

Alvo Department

John Wood, the merchant, was looking after some business matters in Lincoln one day last week.

Art Dinges and A. B. Stromer were looking after some business matters in Omaha on last Monday evening.

Attorney C. D. Ganz has the work of threshing on his place north of Alvo where Ed Weidman formerly lived, all completed.

Roy Coatsman was out to the home of W. W. Coatsman assisting in the thrashing on account of W. W. Coatsman feeling quite poorly.

S. C. Boyles, who has had much threshing to do is now nearing the finish of the work and is pretty well satisfied with the results.

Ed Carr, living west of town, was a visitor in Omaha one day last week, where he was looking after some business matters at the stock yards.

Mrs. Mary Skinner has been feeling quite poor for some time past, but is reported as being much improved following the extreme hot weather.

John Coleman has been kept very busy during the past few weeks with assisting in the thrashing which has occupied all his minds and hands for some time.

Art Skinner and Emmet Friend, with their outfit, are keeping on the hump thrashing and are with the other cleaning up the little that now remains to be done.

Joe Banning and family, of Union, were visiting for a short time in Alvo last Sunday, being guests of John W. Banning and wife, and also visited with friends in Lincoln as well.

Phillip Coatsman and W. H. Warner were thrashing for S. C. Boyles just in the edge of Alvo last week, and have also been very busy over much of the territory contiguous to the city.

James Pilkington was looking after some business matters in Louisville on Thursday last week, driving over in his auto, and also visiting at Murdock for a short time on his return.

Simoh Rehmer, the elevator man, has been kept on the hump with the receiving of wheat as well as considerable corn during the hot weather, and the rush consequent to the thrashing period.

Wm. Stewart and James Applegate have been sinking a well at the home of Edward Brunkow during the past week, and are having many calls all the time for their work, as things are getting very dry all around here.

The Alvo Sunday School League baseball team went over to Murdock on last Friday where they engaged the team of that town in a game, but as to how they succeeded we are not as yet advised, though we know they must have had a good game.

Mrs. C. H. Knutrick, who is visiting with friends and relatives in Texas, writes very interestingly of the country there and says that she is enjoying the visit very much, but would also like to be at home again and expects to return in a short time.

W. W. Coatsman, living south of Alvo, has not been feeling very good for some time past, and was unable to work a portion of the time last week and was compelled to seek the services of a doctor. He, however, is hoping to be enjoying his usual health again soon.

The thrashing about Alvo and vicinity is making good progress and is showing very satisfactory returns, especially when it is considered that the crop would be very light on account of the wind and dry weather. Not to say anything about the chinch bugs. No one is kicking about the better conditions.

There were a number of the young people of Alvo visiting in Omaha on last Monday night, it being Oteo and Cass county night at the Ak-Sar-Ben Inn and many availed themselves of the opportunity of enjoying the show as well as having a laugh or two at the expense of some of their fellow-townsmen who were "hooked" for a bit of initiation.

John Skinner says business is good, for he was in Omaha last week with stock on Monday for A. H. Lorenz, of south of Alvo, and on Tuesday with stock for R. C. Wenzel, of just north of Eagle. On Wednesday he and Edward Carr were over to the big city and to the stock market with a truck load of very fine porkers for that gentleman. Thursday he had a pick-up load of one from a number of different parties.

Return from the West. Mr. and Mrs. Dan Menchau, who have been in the west for the past two weeks returned home last week and are feeling much refreshed from their trip and assure all that they enjoyed the time most pleasantly. They report crops very good out there and that Mr. C. C. Bucknell has some very nice wheat and it is making a good yield.

Mr. and Mrs. George Bucknell of Greenwood, were visiting on Sunday at the home of Dan Menchau and wife

and enjoyed a very nice visit as well as learning of the folks in the west.

To the Voters of Cass County

My name will appear on the ballot at the primary election as a candidate for the republican nomination to the office of sheriff of Cass county, and the support of my friends will be appreciated in the contest.

I am serving a two-year term in the office of sheriff and now seeking reelection for the second term for this office.

During my term I have tried to enforce the law fairly and impartially, protecting the interests of the taxpayers of Cass county, in the handling of crimes of all nature and in the handling of the business affairs of the office of sheriff.

Those who have had business with the office of the county sheriff have received the best service possible and the law enforcement has been made with a just regard for the laws of the state and the protection of the interests of the good people of Cass county.

My desire in the discharge of the office has been to make the law a protection to the people of the county and not to terrorize the taxpayers and residents of the county—to fairly and impartially give my full time and service to the people who have called me to the office of chief law enforcing officer of the county.

If re-nominated and re-elected to the office of sheriff, I will do my utmost to serve the best interests of the state and county and to maintain the enforcement of all laws of the state.

With the record of my conduct of the office in the past two years, I feel justified in seeking your support for re-election to the office of sheriff and will appreciate your support.

E. P. STEWART,
Sheriff of Cass County,
Nebraska.

ENROLLING FOR C. M. T. C.

From Friday's Daily—
There has been a number of the young men of the city enrolled this year for the thirty day outing at the Citizens Military training camp which is to be held at Fort Des Moines, Ia., for this area, commencing on August 1st and lasting for a thirty day period.

The camp offering a new and pleasing experience to the boy from 17 years upward. It gives them the required amount of exercise that they may need, the benefit of the short periods of drill and military tactics that will give them an insight into the military service that will make them valuable units to the nation in peace time.

Different from the army camp of the war days the boys at the C. M. T. C. have the best on the market for food and the well selected menus that are in vogue at the training camps will be selected for the upbuilding of the body that is being developed under the drills and courses of physical exercise.

At the camp all is not drill and exercises however as there are periods of recreation and entertainment that are arranged in camp and also the opportunity given of viewing Des Moines, the Iowa capital city with its many points of interest.

Among those from this city who are expecting to attend are Carl Keil, who is now taking his third year in the training camp, Herbert Johnson, a second year man at the camp as well as Jack Hatt and several others of the boys who are planning on their first year's experience in the camp.

Those who might wish to attend the camps in the 7th army corps area and have not as yet made their applications may do so by seeing J. A. Capwell or Frank Smith who can fill out their applications for admission to the camps.

NEBRASKA CITY AFTER MOTOR LAW VIOLATORS

According to the News-Press of Nebraska City it seems that our neighboring city has started a crusade against violators of the state and municipal motor laws in regard to running lights. The following is taken from their account:

"Seventeen Nebraska City car owners appeared in police court Friday morning and pleaded guilty in a body to violation of the auto light ordinance and each paid a fine of \$1 and costs, amounting to \$5.55. Their ears were tagged during Thursday night.

Ten other car owners whose cars were tagged failed to appear in court Friday and warrants were issued for their arrests.

Those who paid fines Friday were J. H. Haussener, L. A. Orme, F. D. Simmons, W. W. Farris, Elmer McCarthy, Rex Werner, Earl Jackcooty, Maynard Griffin, Ernest Cline, Claud Crandell, John Parmenter, Oscar Surratt, Joy Kastner, Dr. Thomas L. Weekes, Roy Larc, Ben Novak and Thomas Chapman.

ENJOY FAMILY PICNIC

Mr. and Mrs. Phillip Kahler arranged a family picnic party last Sunday in honor of Mrs. Kahler's sister, Mrs. Arthur Blackwell, of Akron, Ohio, who is here for an extended visit. A fine picnic dinner was prepared and taken to a shady spot on the old farm home of Mrs. Kahler's late parents, Mr. and Mrs. Thodore Boedeker, south of town, now owned by Mr. and Mrs. Lee Cole.

Those present, besides Mr. and Mrs. Kahler and family and their eastern guest, were Mr. and Mrs. Harold Brunson and little daughter, Charles Boedeker of Murray, Ad Boedeker of Nehawka and son, Ed Boedeker and family.—Louisville Courier.

EVERYBODY HAPPY NOW

Sure it rained and a fine one at that. You know it always fifteen minutes before it is too late in Nebraska. We had begun to think the jig was up, but the abundant down-pour of last evening, which amounted according to government test 1.48 inches, soaked the ground good and the corn, pastures and gardens now have a new lease on life. Now we are satisfied that the Lord careth for his own, let us get after the business in good earnest and have the country going forward, the rains will come on to just and unjust, and let us make the best of it.

Captain Dowling, testifying from a wheel chair due to injuries received in the explosion, declared the arsenal buildings were unsafe.
