"One Good Term Deserves Another"

A MYSTERIOUS PARTY
From Tuesday's Daily—
Sunday morning a party of Platts mouth gentlemen were seen speeding westward on the detour road apparently headed for Omaha and bearing with them in their car bags of clubs of various sizes and makes that bore a close resemblance in a hurried glance to the weapons that are used in the canny Scot game of golf. The residents along the detour road report that late in the afternoon the same party returned home and three of the members of the auto party seemed rather downcast while one of the quartet was smiling and seemingly exalted over some event. Just what was the reason for the triumphant return of the one member of the party and the downcast appearance of the other members of the party has not been given out but the party had evidently been doing battle on one of the Omaha golf courses.

Ordination Service Held at St. Luke's Church

Mr. Walter C. Middleton, Rector of the Church Raised to Diaconate at Services.
From Monday's Daily—
With the very beautiful and impressive service of the Episcopal church, Mr. Walter C. Middleton who has been the rector at the St. Luke's church in this city for the past month was ordained to the diaconate of the church before a very large congregation and a large party of visiting clergymen of the diocese of Nebraska of the Episcopal church. The handsome interior of the church made a most beautiful setting for the ceremony that was marked with the ritualistic service of this great church. The altar was arranged with the fall flowers and foliage and with the glowing candles made a very impressive and striking part of the church service.
The ceremonies was in charge of Father Wilbur S. Leete, former rector of St. Luke's and now of the Mission of Transfiguration of Evergreen, Colorado, as master of ceremonies.
The Rt. Rev. Ernest Vincent Shaylor, bishop of Nebraska, was the ordaining representative of the church and in the services was assisted by a number of the clergymen of Omaha churches who had accompanied the bishop here for the ordination.
The sermon of the service was delivered by Father Smith, rector of St. Barnabas church of Omaha who

spoke very eloquently of the duties of the church, of the priesthood and of the lay membership of the church and at the close gave the duties and responsibilities of the diaconate to which Mr. Middleton was being raised by the laws of the church.
At the close of the sermon Father W. S. Leete presented to the bishop, the candidate, Mr. Middleton and who was charged in his new duties as a leader of the church life by Bishop Shaylor.
During the services the choir of the church assisted by the visiting clergymen, gave the musical settings of the most impressive ceremony.
The members of the visiting clergy included Bishop Shaylor, Father Smith of St. Barnabas, Father Casady of All Saints, Father Jones of St. Paul's, Father Gallagher of St. Andrews, Father John Albert Williams of St. Philip's, Father Seeker of St. John's church, all of Omaha and Mr. Woon of Central City, who is to be ordained in the next few weeks.
At the conclusion of the service at the church the priests and members of the St. Luke's parish were entertained at luncheon at the Hotel Perkins where a delightfully prepared repast arranged by Mr. and Mrs. Ed Brantner was served. The ladies of the church assisted in the serving and arranging of the luncheon and in the preparing of the handsome arranged tables with their decorations of the fall flowers.
At the dinner brief remarks were made by Bishop Shaylor, R. W. Clement, senior warden of the St. Luke's church on behalf of the parish, Father John Albert Williams the dean of the Omaha clergy, Mr. Middleton, the youngest member of the clergy in the state, all of these being inspirational to the large number who were in attendance at the luncheon.

Democratic County Ticket!

MEN AND WOMEN WHO ARE DESERVING OF YOUR SUPPORT AT THE POLLS, TUESDAY, NOV. 2, AND WHO SOLICIT YOUR VOTE!

Mia U. Gering
Candidate for Re-election for County Treasurer of Cass County
IT IS doubtful if there are very many voters in Cass county who are not more or less acquainted with our present County Treasurer. She is a lady of great ability, has taken care of the office in a business-like manner, being accommodating to each and every one, regardless of who it might be. In the last few years, the County Treasurer's office has had considerable additional new work, such as the registration of automobiles, of which there are over four thousand in the county, but even at that, she has not asked for additional help, and has run her office without neglecting any of her duties. Miss Gering has lived in Plattsmouth for a number of years and during that time has filled many important positions. She has served one term and asks the voters of the county for re-election, which she certainly deserves.

Andrew Schliefert
Candidate for County Commissioner from the Second District
MR. SCHLIEFERT is not a stranger to the voters. He was born 53 years ago on a farm between Manley and Murdock and at the present time resides there. He is a man of high standards, good business judgment and has been Road Overseer for six years in Center precinct, so he is not a stranger to the office to which he is aspiring. The voters of Cass county can conscientiously cast their vote for Mr. Schliefert as he is conservative and at the same time is ready to fulfill the wants of the people of Cass county. He is a good road enthusiast and if elected he will do what he can to better the conditions of roads in this county. Vote for him.

Minnie Klinger
Candidate for the Office of Register of Deeds
WE ARE presenting to you as a candidate for the office of Register of Deeds, Miss Minnie Klinger, who was born and reared in Cass county, received her education in the public schools of Plattsmouth and graduated from High school in 1922. Since then she has held position of clerk and stenographer in this city; has been employed in the County Attorney's office, and also as bookkeeper and stenographer for the McMaken Truck and Transfer company for three years. She has had some experience in the Register of Deeds office during the present administration; is now holding the position of City Clerk of Plattsmouth. She has excellent qualities and is capable of holding the office to which she is aspiring. Give her your vote on election day and you will never regret it.

Fred Gorder
Candidate for County Commissioner from the Third District
MR. GORDER is before you for re-election, having served in that capacity for five years. He is at present a resident of Weeping Water, where he has lived for a number of years. Fred is practically a native of Cass county, being but two years old when his parents immigrated from Wisconsin to Nebraska, which was sixty years ago. Fred is well known over the entire county, not only as Commissioner, but in the Implement business, as he has been for so many years, he became acquainted with most everyone. He is of a conservative type and the tax payers can rest assured that their money is not squandered and their interests are fully taken care of. A vote for Fred Gorder is a step in the right direction.

Arnold R. Johnson
The Democratic Candidate for Sheriff of Cass County
IN THE coming campaign, we want to present to you a candidate for the office of Sheriff who might come to some of you as a stranger. Mr. Johnson is well known in Plattsmouth and more so in the eastern part of the county and we hope before this campaign is over that you will get acquainted with him and find his good qualities. He is at present serving as Chief of Police for the city of Plattsmouth. He has also been employed by the Burlington shops here and has been a farmer and held other different positions in town. He is a member of the I. O. O. F. and Eagles lodge and a member of the Young Men's Bible class of the Methodist church of this city. Mr. Johnson is the right age (being thirty-two years old) to make a good sheriff. He weighs 199 pounds and is 5 feet, 10 inches tall. He asks the people of Cass county to elect him to this office. He is a man of moderate means and we are satisfied he will make a splendid officer. A vote for him will be in the right direction.

Capt. Harrison L. Gayer
Candidate for Office of County Clerk
MR. GAYER is a man of high quality and well educated. He has lived in Cass county for eight years and is at present farming in Rock Bluffs precinct. He received his education at the University of Nebraska, being a student in the law school of the university at the outbreak of the World war in 1917. He went overseas with the 28th Infantry, First American Division, as Captain of the Infantry. He is a member of the Plattsmouth post, American Legion, and also a member of the Disabled Veterans' Association. When he returned he was not physically fit to complete his law studies and was advised by his physician to move onto a farm, which he did. Capt. Gayer is fully qualified to hold the position of County Clerk and is certainly worthy of recognition from the voters of Cass county for his bravery during the World war. Don't forget to vote for Capt. Gayer for County Clerk on the 2nd day of November, for he deserves it.
