The advertising matter for the big Bargain Wednesday offerings of the Plattsmouth merchants is now being prepared by the local business men and will be in the hands of the buying public in the next few days, announcing the specials that they are featuring as a few of the many great offerings that will characterize this late summer bargain sale and which will bring the large array of fine staple and fancy articles carried in the local business houses to the consumer at a great reduction in price that they cannot afford to pass up.

The day set for the big day of special price slashing sales is on Wednesday, August 18th and which date will be one when the people of Cass county can find that the purchasing value of their dollar has been trebled in the stores of the city of Plattsmouth.

BURKHART GOING GOOD

Harry Burkhardt, well known Hamburg, (Ia.) ball player and who last season was one of the hurriers for the Plattsmouth team, was featured in the game Wednesday at Shenandoah, Iowa, when he pitched for the Nebraska City team against the Mt. Arbors of Shenandoah. The Mt. Arbors were the victors 9 to 4 but the playing of Burkhardt featured the game, his home run in the seventh inning with the bases full, saving the Nebraskans from a shut out at the hands of the Mt. Arbors. "Chin" was nicked for eleven hits by the sluggers of Shenandoah, while the Nebraska City team secured nine smacks off McKee. The damage to Nebraska City was in the fifth inning when five hits and an error allowed five runs to be secured by Shenandoah and which won the game for them.

In pitching Burkhardt struck out ten men while McKee also whiffed ten. McKee walked two and Burkhardt one. Burkhardt also was credited with two hits with four trips to the plate.

BUS HAS WRECK

The interstate bus that travels between Omaha and Kansas City, had a wreck last evening some six miles out of Nebraska City that resulted in the serious damage of the car that collided with the bus and the bus itself, although fortunately there was none of the passengers injured in the accident. An automobile was passing on the highway at the same time as the bus and in doing so struck the side of the bus and tore off the running board of the bus and also damaged the two front wheels of the auto to a greater or less extent.

Phone us the news.
