R. E. Bailey New Head of City Schools

Superintendent of Newman Grove Schools Named to Succeed G. E. DeWolf Here.

From Saturday's Daily—The office of superintendent of schools for the next term of 1926-27 which has been vacant since the resignation of George E. DeWolf a few days ago to accept the position of superintendent of the Creston (Iowa) schools, has been filled by the board of education who have selected R. E. Bailey of Newman Grove as the new superintendent of the city schools.

The board of education have had over forty applications for the position of superintendent since the resignation of Mr. DeWolf was announced and the list included a large array of many high class men from several of the most progressive schools of the state. The array of splendid men available made the task of the board doubly difficult and the last was finally reduced to the six most favorably considered and from these Mr. Bailey was finally selected.

The new superintendent is a young man in his middle thirties and is married, a wife and child constituting the family circle who will soon come to this city to locate and make their home in the future. Mr. Bailey is a graduate of the University of Nebraska where he received a degree of bachelor of arts and of Columbia university, New York, where he was given his master of arts degree.

Mr. Bailey has been engaged in the teaching profession for the past twelve years and has for the last six years been in charge of the Newman Grove school where he made a decided success of his work and greatly advanced the interests of the school and the standard of the educational institutions. The recommendations of Mr. Bailey have been of the highest type and in his new position here he brings all of the requirements of a real live wire man in the position.

The Plattsmouth people will extend to Mr. and Mrs. Bailey a hearty greeting and trust that their stay here may be very pleasant to the family and that Mr. Bailey will be able to maintain the schools at their present efficient standard there is not a doubt.

Petition Filed for Davis for Representative

Present Mayor of Weeping Water Urged by Friends to Seek Republican Nomination.

Troy L. Davis, the genial and pleasant mayor of Weeping Water is being made the third man in the race for the republican nomination for the state representative as a petition signed by some twenty-five of the residents of his home community was filed this morning in the office of County Clerk George R. Sayles, asking Mr. Davis to permit the use of his name for the position that he formerly occupied in the state legislative body.

Mr. Davis served in the legislature from 1922 to 1925 and was one of the leading figures in the republican majority of the house of representatives and was one of the authors of the Davis-Hughes bill that permitted the counties to purchase the bridges over the Platte river and pay for the cost of the same in tolls collected.

He has also long been a very active and prominent figure in his home community and his exceptional ability that has been shown in various executive positions that he has been called upon to occupy and should be successful in his candidacy would more than make good in his service in the legislature.

GIVES PLEASANT CONCERT

From Saturday's Daily—Mr. and Mrs. George W. Goodman, who have charge of the conduct of the county farm west of this city, had a very pleasant call this past week from a number of the young people of the junior high school who took the opportunity of giving the residents of the home a very pleasing concert as a part of the Music Week observance. The members of the junior high party were accompanied by Miss Vyril Fossler, their director and were brought out in cars by A. W. Smith, Mr. and Mrs. Louis Tiekotter, Miss Anna Heil and Herman Tiekotter, Jr. The program was of the very highest standard and the event will long be pleasantly remembered by the aged people who are making their home at the farm.

Death of Otis McNurlin at an Omaha Hospital

Well Known Resident of Cass County Passes Away Following a Short Period of Illness.

From Saturday's Daily—Last evening at the St. Catherine's hospital in Omaha occurred the death of Otis McNurlin, well known resident of Cass County for a long period of years and an old time resident of the vicinity of Murray. Mr. McNurlin has been making his home at Weeping Water for the past six years and was taken sick on last Thursday following a sudden stroke of paralysis his condition gradually growing more serious he was taken to the St. Catherine's hospital at Omaha where he has been receiving treatment but without giving him the desired relief from his suffering.

The deceased was seventy years of age and was born in Illinois near the town of Princeton, and where he spent his younger years, later coming to Nebraska and locating in Cass county where members of his family have been numbered among the most prominent farmers of the county. He was for years a resident of near Union and Murray and while there was engaged in farming and in the development of the community in which he has made his home. In the later years his age made necessary his leaving the farm and he has since resided at Weeping Water. There remains of his family the wife and two brothers and two sisters, Frank McNurlin of near Cedar Creek, John McNurlin of this city, Mrs. Olive Core of Canada and Mrs. Miles Standish of Holton, Kansas.

The body of Mr. McNurlin was brought home last night and the arrangements for the funeral have not as yet been announced. John McNurlin, the brother, departed this morning for Weeping Water to be with the bereaved family in that place.

IT HAS LASTED

Plattsmouth People Must Believe Such Convincing Testimony as Mrs. Rauen's.

No one in Plattsmouth who suffers backache, headaches, dizziness, rheumatic pains or distressing urinary ills can afford to ignore this twice-told story of a Plattsmouth resident. It is confirmed testimony, telling of lasting benefit from Doan's Pills—a stimulant diuretic to the kidneys. It's evidence that no man or woman in Plattsmouth can doubt.

Mrs. F. N. Rauen, 1110 Pearl St., Plattsmouth, says: "I was in bad shape with my back. It was so painful I could hardly turn over in bed. There was a soreness across my back and groins. I had dizzy spells, too, and specks floated before my eyes. I got Doan's Pills at Weyrich & Had-raba's drug store and they relieved me." (Statement given May 12th, 1920.)

On November 10, 1924, Mrs. Rauen said: "Doan's Pills cured me of my suffering and the cure has remained permanent."

Mrs. Rauen is only one of many Plattsmouth people who have gratefully endorsed Doan's Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S PILLS, the same that Mrs. Rauen had—the remedy backed by home testimony. 60 cents at all dealers. MARRIED AT SHENANDOAH

From Saturday's Daily—The marriage of two of the popular young people of this section of Cass county, Miss Violet Kell of near Murray and Mr. Otto Wohlfarth of this city occurred on Thursday afternoon at Shenandoah, Iowa, to which point the young people motored and had the happy event celebrated in the radio city. The relatives here have not learned the particulars of the wedding as the bride and groom are still enjoying a honeymoon. This noon Earl May, the well known announcer of KMA states that to and his bride were at the radio station and in honor of the occasion Mrs. Millie Bullin, well known radio artist, dedicated a special piano accordion number, "The Me to Your Apron Strings Again."

The bride is the daughter of Mr. and Mrs. Philip Kell, well known residents of Murray and the groom is engaged here with the Plattsmouth Motor company.

High School Orchestra Gives a Fine Recital

Large Audience at the High School Auditorium to Enjoy Excellent Program Given.

From Saturday's Daily—Despite the threatening weather last evening a very pleasing number were at the high school building to enjoy the concert given by the Plattsmouth high school orchestra, the winners of the second prize in class B at the state musical contest recently held at Lincoln and those who were in attendance were more than pleased with the splendid entertainment and the extensive program that was presented by the young people of the orchestra.

The recital was under the direction of Leroy Fager, supervisor of music in the city schools and the offering was one that reflected the greatest credit on the very able director and the young people comprising the personnel of the orchestra.

The numbers given by the orchestra included three overtures, two of which, "Fair Maid of Perth" by Widdell and "Mignonette" were numbers given at the state contest and the third, "Princess of the Sun" by Bennett.

The remainder of the orchestra numbers included "The Rosary," "On the Hike," "Alice Where Art Thou," "Victory March," "Evening Breeze," "Victorious Legions," "Spirit of the K. S. N.," "Selections From Grand Opera," and "Turkey in the Straw." There were a number of the young people in the numbers, George Caldwell giving a very pleasing trumpet solo, "The Spirit of Joy," while the saxophone quartet composed of Harlan Gorder, Martha and Fredrick Gorder and Jean Spangler gave a very charming rendition of "Carry Me Back to Old Virginia." Miss Catherine McClusky gave a pleasing flute solo, "Mozart" by Mozart in her artistic manner that was much enjoyed by all of the party. August Knoflick, one of the artists of the orchestra and a very gifted young musician was heard in a number, "Fantasia" from "Il Trovatore" that reflected the greatest credit upon the young man.

Edgar Wescott also added to the interest of the program with two very pleasing marimba solos that were received with marked appreciation by the audience. The proceeds of the concert will go towards defraying the expense of the orchestra at the state musical concert and the young people by their hard work and personal efforts succeeded in raising a very pleasing sum for this purpose.

High Wind Does Damage Near Platts

Trees Broken Off, Telephone Lines Damaged and One Barn Blown From Foundation.

From Saturday's Daily—Last evening shortly after 7 o'clock a miniature tornado swept over the northwest part of the city and did more or less damage to that section in the way of breaking limbs off trees, snapping off a number of the smaller trees, blowing down telephone poles and in one case causing a great deal of damage to a barn.

The storm seemed to be the worst in the territory just west of the Missouri Pacific tracks, striking at the home of Joseph Novatney at Maiden Lane and Oak street and here a good sized barn was blown from its foundation and swept down the hill to Locust street and where it was lodged near the residence of Joseph Seilack, Jr., adjoining the Jasper Greenhouse. The barn was quite badly wrecked in being swept the distance of a block by the storm. The wind also blew off the ventilators at the greenhouse and in that locality did much damage to trees.

At the residence of Andrew Rabb, Sr., northwest of the Missouri Pacific passenger station there were a number of trees damaged and the telephone lines in that locality placed out of commission by the poles being blown down. North of this vicinity along the King of Trails highway there were several telephone poles blown down and which called out the services of the linemen to try and get them repaired and the poles out of the way of travel.

WILL SETTLE CASE

From Saturday's Daily—The charges that were made against Ray Cavendar in connection with the accident last Sunday afternoon when the car of Mr. Cavendar struck and seriously injured Anna Luxford at Union, may not be pressed against the young man.

At the court house this morning the interested parties were present and a conference held between the father of the injured girl and Roy Cavendar, father of the driver of the car and their attorneys as to a settlement in the matter. Dr. Luxford is not anxious to press the charges against the young man who was driving the car as the little one is doing very nicely and it is understood that a settlement on the basis of the payment of the hospital fees and medical care of the little one may be reached. A settlement at the sum of \$900 will probably be reached if it was stated at the court house this morning.

Veteran Editor Enters Race for Representative

J. A. Gardner of the Eagle Beacon Will Seek Republican Nomination for Office in Primary.

J. A. Gardner, well known Nebraska newspaper man and the editor of the Eagle Beacon, has decided that he will enter the political arena, this time as a candidate for office and not as the usual lot of the newspaper man, the hewer of wood and the drawer of water. Mr. Gardner today filed his name with County Clerk George R. Sayles as a candidate for state representative from the sixth district, comprising Cass county, subject to the wishes of the republican voters of the county at the primary in August. This is the second filing for the republican nomination as Carl Ganz of Alvo filed some weeks ago for the position of representative.

The new candidate, Mr. Gardner, has a large acquaintance among the newspaper men of the state as he has

always been very prominent in newspaper circles.

During his residence in Eagle Mr. Gardner has been a real booster for his home town and community and while his splendid efforts have not always been successful he has kept up the good fight and made the town of Eagle known over the eastern part of the state. Mr. Gardner secured the establishment of the Eagle free public library largely through his own personal efforts and now has some 500 books available for use and furnishing the rent and librarian service free. He also secured the donation of a large silver cup as a trophy for annual contests in school club work among the Eagle pupils and which is a trophy greatly sought.

Mr. Gardner has also been a consistent bridge and good roads booster and is now president of the Cass County Bridge and Highway association, that is promoting a bridge program for six bridges over the Missouri river and the betterment of road conditions in Cass county. Mr. Gardner was instrumental in getting the Harding highway through Eagle and is at this time a member and director of the Harding Highway association.
