INTERESTING BAD PEOPLE

"They are not so good as their mothers, but they are a lot more interesting," is the way a recent writer describes the modern girls.

The two elements of this description divulge an interesting by-path of the human mind. Why are girls, who are not so good

as their mothers, more interesting? Why is it that bad people as a rule are more interesting than good The interesting women whose

names appear in history are rarely the ones who followed the convention-Down with the tariff, and relief for al line of duty. They are the Helens of Troy, the Cleopatras and the Catherines-women who would probably Circumstances do not make the man be featured in the police court news
