her class of the Murdock Bible school at a most pleasant evening when they were entertained with games and music and other unique numbers of the evening's program.

There were there for the occasion the members of the class who not only enjoyed the occasion but contributed to the enjoyment of the others, they being, Misses Harriet Lawton, Ione Weddell, Violet Rose-naw, Pauline Kroh, Minnie Klemms, Inez Buck and Emma Eppings.

Puttine Murdock on Map. J. E. McHugh who always believes in his home town, is doing some unique advertising of the town as well as advertising the business institution which he manages to a successful issue. He is placing markers on highways, in the instance of the Red Ball highway he is putting a red ball on the signs which he is placing along that important thoroughfare. The sign reads so many miles to the Murdock Mercantile company and with a red ball and an arrow to indicate which direction to go. Other signs are placed on other roads but without the red ball. Let all get after the making of Murdock the best town in the county of its size and it will be larger.

Does Excellent Work. Otto Eichoff who is an artist in the line of embroidery and other fancy work has on display at the store of G. Baur some excellent samples of his handiwork which took premiums at the Oklahoma fair. If you are an admirer of this line of work drop around and examine the production. It will pay you for it will say, "You never know how good work you can do until you try."

Daughter Grace Home. Last Sunday was a joyous day at the home of Mr. and Mrs. Lacey McDonald when the stork brought a very fine little girl to grace the home of this excellent couple. There has been added to the home before a number of very bright young American lads, who were a joy to the home and community. The home has been brightened very much by the arrival of the little Miss. The mother and little one are both doing nicely and Lacey is still carrying the mail.

Elevator Shows Profit. At the annual meeting of the Farmers Grain company of Murdock which was held during the past week and after the auditing of the books and the accounts of the business a neat profit was shown for the year. This is comforting as many institutions of the same kind have shown losses and some considerable ones at that.

Entertained Ladies Aid. Last Thursday at her beautiful home in Murdock Mrs. Jesse Landholm entertained the members of the Ladies Aid society of the Evangelical church of Murdock and at which there was a very large number of

the members present. The business of the society was first looked after and following which a social session was enjoyed by all present and which pleasure was heightened by a delightful luncheon which was served by the genial hostess.

Twins Celebrate Their Birthday. The Misses Alma and Selma Lau, twin daughters of Mr. and Mrs. Ferdinand Lau, south-west of town, celebrated their 17th birthday anniversary on Thursday evening, January 28th. Only the brothers and sisters in the family were present and a splendid supper was served and the popular young ladies received many congratulations and best wishes, and some very pretty presents.

Miss Selma is recuperating after an operation for appendicitis at one of the Omaha hospitals and is gaining strength rapidly and was able to come to Louisville with the family last Saturday evening to do some shopping and to visit with her friends.

Those present at the birthday celebration besides the immediate family at home were Mr. and Mrs. W. F. Lau, Mr. and Mrs. George Kraft and Miss Anna Lau.—Louisville Courier.

Attended the Banquet. Shriners, Berger of Deneta et al. Imperial Potentate of the Shriners, Berger of Deneta, was a visitor at the Sesqui-Temple at Lincoln on last Friday evening, where a reception was given by the faithful and where all enjoyed a banquet. There were from Murdock to attend the celebration of the event H. W. Tool, Dr. A. R. Hornbeck, Charles Schaefer and L. G. Hornbeck, who enjoyed the occasion very much.

Has No Incentive to Bumper Crop Any More. London, Feb. 10.—The discovery of a new type of rays, supposed to lie between the ultra-violet and X-rays, is announced by C. E. Wynn Williams of the University of North Wales at Bangor.

It is said the new rays penetrate the air for several inches, but are stopped by all solids, even by gold leaf, while X-ray can penetrate a half inch of lead and the recently discovered Millikan rays pass through six feet of lead.

There are two important gaps in the long scale of wave lengths, and the new ray, according to Professor Williams, fills one of them, namely that between the X-ray and the ultra-violet.

BIDDING FOR WOODMEN. San Antonio, Tex., Feb. 10.—San Antonio's invitation to the Woodmen of the World to move their headquarters here from Omaha will be admitted to the W. O. W. board of directors at its annual meeting April 5th. This information was received today by the chamber of commerce, which urged the move. The sale of the W. O. W. building in Omaha makes a transfer necessary. The organization's headquarters are located here.

Sovereign Commander Prazer recently said at Omaha that there were no intentions of moving from Omaha.

DAIRY OUTLOOK IN THE UNITED STATES IS GOOD. Chicago, Feb. 11.—Farmers of the United States will get good prices for their dairy and poultry products during 1926, according to the forecast issued Wednesday by the federal Department of Agriculture.

Continued heavy demand and heavy domestic dairy production are seen for the remainder of the winter with prices following the usual seasonal course. Feed prices will probably continue favorable to dairymen.

Egg production during 1926 will probably be larger and prices lower, with the average price to producers for poultry products below that of 1925, according to the statement. The department advises the desirability of greater efficiency rather than increased production.

The major factors regarded as likely to affect the 1926-27 dairy year are the facts that there are fewer cows and heifers in this country than there were a year ago; that foreign competition will increase if weather conditions are normal, and that probably less favorable industrial conditions will offset usual increases in demand. Consumption of dairy products was up 14 1/2 million consumption has been increasing 5 per cent a year, has been tending upward since the statement said. General business conditions indicating slight slackening in industry and business activity during the latter half of 1926 will probably be reflected in dairy products prices.

Market prices of poultry, at least during the first six months of the year, are expected to be higher than during the same period last year.

Lessons in the designing and making of the new ornamental lamp shades can be had Monday and Friday afternoons and Wednesday evenings at the Bates book store annex. Join the class at this time and learn this new art.

Poultry Wanted!

FIND A RAY BETWEEN ULTRA VIOLET AND X

London, Feb. 10.—The discovery of a new type of rays, supposed to lie between the ultra-violet and X-rays, is announced by C. E. Wynn Williams of the University of North Wales at Bangor.

It is said the new rays penetrate the air for several inches, but are stopped by all solids, even by gold leaf, while X-ray can penetrate a half inch of lead and the recently discovered Millikan rays pass through six feet of lead.

There are two important gaps in the long scale of wave lengths, and the new ray, according to Professor Williams, fills one of them, namely that between the X-ray and the ultra-violet.

BIDDING FOR WOODMEN

San Antonio, Tex., Feb. 10.—San Antonio's invitation to the Woodmen of the World to move their headquarters here from Omaha will be admitted to the W. O. W. board of directors at its annual meeting April 5th. This information was received today by the chamber of commerce, which urged the move. The sale of the W. O. W. building in Omaha makes a transfer necessary. The organization's headquarters are located here.

Sovereign Commander Prazer recently said at Omaha that there were no intentions of moving from Omaha.

State May Lose Federal Aid for Old Soldiers

Veterans Not Eating Two Meals Each Day at Milford Are Marked Absent for Federal Aid.

Commandant J. O. Moore of the state home for soldiers and sailors at Milford has notified members of the home living outside the grounds that they must comply with directions of the federal examiner of soldiers' homes and take at least two meals a day in the institution or the allowance of federal aid to the state, amounting to \$100 a year for each member not living in the home will be cut off. There have been made that compliance by several members of the home.

The commandant has put the issue up to the board of control for consideration. Chairman Oberlies said Wednesday no definite action had been taken and the board said it would be difficult to maintain the home without federal aid.

Hiram Craig and H. N. Ward are two members of the home mentioned in the report of Federal Inspector General B. K. Cash, who are living outside the home. The order of the inspector does not apply to more than five or six members of the Milford home, and does not apply to the state home at Grand Island where the state provides cottages.

The question of outside maintenance at Milford has come before the board several times. The legislature enacted a law authorizing the board to supply all members of the home living within one-half mile of the institution with rations of provisions, fuel and medical assistance provided such persons cannot be provided with accommodations on the home grounds. Commandant Moore reports that he has ample room to accommodate all members of the home. Some members purchase houses in Milford and live in their own homes and draw rations and fuel from the home. Now the federal rule that members should not be carried on the rolls of the home as being present for federal aid unless they take at least two meals a day in the home, that federal aid cannot be paid to state on behalf of a member who is not maintained within the home.

Assuming that this order must be obeyed Commandant Moore is giving the comrades that are living outside the home an absent mark. There are about 164 members on the roll at the Milford home.

DES MOINES SEEKING PORT OMAHA TROOPS

Washington, Feb. 10.—Secretary of War Davis told visitors from Des Moines today it would be impossible to remove troops from Fort Omaha to Fort Des Moines "inside of the next year or eighteen months" even though the transfer should be ordered, immediately upon sale of the fort.

Former Senator Charles A. Rawson, Senator Cummins and Louis Kurtz of Des Moines called on Mr. Davis, accompanied by Assistant Secretary MacNider, to ask removal of the troops to Fort Des Moines.

Omaha sale filed here by General

At Present Prices
THE
BETTER BUICK
is
the Greatest Automobile Value
in the world

No other car offers so much of quality and luxury, such fine performance, such durability and such distinction, at any comparable cost.

Comparison will convince you. You will find Better Buick 4-door and 2-door Sedans, on the finer Buick chassis, with Fisher-built bodies, offered at prices asked elsewhere for coaches.

You will find as standard equipment, the finest braking system ever designed for a motor car—Buick mechanical 4-wheel brakes.

You will find easier starting, easier steering and the most economical engine on earth. The most dependable, as well—the famous Buick Valve-in-Head.

You will find Controllable Beam Headlights, exclusive with Buick, which make night driving a pleasure. And the "Sealed Chassis" and "Triple Sealed Engine," two more exclusive Buick features, which protect performance and reduce operating costs.

You will find a finer motor car for a very moderate amount of money when you examine the Better Buick. We urge you to do it today. Your next car should be a Buick!

MURDOCK -- NEBRASKA

KNABE'S FOURTH ANNUAL HAMPSHIRE SALE!
40 HEAD BRED SOWS AND GILTS!
At the E. M. Pollard Sale Pavilion — Nehawka, Nebr.
Tuesday, February 23rd, 1926
Beginning at 1:00 O'Clock Sharp

The Hampshires added another victory to their breed again this year by winning Grand Champion Carload over all breeds at the International Stock Show, making seven times out of the last eight years—1918, 1919, 1920, 1921, 1922, 1923, 1925.

Our famous herd sows are producing winners in the show ring—both breeding stock and market toppers. And this is not all for these winners are coming more and more each year from the home of Yankee King, for if they are not his sons and daughters, they are his grandsons and granddaughters. These winning individuals dominate in the Yankee King blood.

These forty head of bred sows and gilts are either sired by or bred to the greatest sire of the Hampshire breed—Yankee King. Therefore, you have an opportunity to buy some of the best foundation stock to be sold this year, for they are sired by some of the most noted boars of the breed and these sows should produce outstanding litters, as they are bred to one of the best battery of boars for blood lines and individuals ever used in one herd. They are Yankee King 118523, greatest sire of the breed from both the show ring and market type standpoint; Marvel Sensation, 2nd, 155503, brother to Marvel Sensation, the Grand Champion boar of Iowa and Nebraska in 1925, owned by the Big Four Farms. His litter mate, Marvel's Perfection (one of the record price boars of 1925) placed second at the National Swine Show, next to the World's Grand Champion boar of 1925. Come and see him sale day for yourself. Pershing Again, 155501, sired by Pershing Over, the boar that sired first get of sire of the world for 1922, 1923, 1924, 1925. Pershing Again is a brother to first prize Junior Yearling boar of Iowa and Nebraska.

\$200 for Pig Club Boys and Girls
The start of my successful hog career was in a Pig Club. Realizing the value of this work and to encourage boys and girls in raising better stock, I am offering \$100 in cash to any Pig Club boy or girl, who buys a sow in my sale February 23, and wins a first prize at Nebraska State Fair in the Pig Club, either on gilt or boar. If you win both first prizes on gilt and boar, it will be \$200 for you. (It must be announced at time of purchasing sow at sale if for Pig Club.)
A good chance, as Yankee King has sired first prize Pig Club boar of Nebraska the past two years.

For Attraction
An selling first prize Senior Yearling sow of Nebraska State Fair, 1925, bred to the wonder sire, Yankee King, November 19. Also three gilts, full sisters to Yankee's Pride, the many time grand champion boar, owned by Fred Craft & Sons. Two of the gilts are litter mates to Yankee's Millionaire. Also a few choice fall boar pigs will be sold.

GUARANTEE—Every sow is safely settled and should any fail to be, they may be returned to my home and be rebred to any boar I have on the farm, or may receive a discount of 15% of purchase price if notified within 30 days of sale.
