George Epperson, who is employed on the farm of Henry Ross, had the misfortune during the past week to get his hand entangled in the spreader which so badly crushed that member that the thumb on the hand had to be amputated and since, while the hand is still very sore it is showing some improvement.

We are informed that Mrs. Clarence Armstrong was sick and was taken to the hospital at Lincoln, which we have found was misinformation, and we are glad as is also this excellent lady that such is not the case, but it was another lady, and we are certain she would also be glad if she were not ill.

A. R. Johnson of Plattsmouth, was a visitor in Nehawka on last Monday, and was interviewing his many friends and making many more. Mr. Johnson, who is chief of police at Plattsmouth is well qualified for the position which he seeks, that of county sheriff, and is not leaving anything undone that he may meet as many of the voters as possible.

Mrs. Claude Rutherford, who has been in the hospital at Lincoln for a number of weeks past, where she was receiving treatment for illness, is so far improved that she was able to return to her home in Nehawka on last Saturday and is feeling fine, but not with her usual strength as they returned. Her many friends are much pleased that she is enjoying better health.

James S. Rough and wife were visiting in Lincoln on last Sunday, they driving over to the capitol city, where they went to meet their daughter and little grandson, as they were coming to visit with the parents and grandparents of this place, Mr. and Mrs. J. S. Rough. They had a very

nice visit as they were returning home. Mrs. D. H. Wilson and the little one will expect to visit for some days.

Nels Anderson, who has been at the Emanuel hospital at Omaha for the past more than a month, receiving treatment for his health, was able to return home last Saturday and is feeling much improved though he is still not feeling the best as yet, but is still improving. He and his many friends are pleased with his improvement and are hoping that he may continue until his former health has been entirely restored.

Andrew Schliefert, democratic candidate for the position of county commissioner for the second district, accompanied by John Gruber of Manley was interviewing the voters of Nehawka and vicinity on last Monday afternoon. Mr. Schliefert who has been the road overseer for some time in his vicinity is well qualified to look over the road business and is endeavoring to be elected to the position of county commissioner.

Sell Many Good Hogs. The Pollard brothers, consisting of Hall Merritt and Oren Pollard, which composes the Pollard Brothers enterprise, sold to the Rankin Brothers Farm at Tarkio, Mo., sixteen of their famous Hampshire hogs, which they had delivered by truck on last Saturday to the Rankin ranch at that place. When people like the Rankins purchase these hogs in this quantity for their own use, it is evident that there are no better hogs, for they surely know a hog when they see one, and that they have purchased the sixteen hogs is also evidence that the hogs are of the best.

D. A. R. Meets in Nehawka. The meeting of the daughters of the American revolution on last Monday at the home of Mrs. R. C. Pollard, where they were entertained by this lady who is one of the best caterers, and who had for her guests some thirty of the members of this patriotic order, was a great success. There were members from Nehawka and Weeping Water and a number from Lincoln among whom were Mrs. C. S. Payne, state regent, Mrs. Adam McMullen, state treasurer. The meeting was one of the annual functions and which is always attended by the state officers, and is known as their luncheon meeting. A most delightful time was had during the day, there being many from Weeping Water at the meeting, while the members of the order residing in Nehawka were also present. Following the meeting which was a most enjoyable affair, the state officers departed for Plattsmouth where a similar meeting was held in the evening, thus enabling the state officers to make two towns and visit two chapters in one day and thus facilitate their work, as they have to visit all the chapters in the state.

Pleased With Enlarging Trade. Just at this time the Sheldon Manufacturing Company of Nehawka which enjoys an international trade in their products, is very much encouraged by receipts of many orders for the product of their factory from a number of countries in the southern hemisphere, and especially from the countries of South America. When comparison is made with the Nehawka manufactured goods and those of other places the ones made by the Sheldon company far surpasses the ones made by all others. It is pleasing that the company and this city are producing goods which so far surpass others. Boost for Nehawka made goods.

Revival Meeting With Success. Under the preaching of the Rev. Lincoln Lohr, evangelist, and the blessing of the Father, the revival meeting in progress at the Otterbein church north of Nehawka is meeting with much encouragement and success. The meetings have been in progress for some two weeks and much interest is shown as well as a number of accessions to the church.

Married at Council Bluffs. George Kime, who has been telling his folks that he intended to marry, was not taken seriously, but a few days since when he went to Nehawka City and there went with his lady love to Council Bluffs, where they were united in marriage, returned home with the winsome bride to give the parents a surprise, when he and the bride walked in on them. The Journal with the many friends of this newly wedded couple are extending congratulations and best wishes for their happiness and prosperity.

Makes Purchase of Hogs. James Stone purchased a number of very fine hogs at a sale at Reynolds a short time since and Chester Stone and Glen Wells departed on last Monday afternoon for that place in a truck and returned home in the evening with the hogs, which are to be placed on the Stone farm for feeding purposes.

Royal Neighbors Meet. The R. N. A. convention was held at the Nehawka auditorium October 15 and a fine attendance was reported, 115 having registered from the different camps, Murdock, Manley, Avoca, Louisville, Weeping Water, Papillion, Springfield, Elmwood, Union, reporting and taking part in the work.

Mrs. Clara Trumble deputy from Omaha was present and helped carry on the work and gave some fine talks. After school the Misses Lumberg, Sturm, Switzer, and Palmer, Pollard entertained with singing and whistling by Dorothy Sturm, which was surely appreciated by all.

At 6:30 the busy workers served a

fine supper and at 7:30, night session was started and county officers were installed and the rest of the work finished up. Ice cream and cake was then served by the Nehawka camp and all left for home with royal thanks to Nehawka.

Beautiful Home of Mr. and Mrs. William Baird Scene of Large Social Affair.

From Tuesday's Daily—

Last evening the attractive home of Mr. and Mrs. William Baird at Seventh and Main street was the scene of a very largely attended reception tendered by the Fontenelle chapter of the Daughters of the American Revolution in honor of a number of the distinguished members of the order who were here as guests of the chapter.

SUFFERS SEVERE ACCIDENT

From Tuesday's Daily—

The family of Officer Clyde Jackson had a great deal of excitement yesterday and which also resulted in a very painful injury to Danny, a three year old son of the family. The little lad was playing with his older brother, Bernard, aged 8, who had secured several shot gun shells from the hunting coat of his father. The older boy had proceeded to pour out the powder in the shells and to enjoy a little excitement applied a match. In an instant the powder blazed up and while the older boy was able to get into the clear the blaze struck the smaller boy and burned his eyebrows, scorched his forehead and singed the hair of his head to more or less extent. Fortunately the eyes of the little fellow were not injured and aside from the painful nature of the injuries it is not thought that they will be dangerous.
