G. L. Henniger and family, of Weeping Water, were spending last Sunday at the home of Mr. and Mrs. R. M. Coatman, of Alvo, they driving over for the day and all enjoying a visit for the day with an excellent dinner thrown in.

Some one told us Earl Keller had accompanied the two other gents on a fishing trip, when they should have said Earl Dremer, for Mr. Keller was too busy with his work to go fishing, and especially when the fishing was not good.

The Skinner and Coatman trucks with John Skinner as the driver, moved the household goods of the former superintendent of the Alvo schools to University Place on Thursday of last week. They will make their home there for the coming year.

Again on Wednesday evening of the past week, Messrs. A. B. Stromer, Earl Dremer and C. D. Ganz went out for another go at the angling. Just how they succeeded, we have not been informed, but we are hoping they succeeded in getting fish a plenty.

The Pythian Sisters held a carnival at the school on last Friday, which was a most enjoyable affair and also which made some money for this excellent order as well as supplying some wholesome amusement for the public of Alvo. The carnival two playlets, "The Acid Test" and "No Men Wanted."

Andrew Stohman of near Louisville was a visitor in Alvo on last Wednesday and was selling some of the excellent nursery stock which he handles. Mr. Stohman has been selling nursery stock for many years and knows the value of the best and most reliable stock, for when it is not the best, such as he handles, one is more than wasting their money and time.

Mr. and Mrs. Simon Rehmeier and daughter departed on last Thursday for Clarion, Iowa, where they will visit for a short time. Both Mr. and Mrs. Rehmeier have relatives near that city and will spend the 4th of July there, driving over in their auto for the occasion. Miller, and enjoyed a most pleasant visit with them and relatives. Early in the week the Rev. Bowman departed for Detroit, Michigan, where he has been attending a convention of the church during the week, and where after the conclusion of the meeting and the completion of the visit here of Mrs. Bowman, she will join her husband, and they will return to their home in the east.

**A CARD OF THANKS**  
We desire through the Journal to express our sincere thanks to the many friends who so kindly offered assistance and sympathy during our bereavement by the death of wife and mother, and to the Royal Neighbor lodge members and others who came with tokens of esteem in the form of flowers. We surely appreciate such evidence of true friendship which we will ever remember.—Frank A. Finkle and Family.

### ELMWOOD TO HAVE BAND

Elmwood is to have a live band under a competent instructor. It is understood that there is plenty of available material and that a number of our citizens are getting lined up, so that we can have a band of enough pieces to make a really good one. Elmwood in years gone by always had a good band and one that could be depended upon. Of course conditions are somewhat different now from what they were then, but as far as we can and we will have the long talked of band. A good band is a good thing for a town and the community. Everyone likes good music and we are assured now that we can have some band concerts possibly once a week anyway and whenever occasion demands.—Elmwood Leader-Echo.

### Passing of Well Known Lady of This Community

Miss Katherine Newlon, Old Times Resident of This County Dies at Wahoo.

Miss Katherine Newlon was born at Monmouth, Ill., on February 18, 1868, and died in Wahoo, Neb., on June 6, 1926, at the age of 58 years, 3 months and 18 days.

During her early girlhood she attended the public schools of Cass county and later finished her high school course at Wahoo. After her graduation she became a public school teacher in Cass and Saunders counties for several years. During these years it was her custom to read the Bible at the opening hour of the school day. Three members of the school district objected to this practice because of their own disbelief. They had warned her not to continue, but in their presence at the appointed time she read out of the book itself these words, "Thou shalt love God." These, with other passages, had the effect of breaking down the opposition. This part of her life was brought to a conclusion by the state of her mother's health, which compelled her to relinquish her duties of the school room in order to assume the management of her mother's household.

Miss Newlon found great pleasure in her membership in two secret orders. For many years at Weeping Water she was a Rebekah, and was a charter member of the Order of Eastern Star in the same place. Her membership in the latter was renewed in Wahoo. Her interest never diminished, but it was not possible for her to participate actively in the work of the order in later years.

Miss Newlon came with her parents to Plattsmouth in 1874, at which time the family moved to a farm near Wabash, Neb. She with her mother and two brothers lived here until after the death of her mother and a brother, Edward Newlon. She and her brother, Clark Newlon, finally moved to a farm in the vicinity of Weeping Water in 1910. Her brother, Clark Newlon, passed away in 1921. The next year she came to Wahoo, where she has continued to reside since that time. About three years ago her little niece, Miss Mary Newlon, came to make her home with her. This arrangement proved to be a most fortunate circumstance for both of them and their devotion to each other increased through the years. For a year and a half Miss Tillie Herford has resided with Miss Newlon. They found in each other a delightful comradeship and intimacy. Miss Herford has greatly endeared herself to the family and friends by her constant attentions and faithfulness in these last months.

### DEATH OF MRS. NETTIE STANTON

The death of Mrs. Nettie M. Stanton, a resident of Cass county for a great many years, occurred on Tuesday evening at the home of her parents, 4424 Williams street, Omaha, following an illness of some duration.

The deceased lady is survived by the parents, the father being in his 91st year and the mother in the advanced eighties, one sister, Miss Mary E. Foster, former superintendent of the Cass county schools and now a member of the teaching force of the Omaha schools as well as one brother, R. E. Foster of Union.

The funeral services were held this morning at 10:30 at the Hoffman-Crosby chapel in Omaha and the interment made at the Forest Lawn cemetery.

**WHY** Procrastinate? Not protect your profits? Feed stock to feed flies? When White Gold plus ANTI-FLY SALINE means a larger Bank Balance for you.

Professor J. W. McCulloch, Department of Entomology, Kansas State Agricultural College, said:

"Flies are unquestionably an important factor to the live stock industry. Their presence results in worry and irritation to the animal, which is reflected in loss of appetite, and the general run-down condition of the animal. Where abundant flies cause a serious loss of blood to animals by their piercing and sucking habits. Dairymen frequently report a loss to the milk supply of from 40 to 60 per cent in years when the flies are especially troublesome. The loss of weight is also an important item to beef cattle and to work animals. In some years, losses of from 10 to 25 per cent in weight have been noted. One other item which might be mentioned is that of the loss of time to the farm operations, since it frequently is impossible to work horses owing to the presence of large numbers of flies in the field."

### The stable or stock fly is a farm robber that unless checked, produces great losses to owners of all kinds of stock.

Stock Salt Co., of Omaha, Nebraska, manufacturers of Anti-Fly Saline, the modern fly ring method, has made it possible for stockmen, dairymen and horsemen to combat the fly pest by supplying your merchant with Anti-Fly Saline which you can purchase in 25, 50 and 100 pound white cotton bags.
