An Even Chance!

That is just what all stock should have, that they may eat, grow, produce flesh and milk. Fly Salt will do this. Besides being salt, equal to any, the animal who eat it will be positively free from flies in the summer. This salt is recommended by all large concerns.

Listen in and see what Henry Fields has to say about it - he is telling the good features of it over the radio.

I have the contract of this territory and will deliver this excellent salt which does all claimed for it and more, at your station for \$3.00 per hundred pounds, which will supply twenty-five head of cattle for one month.

Honey Dew Pig Meal
28% PROTEIN
Equal to Mother's Milk
New Method of Raising Hogs and Pigs Successfully
REMEMBER THIS—THE MOST CRITICAL TIME IN A PIG'S LIFE IS WEANING TIME. If you take little pigs from mother's milk and put them on coarse feed all of a sudden without a substitute for mother's milk, you invite trouble.
You must have a Pig Meal high in available digestible protein and as near mother's milk as possible. Honey Dew Pig Meal is the highest quality of all. HONEY DEW DOES IT.
Corn and oats exclusively are not a proper feed for little pigs at weaning time, as the little pigs at this time are not old enough to handle coarse, unbalanced feeds like corn and oats.
How the pig starts at weaning time means either success or failure. Pigs wean themselves on HONEY DEW PIG MEAL without setbacks or bowel trouble.

Shoot Scale Test Producing Pork at 4c per Pound
Scale test on 90 pigs owned by Elmore Nauman, Mound City, Mo., weighed an average of 41 lbs. per head at start. The 90 head of pigs fed a period of 41 days on HONEY DEW PIG MEAL and nothing else except water. At the end of 41 days' feed, the pigs weighed an average of 80 lbs., making a net gain of 39 lbs. of pork per head in 41 days. Each pig only consumed 41 lbs. of HONEY DEW PIG MEAL and water, producing pork for less than 4 cents a pound.

How to Handle Brood Sows with Pigs
Feed the sow HONEY DEW PIG MEAL as a slop while she is nursing her pigs. By so doing you will increase the milk flow and the sow will not fall off in fat. In short, feed the pigs by feeding the sow while the pigs are nursing. We recommend for a 250 to 300 lb. sow, one pound of HONEY DEW PIG MEAL and 3 ears of corn—and nothing else except water. Little pigs will wean themselves while running with the sows. After pigs reach 4 weeks of age, place HONEY DEW PIG MEAL in dry form in self-feeders with plenty of fresh water near the feeder. Fix a place where they can run in and out as they please to the feeder containing the HONEY DEW PIG MEAL. They will wean themselves in eight weeks. No set-backs or bowel trouble.

Fattening Hogs Fed Honey Dew Pig Meal
as a balancer, will save half your home grown feed, with larger gains. Write for 12-page book of scale tests. Dealers and salesmen wanted.

Given Pleasant Surprise
From Tuesday's Envy—
Last evening the home of Mr. and Mrs. J. H. Graves at 10th and Grand streets was the scene of a very pleasant party of young people, the occasion being a birthday surprise arranged in honor of Miss Louise Rummel.

The home was very prettily arranged with the patriotic decorations of Washington's birthday and whose brightness and attractiveness proved a charming note of the evening.
The event being the birthday of Miss Rummel she was remembered by the friends with a large number of attractive gifts that she will treasure as remembrances of the friends and the pleasant anniversary that they had prepared for her.
The time was spent in games of various kinds and in which there were several prizes offered. Joe Graves, Ralph Hyde, Miss Rummel and Clyde Graves were the most successful and received suitable prizes for their skill in the contests.
At a suitable hour in the evening dainty refreshments were served by Mrs. J. H. Graves who was assisted by Misses Wilma Pickard and Ona Graves in serving.
At a late hour the members of the party departed for their homes wishing Miss Louise many more such pleasant occasions.

Celebrate Birthday.
On Wednesday of this week James Irwin, who has lived for the past twenty years southeast of Union near the mouth of the Weeping Water river, celebrated his 89th birthday very quietly with the wife, the children all having been long since married and living to themselves. Mr. Irwin was born in Canada on February 24th 1937, and when 17 years old came to the United States and settled in Iowa where he remained for some four years and when he was just twenty-one years of age came to Nebraska and settled on what is now known as the John N. Larsh farm, where he lived from the spring of 1858 until he moved to where he is living at this time, making sixty-seven years in Nebraska and all of that time in Cass county.

Uncle James and the good wife are still making their home on the farm. For some twenty years he conducted a blacksmith shop and also looked after the affairs of the farm as well and as the work on the farm became more intense and laborious he stopped the work in the shop and looked after the farm alone. At Nebraska City in 1878 he was united in marriage with Miss Anna Everett, and from this union some ten children were born, eight of whom are still living at this time, two having preceded this aged pioneer and wife to their rest. At this time both Mr. and Mrs. Irwin are enjoying remarkably good health for their advanced years.

GIVEN PLEASANT SURPRISE
From Tuesday's Envy—
Last evening the home of Mr. and Mrs. J. H. Graves at 10th and Grand streets was the scene of a very pleasant party of young people, the occasion being a birthday surprise arranged in honor of Miss Louise Rummel.

The home was very prettily arranged with the patriotic decorations of Washington's birthday and whose brightness and attractiveness proved a charming note of the evening.
The event being the birthday of Miss Rummel she was remembered by the friends with a large number of attractive gifts that she will treasure as remembrances of the friends and the pleasant anniversary that they had prepared for her.
The time was spent in games of various kinds and in which there were several prizes offered. Joe Graves, Ralph Hyde, Miss Rummel and Clyde Graves were the most successful and received suitable prizes for their skill in the contests.
At a suitable hour in the evening dainty refreshments were served by Mrs. J. H. Graves who was assisted by Misses Wilma Pickard and Ona Graves in serving.
At a late hour the members of the party departed for their homes wishing Miss Louise many more such pleasant occasions.
