A cafeteria lunch was served at the noon hour, after which the following program was given: "America the Beautiful" by Willing Workers, Eagle, Mrs. Fisher, song leader.

Two minute report on value of work.

Mrs. Berger's lecture was especially interesting, dealing with the summary of the club work.

Mrs. Berger was chosen as delegate to represent Kansas and Nebraska at the Farm Women's convention which was held in Chicago in March.

One of the many interesting thoughts which Mrs. Berger brought back with her from the convention, was that the farm woman is steadily becoming more of an equal to the city woman.

This is being made possible by the Women's Clubs all over the United States.

The style show was the big event of the day.

Twenty models, two from each club, were chosen, who had selected their costumes in reference to their type, color harmony, accessories to blend with their costumes, etc.

Much credit is due Miss Gerard, our county chairman, for the success of the program, as she has devoted a great deal of time and energy in arranging and carrying out the program.

Death Claims Old Resident of Cass County

Philip Stohr Passed away Last Evening at Home of Daughter West of This City.

From Wednesday's Daily—
Last evening at 7 o'clock at the home of his daughter, Mrs. August Keil, near Cullom, occurred the death of Philip Stohr, old time resident of this community and who has for the past year been in very poor health, gradually falling until death came to ease his suffering and to bring the last long rest.

In the last few weeks Mr. Stohr has been practically helpless and his condition has gradually grown such as to leave little hope of his recovery.

Philip Stohr was born September 30, 1854, in Tazewell county, Illinois, being a son of Mr. and Mrs. Christ Stohr, who came to that community at an early day from Germany and from the parents the deceased gathered the habits of thrift and industry that in later years was to make him one of the solid and substantial citizens of Cass county. Mr. Stohr was married in 1879 at Sand Prairie, Illinois, to Anna Marie Lohnes, and thirty-six years ago the family came to Cass county to make their home in the future and where they have since made their home. To bless the life of Mr. and Mrs. Stohr there were born a family of children, they surviving the parents being Mrs. Margaret Schroeder of South Omaha, Mrs. Lulu Keil of near Plattsmouth and George Stohr of Cedar Creek. The wife and mother passed away in October, 1925 and since that time Mr. Stohr has made his home for some time here at the family home until his poor health compelled his going to the home of his daughter where he has since resided.

Mr. Stohr was a member of the Modern Woodmen of America of the Louisville camp and also was a member of the German Evangelical church for the greater part of his lifetime.

In addition to the children he is survived by two brothers and four sisters, Coon Stohr of El Reno, Oklahoma, Adam Stohr, Cedar Creek, Mrs. George Heil and Mrs. Adam Forno of Cedar Creek, Mrs. Alfred Peterson of Louisville and Mrs. Marion Metzger of Merriam, Nebraska. There also remain five grandchildren to mourn his loss.

The funeral services will be held on Friday afternoon, the funeral party leaving the August Keil home at 1 o'clock and the services will be held at the Glendale church west of Plattsmouth. Rev. J. H. Steger of this city officiating.

Clarence L. Marken Charged With Assault and Battery on the School Principal.

From Wednesday's Daily—
This morning the greater part of the high school students as well as citizens of Greenwood were here to attend the hearing on the case of the State of Nebraska vs Clarence L. Marken, who was charged with assault and battery on Prof. Worley of the Greenwood public school. The defendant apparently had a large part of the sentiment of those who were in attendance in his favor, judging from the attitude of the crowd that filled the court of Judge A. H. Duxbury and during the testimony there was several outbursts of laughter.

The state had charged the young man with assault and the appearance of the complaining witness bore out this fact as Prof. Worley bore two black eyes and several other marks of the affray that occurred a few days ago in the school building in Greenwood. It was claimed by the principal of the school that the assault had been started by the defendant and that he had cursed the professor and threatened to kill him. The defendant gave his version of the affair as that of the school man having started to strike him and clenching with him and after which the defendant had struck the school man and was on top of him when others rushed on the scene and pulled Marken off.

Evidence of several of the school teachers was offered for the defense as to the conduct and standing of the young man in school.

After hearing the evidence in the case County Judge A. H. Duxbury found the young man guilty as charged and sentenced him to thirty days in jail.

A hearing was being had today relative to sending the young man to Kearney to the state reform school.

The settings of the dinner party was in a color scheme of lavender and pink, the attractive sweet peas being used in the decorations of the table and adding a very pleasing touch to the scene of pleasure.

Following the dinner the members of the party enjoyed the evening in playing bridge and at which the prizes were awarded to Mr. and Mrs. DeWolf, the honor guests of the occasion.

Those who enjoyed the occasion were Messers and Mesdames S. S. Davis, L. O. Minor, G. E. DeWolf, Carl Brown, Papillion, Miss Easter Delzell and Mr. Edwin A. Fricke.

From Wednesday's Daily—
Yesterday afternoon the St. Mary's guild of the Episcopal church was most delightfully entertained at the charming home of Mrs. L. L. Turpin at the Harris apartments and the meeting attended by a very pleasing number of the ladies of the organization. High Wind Sweeps Part of Illinois

Responsible for Property Damage of \$100,000 of \$200,000 and Death of Aviator.

Chicago, May 18.—Sweeping over a large section of northern Illinois a heavy storm, accompanied by a high wind, tonight caused the death of an aviator and wrecked between 300 and 400 homes at Harvey, Ill., a suburb, causing an estimated damage of between \$100,000 and \$200,000. The aviator who was killed was Ross Kirkpatrick, thirty, pilot of the Ford Motor company freighter, "Maiden Dearborn No. 12." Kirkpatrick was forced to try to land near Summit when the storm buffeted his plane about and apparently stalled his engine. He made what would have been a safe landing on hard ground, but when he struck the soft earth the nose of his ship tilted and was buried in the mire.

In Harvey, a heavy hail storm accompanied by the wind, which, he sides blowing over houses, knocked down trees and telephone poles. Urbana, Ill., May 18.—Late afternoon classes at the University of Illinois were thrown into confusion about 4 o'clock today when a severe wind and rain storm swept Champaign and Urbana, uprooting trees, breaking windows, interrupting telephone and light service and demoralized traffic. Many of the students, it was said, feared a repetition of the tornado that devastated southern Illinois a little more than a year ago.

Pana, Ill., May 18.—Pana and central Illinois were swept by a severe hail, wind and rain storm this afternoon, trees were uprooted, roofs torn off farm buildings, telephone and electric light poles razed and inestimable damage done to young fruit trees and gardens.

HEAVY TRAVEL STARTS

The warming weather has proved a real lure for the auto traveler and the result was clear to be seen here on Sunday when a ceaseless stream of travel was passing on the streets here of autos from all of the eastern counties of the state and a fair sprinkling of cars from other states and particularly from our adjoining state of Iowa. The gravelled highway from the Kansas line to this city brought large numbers of cars here from Ottumwa, Richardson and Nemaha counties as well as a number of the residents of Kansas while hundreds of cars from Omaha were to be seen on the streets. The completion of the gravel highway to Omaha from this city will mean a much greater volume of travel and it was said, will undoubtedly come to this city to reside as the surroundings for a home are much more pleasant and attractive. Two families in the south portion of Omaha have already announced their intention of moving here as soon as the hard surface is completed and they are anticipating with pleasure the finding of their home here in the ideal home city of the state.

With this heavy travel on account of the north and south highway it would be more than doubled if a bridge spanned the Missouri river at this point to connect the states of Iowa and Nebraska and which is one of the goals set for the year 1926 in this community.

VERY POPULAR MUSICIANS

The Ruby trio, composed of Floyd and Bernard Ruby of near Louisville and Mrs. Millie Bulin of this city, are fast becoming among the best known and the most popular musicians in this section of Nebraska and western Iowa through their well known radio programs and their dance offerings in which they have been heard at a number of different points in this section. The latest appearance of this popular orchestra was at Hancock, Nebraska, where they played on Sunday at a dance given in that locality and scored a distinct triumph for themselves and drew the enthusiastic praise of their auditors. The orchestra plays from station KMA at Shenandoah, Iowa, on each Saturday and their popular programs there have made them familiar all over this part of the west. The orchestra is booked for practically every night for the next three weeks with the exceptions of Sundays and the demand for their services is very great in all parts of the state.
