

Greenwood Department!

Prepared in the Interest of the People of Greenwood and Surrounding Vicinity

Mr. David Appuhn was a visitor on last Wednesday at Ashland where she was the guest of friends for the day.

O. F. Anderson the Buick man was a visitor in Nebraska City last Wednesday where he was called to look after some business matters.

Phil L. Hall the president of the Greenwood State bank was looking after some business matters in Lincoln last Wednesday afternoon.

Du Kelly has just completed the seeding of some forty acres of land at the home farm to sweet clover, which he is using to rebuild the soil.

Glen Peters who has been at business college at Omaha returned home last Wednesday, after having completed his course in banking.

Fred Baur who is making his home at Edicott was over on last Wednesday and was having his corn shelled and delivered to the Peter's elevator.

Dan Kelly has just completed the drill and seeder to the farm for use as the effects of father time on the old one had about put it out of running order.

C. D. Fulmer has been beautifying his home in Greenwood by the planting of some shrubbery, which is adding much to the already beautiful home.

Walter Burks has been assisting in the work at the Peter's elevator where they are receiving considerable grain at this time in an effort to get in the order before the farming begins.

C. E. Calfee and family were visiting in Lincoln last Wednesday where they were spending a short time at the home of Mr. Calfee's parents.

"Bob" and Phil Reese were looking after some business matters in Ashland for a short time on last Wednesday afternoon.

Fred Peterson has been having the city water service installed at his home which makes it very convenient, and will do away with the old wooden pump.

Mrs. Elmer Coleman, Mrs. Charles Conrad and Miss Catherine Coleman were visiting with friends and also looking after some shopping in Lincoln on last Thursday.

Ivan Conn and Herman Birdsall were looking after some business matters in Lincoln on last Wednesday, they driving over to the capital city in the Universal car of Herman Birdsall.

William Doud of Lincoln was a visitor in Greenwood on last Wednesday, coming to have a set of bumpers placed on his car at the popular service garage of the Jardine Motor company.

Mrs. J. J. Carpenter was a visitor with friends in Lincoln last Wednesday morning where she was called also to look after some business matters and returned when the matters were completed.

George Tonak from east of town was in looking after some business matters on Wednesday, and reported that he had his oats in and was ready for the coming of warmer weather and some rain.

Mrs. Elmer Buck and children of Ashland and Mrs. Lester Marshall also of the same place were visiting for the day on last Wednesday afternoon at the home of Mr. and Mrs. Emmett A. Landon.

S. S. Peterson the village blacksmith, who by the way is a rustler when it comes to doing work and doing it right, is kept hustling these times with the work which is coming to his place of business.

While Clifford Armstrong was assisting in the installation of a complete water system at the home of W. E. Newkirk, Judge W. E. Hand was looking after the business at the hardware store and by the way, makes an excellent man for such a position when needed.

E. M. Jardine of the Jardine Motor company delivered to Mr. George Lambert one of the celebrated Chevrolet Landau which he will use for his family transportation and which will serve the needs of this gentleman most excellently, and it is a modern car in every sense of the word.

Nelson Emelund the clever and efficient cashier at the Farmer's State bank, was a visitor at his old time home at Valparaiso on last Tuesday evening where he was attending a banquet which was being given at the Masonic lodge of that place. Mr. Emelund met many of his old time associates while he was at the banquet.

Don Marshall the rustling salesman for the Jardine Motor company, is distributing as well as selling cars, some of the best motor oil, which is being delivered at 42c per gallon, as well as all needed auto accessories, and is making a specialty of the gum dipped tires going at prices which defy competition even with the mail order houses and delivered at that.

Harry Miles who formerly lived in Greenwood and was one of the

very popular young men of this place, but who has been making his home in Lincoln for some time was a visitor with his friends in Greenwood on last Wednesday, driving over from the capital city for a short visit with his friends.

The Jardine Motor company received during the fore part of the week four new cars which were snapped up like hot cakes at a bakery, and still there is a demand for more. The Chevrolet cars at this time are very much in demand, and with the very popular people handling them, E. M. Jardine and Don Marshall surely know their car, and are always desirous of demonstrating the excellent qualities of these cars. Give them a call for a demonstration, and they will show you. You will surely like their cars, the new Chevrolet.

Give a Good Play.

The high school play, "The Pirate's Daughter," which has been theme for some time with the scholars, was given on last Friday night and greatly enjoyed by all who had the opportunity to be present.

Doing a Nice Business.

During the last week there have been delivered from the garage of the Jardine Motor company, a good half dozen cars, they going to Emil Holke, one of the celebrated Chevrolet coupes of the latest pattern, while Mr. White received a Ford touring car, which he will make good use of on the farm. W. G. Renwanz had delivered to his place a Hup sedan which will make a most comfortable car for their use. They also sold to L. S. Jefferys a Buick touring car, which he is well pleased with and he should be, for it is a good one. Louis Wright purchased a Ford touring from this firm besides a number of other cars mentioned elsewhere.

An Attempt to Steal Car.

Last Tuesday evening while there was in session at the Masonic hall the Order of Eastern Star, and Roy Johnson had left his car sitting in the street, some one thinking to annex his tires, jacked up a wheel, preparatory to removing a tire, when they must have been disturbed by someone coming along, and fled. Later when Mr. Johnson came out to go home, he started his car, the motor purring away just like common, but the boat refused to move, and when he had gotten the garage man, it was found that the wheel was jacked up. Mr. Johnson is a good jack ahead, and still has his tires. Verily the way of the tire thief is hard.

The Star Lodge Very Active.

The Order of Eastern Star of Greenwood have been very active during the last few weeks with the lodge work, and on the last meeting on Tuesday of last week instructed eight in the mysteries of the order and still others for membership, who will make good members. Those to receive the mysteries of the degree were Mr. and Mrs. Lewis Taggart, Mr. and Mrs. Ira Snyder and their daughter, Mesdames Roy Johnson and Morgan Alcroft and Mrs. W. Brookhage, they all being from the neighborhood of Waverly.

Will Play Ball This Summer.

There is a movement on foot looking to encouraging a base ball team for the city of Greenwood, one which will compare favorably with the excellent teams which have represented this rustling city in the past. There is being evidenced much interest throughout the county in the matter of better ball and steps have been taken over the county in organizing teams.

Are Doing Good Work.

The Daughters of Rebecah assembly of Greenwood have been doing some excellent work in the lodge as well as out of it during the late weeks. At their meeting on Thursday of last week they had the mysteries of the order to confer on two candidates, they being Lloyd and Bessie Nightengale, who will make the order two excellent members.

May Reduce Bridge Toll as It Sees Fit

Plattsmouth Company Defends Right to Charge Whatever It May Please If Rates Less Than Maximum.

From Thursday's Daily—
The right to charge any bridge toll that it please so long as none of the charges are in excess of the schedule fixed by the district court is defended in supreme court by attorneys for the Plattsmouth Auto & Wagon Bridge company in an action in which the King of Trails Bridge company, which operates a toll structure a few hundred feet distant, vainly sought in district court to enjoin from cutting rates.

This is the only issue in the case, but back of it is a tale. The King of Trails bridge was built by private capital for the purpose of later turning it over at cost to the state and to Cass and Sarpy counties. The counties propose to operate it as a toll bridge until their half of the cost has been repaid them, after which it will become a free bridge. The negotiations for taking it over are well under way. The state contributes the half of the \$138,000 cost that it will pay.

The old bridge owners proceeded to cut the toll rates as established by the district court, and the new bridge owners are now trying to prevent this. The county boards of Cass and Sarpy have intervened.

The Plattsmouth company says that the clear intent of the legislature, in enacting the law was to prevent extortion, and that it was practically the same as saying that the company could charge as little as it pleased, but no more than the court fixed. It also argued that it could make the bridge free if it wanted to, and not be subject to court orders to charge tolls, and that being the case the defense it advances is sound. The right to collect tolls is the builder's compensation, and for his benefit, it may, therefore levy what he likes within the court fixed rates or charge nothing at all.

DEATH OF MRS. G. W. WORLEY

Word was received in this city last evening of the death of Mrs. G. W. Worley, old time resident of Cass county, which occurred on Tuesday evening at the home of her daughter, Mrs. Charles E. Allen, at Cozad, where she made her home for a number of years.

Rebecca Chalfant, daughter of James Chalfant and wife, came to Cass county with her parents in 1856 and settled in the vicinity of Rock Bluffs where she made her home for a few years and was married in Plattsmouth to G. W. Worley. The Worley family made their home in Cass county for many years, the greater part of the time at Elmwood, where the husband and father passed away a number of years ago. Mrs. Worley at the time of her death was in her eighty-second year.

The body was taken to Elmwood and where funeral services will be held today and the body be laid to rest beside that of the husband in the Elmwood cemetery.

The deceased leaves to mourn her loss one son, J. E. Worley of Lincoln, former resident here and a daughter, Mrs. Charles E. Allen of Cozad.

ENJOYABLE CLUB MEETING

On Thursday afternoon, the Goldenrod Study club had a very enjoyable time at the home of Mrs. B. W. Livingston, when Miss Grace Livingston was hostess, with Mrs. Myron Wiles assistant hostess, at a regular meeting.

During the business session plans were discussed to raise money for the community building of Myrand.

The study topic, "Some Nebraska Birds, and How to Know Them," was ably led by Mrs. Roy O. Cole. Interesting papers on bird lore and how to attract the birds were read by Mrs. Glenn Wiles and Mrs. Elbert Wiles. Refreshments were served in which the color scheme of green and white was carried out most uniquely in brick ice cream cake and patties.

OLD TIMER IMPROVING

From Friday's Daily—
Col. Nat Huston, well known resident of La Platte and Plattsmouth, arrived here yesterday from Tekamah, Nebraska, where he has been for some little time at the home of his brother, Mr. Huston has been suffering from an attack of the flu that has been very severe on him and from the effects of which he has not entirely recovered, although he is feeling some better and hopes in short time to again be able to be back in his old trim. The many friends of this genial gentleman are pleased to see that he is improving and to again enjoy his company.

WHERE DID YOU GET THAT HAT?

From Friday's Daily—
No more will Clarence E. Tefft, well known Weeping Water attorney, have the same trustful confidence that he has had in the past in the members of the Plattsmouth bar, there is a reason and a grave one for Mr. Tefft to change his mind on the estimate that he has heretofore placed on the Plattsmouth lawyers. This morning Mr. Tefft had some legal matters to attend to in the county court and as he was engaged for sometime he removed his hat and placed it carefully where he thought he might find it. When the time came for the attorney to leave the court he was startled to discover that some strange hat occupied the place that he had placed his own hat and that the hat of the attorney was nowhere to be found. After some search the missing hat was found in the office of one of our well known attorneys and the owner able to retrieve his headpiece, Charles Martin has entered a plea of self defence in the case as far as his part of the transaction. In the future Mr. Tefft will wear his hat at all times while in Plattsmouth or at least while around the court house.

ENJOY PLEASANT TIME

From Friday's Daily—
The members of the K. O. club held one of their pleasant social gatherings on Wednesday evening at

the K. S. hall in the west part of the city and the event was a great success from all view points and affording the members of the jolly party a real treat in the way of a delightful time.

The chief feature of the evening was the dance which was furnished by the Graddy Classics, they furnishing some of the latest and most popular dance music for the entertainment of the large crowd of young people.

At an appropriate hour a dainty and delicious luncheon was served by the ladies that added to the fun and enjoyment of the occasion and it was a late hour when the party disbanded and wended their way homeward.

PLAYS AT PIANO RECITAL

From Friday's Daily—
Mrs. Robert G. Reed, one of the talented musicians of this city, was heard in a piano recital given at Omaha last evening, by pupils of August M. Borglum, one of the most noted musical directors of the west.

The recital was held at the Schmolzer & Mueller auditorium at 1514 street and was very largely attended by the invited guests and the result was an evening of the rarest enjoyment to the music loving public of Omaha and vicinity.

The offering of Mrs. Reed in the recital was "Gayote" by ach-Saint-Saens, a very beautiful number and which was given in the most artistic

manner by Mrs. Reed, who has been studying under Mr. Orglum for some time past. The program contained a number of selections by the leading piano artists of Omaha.

VISITS OLD HOME

Mr. W. K. Shepherson and son, Don, of Spokane, Washington, have been visiting at the home of his sister, Mrs. Glen Vallery, north of the city for the past week, where his mother, sister and many other relatives and friends have gathered to visit them as it has been thirteen years since he left Cass county.

Mr. Shepherson and son are engaged as representatives for P. F. Pickette Co., distributors of Frigidaire and Delco-Light products and have been attending the convention at Dayton, Ohio and stopped off here to visit on their way home. As he was formerly known was a resident of Cass county all his life and resided in the vicinity of Weeping Water and Murray where he was engaged in farming until the year 1913 when he purchased a ranch near Lewistown, Montana where he and his family moved and resided until the son was ready for college, then they moved to the city to be with the son while he was in college. After a two year course, Don, as he is best known, went in business with his father and at present they are located at Spokane, Washington.
