Ladies Are Out in Force.
Last week at the Methodist church the committee having the matter in hand, gave one of their excellent teas

at the basement of the church building at which there were seventy of the ladies of the town and community present. A most delightful time was had and the ladies also did much for the church for which their organization stands.

Visit K. K. K.
A. B. Stromer, Earl Keller and C. D. Gans, on last Saturday organized a company, which went down to the mouth of the Weeping Water where Camp Hill Kare is situated and spent the whole night in a vain effort to hook some fish from the waters, but not a fish or even a bite did they get. Of course the fish were not there at the time, probably they were out in the Missouri river taking a bath as it was Saturday night, for they had been there and three as good fishermen as ever held a tight line were there to assist the finnie tribe to a pleasant place on the land, they could not have been missed.

Camping at Crete.
The Nebawauka Campfire Girls, 13 in number, left Alvo June 12, for Crete. This was the hottest day of the season, but we arrived safely at two o'clock.

Naturally the first thing we wanted was a drink and then we proceeded to clean and arrange our cabin. We finished this about 5 o'clock, so we had ample time to get ready for lunch.

There were two "grub lines," as they were called, about a half a mile long. The bugle call was given every morning at 6 o'clock, but part of our girls in our cabin did not wait for it to blow as we were up and about at 4:20 exploring around.

The general program for the week was as follows:
Monday, Tuesday, Wednesday, Thursday, Friday, bathing at 9:30; boating at 11:00, also motor boat rides.

Handcraft and dancing lessons at 2:30 to 4:30.
Wednesday, special—Bible pageant followed by a large council fire, at which some of the girls took their ranks.

Thursday evening—Water carnival. Twenty boats, each group of girls that had a blue ribbon girls for rowing could take a boat and decorate it. Alvo received third honor. Our boat represented a flower basket. All boats certainly were beautiful. Honors went as follows, Nebraska City first, Holdrege, second; Alvo third.

Friday evening was stunt night. Twenty groups took part, but Alvo did not enter that event.

We all had a wonderful time and all returned home Sunday. Alvo's folks came down for dinner Sunday. There were 40 in attendance.—Contributed.

The girls that went to Crete were as follows: Dorothea and Doris Coatman, Rose Lee Johnson, Helen Fairfield, Eleanor and Pauline Snavely, Gladys Keller, Alice Cook, Alice Fairfield, Eleanor Hensley and Mary Vickers. Mrs. Lyle Miller accompanied them as sponsor.

ELECTROCUTED ON A FENCE
P. H. Cruise received a telephone message Wednesday announcing the death of his nephew, Leonard Cruise, who was a student, 16 years old, and had been with his mother at Lincoln, she having moved some household goods there to be with the young folks attending the university. He left last Friday, and after a few days with his father at Hebron, left for the south in search of vacation employment.

From the information available it seems he was in the act of climbing a fence near Alma, Kan., to interview a farmer about work. A live wire had fallen across the fence and he was electrocuted. The funeral will be held at Hebron Friday, and Mr. Cruise and family will attend.—Eagle Beacon.

NEW ROAD MARKERS
The highways through the state that are now under the joint control of the state and federal highway control are being marked in a uniform manner through the several states that they are laid out and avoids the confusion that formerly existed as to the different numbering of the same highway in the states through which they ran.

Here in Cass county the D. L. D. has been designated as highway No. 38 and is so marked through the states of Michigan, Indiana, Illinois, Iowa, Nebraska and Colorado where its route is laid. The King of Trails highway that has heretofore been known as No. 5, will be marked as No. 75 through the states of North and South Dakota, Nebraska, Kansas, Oklahoma and Texas. The Red Ball highway, a local state and federal aid project from Murray west to Lincoln will be designated as highway No. 1 and will receive the same marking as the other highways.

The markers are shield-shaped and mounted on a steel post and bear in black lettering the number of the highway that those who are traveling can easily distinguish and make it a great deal better for the general traveling public.

Pleuro-Pneumonia Claims Florence Parker—Leaves Parents, Three Sisters, Three Brothers.

The death of Florence Lena Anna Parker, daughter of Mr. and Mrs. Ira Parker of Louisville, occurred at her home last Saturday morning, June 19, 1926, after a few weeks' illness with pleuro-pneumonia. She suffered greatly but bore her sufferings with remarkable patience. She was 16 years, 1 month and 10 days old.

She had gone to Syracuse last decoration day to visit her brother, Eli Parker and family, and was taken ill there. After a few days she returned home, driving up with members of the family and this was too great a tax on her strength and undoubtedly hastened her death. She was put to bed as soon as she arrived home and was given the best of care and attention, but in spite of all the endeavors, she passed away after about three weeks' illness.

Florence was born in Otoe county, near Dunbar, May 9, 1910. She was graduated from the 8th grade of the Louisville schools last commencement

and was greatly beloved by all her schoolmates, teachers and her many friends. She was very friendly and lovable and was active and full of fun and was popular with all who knew her and her sad death in the flower of young womanhood has cast a shadow of sorrow over the community. She would have entered the High school this coming fall.

During her illness, the many friends of the family did all in their power to assist them and when it was learned that she was much disturbed by the passing of freight trains at night, word was sent to the train crew and from that time no more whistling of trains was heard as they passed the house. This was much appreciated by the family and surely deserves recognition and much praise as it expressed great kindness and thoughtfulness, and it will ever be remembered by the family.

The funeral occurred on Monday afternoon at one o'clock from the M. E. Church, the pastor, Rev. David Simpson officiating, who read for the Scripture lesson, the 23rd Psalm taking the first verse, "The Lord is my Shepherd, I shall not want," as his text. From this the minister spoke comforting words to the sorrowing family which uplifted their hearts and turned their thoughts to the source of all joy and happiness.—Louisville Courier.

Miss Tizor, who is a member of the Omaha club of the Saratago school, favored the young ladies with a number of well chosen selections that added to the interest of the occasion. Misses Alice Peterson and Miss Tizor also favored the members of the party with the exhibition of the Charleston that proved of real interest to all of the party. At a suitable hour a dainty and delicious luncheon was served by Mrs. Alfred Dooley and Laurine Wynn that completed the program of the afternoon. Those attending the event were the Misses Mildred Tizor, Mildred Allen, Mary Wynn, Catherine and Laurine Wynn, Dorothy Jacks, Alice Peterson, Marie Wright, Margaret Vitersek, Eleanor Vitersek, Mildred Elliott, Ella Jacks.
