CAMP IS BUSY PLACE

The camp that is maintained at LaPlatte for a larger part of the men who are employed by Woods Brothers of Lincoln, the contracting firm in charge of the preliminary work of constructing the new Missouri Pacific bridge over the Platte river, is housing a large number of men who are working there and are forced to create a great deal of their own entertainment.

The greater part of the workmen who are able to secure transportation make regular visits to Plattsmouth and Omaha for recreation and outings and are able to find relaxation from the routine of their work and camp life.

While the work is in progress the Missouri Pacific will use the Burlington bridge for the transportation of their trains and cut-over tracks are already being laid for this purpose, so that the transfer can be made as soon as the work on the new bridge requires such routing.

Schorber, pastor of the Evangelical church in Naperville, Ill. The bridal couple was attended by Dr. and Mrs. Walter Bornemeier. Death of Louis Kroehler at Hospital in Omaha

Well Known Business Men of This City Succumb After Illness of Some Duration.

From Wednesday's Daily—This morning at 11:30 at the Immanuel hospital in Omaha occurred the death of Louis Kroehler, life long resident of this city and a member of the hardware firm of Kroehler Brothers of this city.

The death of Mr. Kroehler was not unexpected as he has been in very serious condition for the past month and was operated on a week ago at the hospital in the hope of giving him some permanent relief but which has been without avail as he continued to grow worse until death came to ease his suffering.

Mr. Kroehler was suffering with a very severe form of kidney trouble and which from the start was recognized as being of such a nature as to make his recovery the matter of the greatest difficulty. For the past two years his health has been failing but it was not until a very severe attack a month ago that his condition was fully realized by the family and friends and he was taken to the hospital in Omaha to be cared for and operated on in the hope of giving some relief to the patient.

The deceased was unmarried and is survived by two brothers, Andrew Kroehler of this city, and with whom the deceased was engaged in business, George Kroehler of Omaha, one sister, Mrs. Susie Newman of California.

The parents, Mr. and Mrs. George Kroehler and several brothers and sisters have preceded him in death. The members of the family are in Omaha this afternoon, and the arrangements for the funeral will not be made until after their return home.

New Superintendent of Schools Arrives in City

From Wednesday's Daily—Yesterday afternoon a number of the Plattsmouth people had the opportunity of meeting and becoming acquainted with Mr. R. E. Bailey, who is to be the new superintendent of the Plattsmouth city schools and who with Mrs. Bailey and their little son arrived here to locate and make their home.

This is the first opportunity that Plattsmouth has had of meeting the gentleman that is to have the all important task of guiding the destinies of the public school system in the coming year and to supervise the training of the boys and girls in the city schools and it was a pleasure in every way to Mr. Bailey who has come to our community so highly recommended and to extend to him and his estimable family a hearty welcome to the city and to know that they are to become one of us.

Mr. Bailey has all of the educational qualifications that could be possibly asked of a superintendent, a graduate of the University of Nebraska and of Columbia university of New York and for eight years has been the superintendent of the schools at Newman Grove. His long and successful term as superintendent as that of Mr. DeWolf in this city is striking proof of his value as a school executive.

The family are seeking a suitable residence here and when they have found the home that they wish they will have their household effects moved here and become a part of the community life and add to the social life of the community. They will find a cordial welcome in this community, "the friendly city" of Nebraska and where there is always a real homelike atmosphere.

Announces Engagement of Miss Grace Beeson

Mr. and Mrs. George Riggs Entertain at the Announcement Party for the Young People.

From Tuesday's Daily—The announcement of the engagement of Miss Grace Beeson, daughter of Judge and Mrs. Allen J. Beeson of Plattsmouth, to Jay D. Snow, of Los Angeles, California, was made Tuesday evening at the home of Mr. and Mrs. George Riggs at Santa Monica, California.

The event was in the nature of a 6 o'clock dinner party in which the forthcoming marriage was made a feature of the occasion, the centerpiece of the table being pink roses surmounted by a tiny bride and groom, symbolic of the forthcoming nuptials.

The settings of the dinner were in a color scheme of pink and white and made a most charming background for the delightful occasion.

Mrs. Riggs, hostess of the dinner, was formerly Miss Virginia Beeson of this city, and sister of the bride-to-be.

The wedding of Miss Beeson and Mr. Snow will take place the coming winter season. It was announced by the young people.

Miss Grace Beeson has, since leaving for the Pacific coast last spring, been engaged as one of the office force at the Methodist hospital at Los Angeles and where she has been making her home with Mr. and Mrs. Morgan Waybright, and in her work has proved a decided success and won many high honors. Miss Beeson is a graduate of the nurse training school at the University of Nebraska.

Mr. Snow is one of the young business men of Los Angeles where he has charge of a large wholesale business and is one of the leading young men in the southern California city.

HAS A FINE TRIP

From Tuesday's Daily—Mr. and Mrs. Searl S. Davis and Mrs. George K. Pettig, who have been enjoying an outing at Alexandra, Minnesota, returned home early this morning and after a fine outing in the lake country. They enjoyed the fishing in Lake Le Homme Dieu, and both Searl and George report some very fine catches in the lake from which the party enjoyed very fine meals. Mr. Davis declares that the fish caught were sardines. On the way back the party found the road from Denison, Iowa, and Omaha very poor and this stretch of roadway with that from Fort Crook to Plattsmouth were the worst that they encountered.

Mr. Davis, who is a practical farmer took observations of the crops along the way and states that the corn in eastern Cass county is as fine as any that they viewed in Iowa or Minnesota and much better than that in the larger part of the territory that they visited. They found the small grain crop in Minnesota very good and a great deal of it in the fields ready for the harvest.

NOT SUFFICIENT VOTES

From Tuesday's Daily—In the canvass of the official vote of Cass county cast at the election on Tuesday, August 10th, the canvass of the vote cast for the county superintendent has shown that Miss Alpha Peterson, the present superintendent has a clear sailing for the position as the vote cast for Miss Verna Fessler of Elmwood was but 303 and this was not sufficient to secure the placing of her name on the ballot for the November election.

The written in names must equal ten per cent of the vote cast for the governor at the last primary election and which in this case was 3,744 cast for Governor McMullen and in order to secure the ten per cent Miss Fessler would have had to receive 374 votes.
