BAILIFF ARRIVES HERE
From Tuesday's Daily—
William Atchison, who has for several terms served as the bailiff in the district court since the now famous grand jury cases of 1923 came in this morning to resume his work as guardian of the jury in the May term of the district court. Billy is looking fine and anticipating a ten day or two weeks stay here with the old time friends.

Stop Chicken Thief Stop
The chicken thief seems to have no compunctions of conscience as to what he steals, for only a few days since some one stole a complete incubator hatch from Dale Topfiff, which was only a day old, while west of Murray some six or seven miles, another lot of very young chicks were stolen. It is about time some one caught some of these chicken thieves, and gave them a good lesson.

NOT SO WELL
From Tuesday's Daily—
Mrs. Joseph Magnasek of Omaha, who has not been feeling the best of late has become so ill that her sister, Miss Laura Grassman of this city has been compelled to go to the city to assist in the care of the home until she might improve in health. The very severe condition of Mr. Abram Rupley, father of Mrs. R. A. Bates and Mrs. Bell Stoner of this city prevented Mrs. Stoner going to the bedside of the daughter in Omaha as Mr. Rupley's condition has been very serious in the last few days.

Funeral of Mrs. Anna Gorder Ploetz Sunday
Services Largely Attended by Old Time Friends at First Presbyterian Church.

From Monday's Daily—
The body of the late Mrs. A. F. Ploetz arrived in this city Saturday morning, being brought to this city from the late home at Atton, Iowa, by auto hearse, and taken to the home of Mr. and Mrs. L. L. McCarty, where it laid in state until the hour of the funeral services. At the late home at Atton a short prayer service was held as the cortege prepared for the journey back to the old home in Nebraska.

The services here were held at the First Presbyterian church and were conducted by Rev. H. G. McClusky, pastor of the church, who paid a very touching tribute to the memory of the deceased lady and read the following poem of tribute:

Oh, how blessed faithful souls
Who have passed thru death;
Your God ye see,
Escaped at last
From all the sorrows that
yet hold us fast.

Here, as in a prison, we are
bound—
Care and fear and terrors hem
us round;
And all we know
Is but toil and grief of
heart below.

While that ye are resting in
your home,
Safe from pain, all misery
o'ercome.
No grief or cross
Mixes with your joys to
work you loss.

Christ doth wipe away your
every tear;
Ye possess what we but long
for here.
To you is sung
The song that ne'er thru mortal
ears hath rung.

Who is there that would not
gladly die,
Changing earth for such a
home on high?
Or who would stay
To toil amid these sorrows
night and day?

Come, Oh Christ! Release us
from our post;
Lead us quickly hence to your
lovely host;
Who victory won,
Now drink in joy and bliss
from thee, our Son.

Several of the old and well loved hymns were given by a mixed quartet while Mr. Frank A. Cloldt gave a special solo number "No Night There."

The interment was at the Oak Hill cemetery in the Gorder family burial plot beside the other members of the family.

The following is a short biography of the deceased lady:

Anna Gorder Ploetz.
Was born on the fourth of July in the year 1866 in Watertown, Wisconsin. When but a year old her parents came with her to Nebraska and located in the city of Plattsmouth.

Here in the parental home with other children in the family she passed her early days of childhood and grew to womanhood.

In the year 1906 she was married to Rev. A. F. Ploetz, then pastor of the Presbyterian church at Lexington, Nebraska. After a pastorship of five years at Lexington the work took them to South Dakota where they continued, with the exception of a brief interval, until a little more than a year ago they came to Iowa.

The matter of retiring from active work on account of the failing health of Mrs. Ploetz had often been considered. The necessity of doing so became more and more apparent. On Friday evening of May 21 a severe heart attack came to her and in spite of all that could be done she did not rally again and on Tuesday evening of May 25th at 8:30 she passed away.

Her going is mourned by her husband, Rev. A. F. Ploetz, two brothers, Fred Gorder of Weeping Water, Nebraska, and John Gorder of Plattsmouth, Nebraska, and one sister, Mrs. Emma Wohlfarth of Plattsmouth, nineteen nieces and nephews and many friends.

Salad Demonstration.
Twenty-one ladies attended a salad demonstration at the Congregational church on Thursday afternoon, May 27th. Mrs. Kline, who represents the Jell-O people gave the demonstration. She used fresh vegetables and fruits in her salads. She proved to us that those artistically decorated salads, which the most of us are familiar with only in pictures, can actually be made in a very short time. We were very fortunate, indeed, in having Mrs. Kline with us. The following are two exceptionally good recipes which she demonstrated:

Manhattan Salad.
Dissolve a package of Lemon Jell-O in a pint of boiling water and one tablespoonful of vinegar. While it is cooling, chop one cup of tart apples, one-half cup of English walnuts, one cup of celery, and season with salt. Mix ingredients, and pour over them the Jell-O. Cool in individual moulds and serve with mayonnaise or French dressing.

Strawberry Bavarian Cream
Wash one box of strawberries and sprinkle with four tablespoonsful of sugar. Dissolve a package of Strawberry Jell-O in three-fourths point of boiling water and when cold and still liquid whip to consistency of whipped cream. Then fold in the strawberries and juice. Set in a cold place to harden. Serve with whipped cream and garnish with berries. Use canned berries when fresh are out of season.

Club Picnic.
Mr. McMahon of Eagle is the local leader of the following clubs: Poultry, Dairy, Baby Beef, Swine and Corn. These clubs enjoyed a picnic on the farm of George Ratcliffe, near Walton. The afternoon was spent in the woods playing games, giving club yells, and songs. In the evening a picnic supper was enjoyed, after which each departed saddened by the thought that Mr. McMahon is to leave soon for California, where he has accepted a position. He will be missed very much, and we are asking for the cooperation of all the people around Eagle in helping us to continue his good work.

Poultry Day.
June 10th is poultry day at Lincoln. We are hoping that all those who possibly can, will attend.

Mother's Vacation Camp.
Don't forget that the enrollment blanks for Mothers' Vacation Camp at Tecumseh, from June 15 to 18, must be in the Farm Bureau office before June 8. If you don't have an enrollment blank, call or write the office, and we will supply you with one. All arrangements are being made for the comfort and enjoyment for the mothers while in camp.

RECEIVES SAD NEWS
From Tuesday's Daily—
Last evening John Wickmann of this city received the sad news of the death of his cousin, Mrs. Herman Tank, which occurred at her home at Lake View, Minnesota, following an illness of some duration. The deceased lady was eighty years of age and was well known here to a number of the older residents of the community as she was a frequent visitor here at the Wickmann home in the years past. The funeral will be held at Lakeview and owing to the distance and the short notice the members of the Wickmann family will be unable to attend the services.

LEAVES FOR CALIFORNIA
From Wednesday's Daily—
Mr. and Mrs. Eddie Todd and son Albert are leaving today for a trip to California which will keep them away from the old home until about the 1st of July, 1927.

Visits will be made with friends and relatives at Kearney, Fort Morgan and Denver after which the Santa Fe Trail will be followed to the west.

Eddie has his sedan fully equipped for the trip and has added to the usual equipment a dust and water proof box for the hats of the members of the family, so that in entering either a cool or hot stretch of country a hat suited for the climate can very easily be selected without getting out of the car.

This hat box is one Eddie's personal ideas as he was unlucky enough on the last trip to lose a valuable and comfortable hat.

The camping equipment is complete with sleeping and cooking quarters and is also provided with a table which if necessary can accommodate a party of seven.

The family of Mr. Todd expect to take plenty of time for the trip, enjoying to the utmost the sights of the country and do not expect to be able to arrive in California till some time in July when they will settle at Long Beach, after short visits with the Plattsmouth folks who live there.

FOR MISS ROBERTA PROPST
Miss Roberta Propst, whose marriage to Mr. Elvin E. Greene, Jr., of Lake Worth, Fla., will take place on the tenth of June, was honored with two showers recently.

Mrs. W. A. Hendry, a sister of Mr. Greene, on May twenty-first entertained at her home on O street with a miscellaneous shower, and Mrs. Dwight A. Propst, on May twenty-eighth at her home on North Lakeside Drive was hostess at a linen shower.

Forty guests were invited to these two delightful affairs and Miss Propst was the recipient of many beautiful and useful gifts.

Miss Vivian Halley has invited a large number of guests to her home in Blackwell Park for June the third to an entertainment in honor of the bride elect.

On June the eighth, a trousseau tea will be given at the Propst home by the sisters, Miss Mayola D. Propst, Mrs. C. E. Wilcox and Mrs. W. E. Propst.

PURCHASES NEW TRUCK
From Monday's Daily—
The People's Market has just purchased a new up to date Chevrolet ton truck that will be used hereafter in the handling of the delivery work of this well known business house and making it much for Miss Giventer to give his patrons an improved service. The truck is one of the latest type and model and will be found very valuable addition to the equipment of the large grocery store. Mr. Giventer believes in giving real service to his patrons and feels that the new truck will help a great deal in this line.
