Platters Humble Scarlet Warriors of Auburn Team

20 to 6 Represents the Story of the Game in Which Locals Outplayed Visitors.

From Thursday's Daily—
Three victories in a row represent the sum total of the efforts of Coach Rother's husky bunch of warriors and the latest of the string of victories has been the scarlet hued warriors of Auburn who came yesterday to see and conquer and who instead were shown and sent home—defeated.

All of the Plattsmouth squad had a part in the victory and their united machine like playing on the part of both backfield and the line told the story of the victory and the repulse of the visitors from the banks of the Nemaha.

In the opening when the Auburn team kicked off there was a succession of drives through their line that netted gains at every try and kept the ball constantly in the hands of the blue and white as they moved onto the scarlet goal. In the onrush some of the visitors sought to introduce a little of the uppercuts and slugging into the game, with the result that they were penalized twenty yards and with the ball on their fifteen yard line the visitors were played off their feet on a very clever triple in which Ralph Gansmer participated and carried the ball to the five yard line of the visitors and from there Buttery plunged through for a touchdown. Smith kicked goal and the count stood 7 to 0.

On the kickoff Platts drove the ball to the Auburn 20 yard line, the visitors returning it to their thirty-five yard line before being downed. The Auburn team after several tries for gains in which they were blocked by the hard work of the Plattsmouth line in which Adam, Gansmer and Clark featured, punted in an attempt to place themselves out of danger and the ball was returned fifteen yards by Plattsmouth. Two attempted end runs by Buttery resulted in no gain for the locals, but in this period the visitors again started their pugilistic attempts to secure gains and were again penalized twenty yards. A well placed pass from Wescott to Smith brought the ball to the visitors twelve yard line and another touchdown seemed due but on the attempted pass from Wescott to Buttery was good but Joe failed to plom the ball and it was lost. On the attempt of Auburn to secure an end run Wescott threw the runner for a loss and when the Auburn team attempted to punt Jerry Adam blocked the kick and recovered the ball and scored a touchdown. Perry kicked goal and brought the Plattsmouth total to 13.

In the last of the second quarter the Auburn team showed a flash of real playing and Quinn and W. Sloan scored several large gains on the locals and brought the ball to the locals ten yard line but a lucky fumble cost the Auburn team twenty yards and the ball was on the locals thirty yard line when the half closed.

In the opening of the third quarter the visitors were downed on their thirty yard line and Plattsmouth drew a twenty yard penalty and this was followed by a brilliant pass that netted them fifteen yards. The visitors were held on downs in the territory of the Platters. On the recovery of the ball by Plattsmouth Gerald, otherwise "Jumbo" Smith punted fifty-five yards to the visitors five yard line and brought the battle down into their territory. The Auburn team attempted to punt out of danger but the kick was poor and the ball rested in the hands of Plattsmouth on the Auburn twenty yard line and from there a pass from Wescott to Perry gave the locals their third touchdown but the attempt at goal failed and left the locals standing at 20.

The visitors tallied in the last quarter with some effective line plunges as on a fake pass Quinn Sloan slipped around the Plattsmouth right end for the coveted touchdown that won them a goal, but failed to kick and left the score at 20 to 6.

The game ended with the ball in play in the center of the field.

HAS SISTER ELECTED

In the results of the election in Fremont county, Iowa, in which Hamburg and Sidney are located, Miss Lovey Hiatt, sister of Mrs. P. R. Gobelman of this city, was selected as the county superintendent of schools by a large vote. The election in Fremont county was a real landslide for the democrats with the sheriff the only office that remained in the republican ranks and as Miss Hiatt is of the democratic faith she was swept to victory with her associates on the ticket. Miss Hiatt is well known here where she has been a frequent visitor at the Gobelman home.

Bind Over Men Charged with Hog Stealing

Justice Lynn at Union This Morning Hands Down His Decision in the Case.

From Friday's Daily—
Another chapter was developed in the now justly celebrated "hog case" this morning when Justice John Lynn at Union rendered down his findings in the preliminary hearing, holding that there had been sufficient evidence adduced by the State of Nebraska in the hearing to warrant the binding over of Josh Hammond and Ray Denham to the district court for trial.

This case has been shuttled back and forth in the courts here, the defendants being released on the first complaint filed and which was followed by the filing of a second complaint here on the strength of new evidence before Justice William Weber and from whose jurisdiction the case was transferred on a change of venue to the court of Justice Lynn.

The case involves the question of the taking of seventy-four head of hogs from the hog ranch located near Cullom, operated by the estate of the late Harry V. Hayward, the Peters Trust Co., of Omaha the administrators of the estate carrying on the contract of Mr. Hayward for the handling of the garage of the city of Omaha that is used to feed the hogs that are raised on the ranch. In the case the chief evidence of the state was that Mr. Manzer the foreman of the ranch, who alleged that a conspiracy had been planned by Hammond to take the hogs and in which Denham had been involved through his work as station agent at Cedar Creek.

The defense offered testimony at the trial but contended that there had been no crime committed as the defendants had no part in loading or shipping the hogs from the ranch the work being performed by Mr. Manzer and his workers on the ranch and that the money for the hogs which were sold on the South Omaha market had been paid to the owners of the hogs.

The case will probably be tried at the forthcoming term of the district court.

The bonds of the defendants in the case were placed by Justice Lynn at \$1,500 pending the trial of the case in the higher court.

TO PUT IN NEW FRONT

From Thursday's Daily—
The store building just recently vacated by the Herzer bakery which is owned by Plattsmouth lodge No. 6, A. F. & A. M., is to have one of the latest and most modern type of store fronts installed in the next few days.

The material for the new front is arriving and when it is installed will add very much to the appearance of that section of the city and replacing the old front that has been in use for a long period of years.

The store room is to be given a thorough overhauling and will be placed in the very best of shape for the use as a store building and it is expected that the Handy Way grocery of Martin & Jones, now located on South Sixth street, will occupy the building in the near future.

OBJECT TO WILL

From Thursday's Daily—
This morning on the date set for hearing the petition for the probate of the will of the late John Lohnes, of Cedar Creek, in the county court, the matter was postponed as objections were filed on behalf of John G. Lohnes, Mary M. Ragosa and the children and heirs of Elizabeth Terryberry, deceased.

The objectors allege in their petition that owing to his advanced age and feeble condition, the deceased was not competent to make a will and that the instrument offered in the county court was procured by undue influence on the part of John G. Lohnes, William H. Lohnes and Conrad E. Lohnes, sons and heirs of the deceased. The objections were filed by D. O. Dwyer representing the contestants. The case was set by Judge Duxbury for hearing on Thursday, December 2nd.

This room, as well as the bakery itself, has been redecorated and arranged for the greatest advantage in showing goods, and is a very classy place.

A glass partition between the sales room and the bakery permits the public to enjoy the sight of the clean and up to date room where the bread, cakes and pies and other articles are prepared.

HAS A SMOKE SCREEN

From Thursday's Daily—
The interior of the home of V. T. Arn and family on Granite street is in a condition that will require a great deal of labor and expense to repair and place back in condition as the result of a smoke screen that was placed there by an oil stove a few days ago.

Mr. Arn had with several of the family had been enjoying a vacation and were away from home for a few days and during their absence one of the children came home in the morning and lit a small oil stove used for emergency heating and forgetting the stove left it burning while the child continued on to school. The stove continued burning until all of the fuel was exhausted that covered a period of some twelve hours and when the members of the family returned home they were much surprised and shocked to find that the house was a place of wreckage. The smoke had formed a dense fog that settled on the walls and ceilings as well as all over the furniture, bedding and every article that was exposed to the smoke and the result is that the Arn family have a real job of housecleaning before them in the next few days.

Death of Old Time Resident of Cass County

Mrs. Mary L. Hall, Long Time Resident of Near Elmwood, Nebr., Passes On.

At the residence 3716 Fairmount Ave., San Diego, California, Mary L. Hall a native of New York and for fifty-six years a resident of Nebraska, aged eighty-six years, one month and twenty-one days. Mother Hall was one of nine children of whom three survive Mrs. Hall. They are Mrs. John Kent, Mrs. Jennie Shakespear and Nathan Graves, all of Elmira, N. Y.

She was one of the hardy pioneers of Nebraska, coming to the state when hardships and poverty were the common lot of all and when the settlers were drawn very close together in understanding and sympathy as they toiled to lay the foundations for a great state.

Then there were only dim trails leading by shortest route to Nebraska City and the "Falls." No roads, just wild prairie grass blowing in the wind. Tinkling Creek over there with a few cottonwoods and wild plums along the banks. The sky like a blue bowl turned over to meet the green bowl all around the rim of the prairie. Just a wagon on the hill with a lone man and woman and a few tools and household goods. No one to aid them but themselves. Just their hands to do it all to dig and plow and plant and harvest.

Two pygmy people to conquer the brown earth and wrest a living from it and make a home.

This was when church services were held in the scattered school houses and in one of these the good confession was made and in a pond of the creek Mother Hall was immersed by Elder Cress Allen.

Her later years were spent in Elmwood and on June 23rd, 1924, she came to San Diego to live with her children. She was a great lover of the sunshine and flowers and said many times that she did not wish to be carried back to the bleakness of winter, but wanted to sleep when the flowers bloomed the whole year through. It was in accordance with her expressed wish that she was buried amidst the flowers and green lawns of beautiful Glen Abbey.

Funeral services were held on Monday, Oct. 25th, 1926, from the Kent Funeral Home, 2859 Fort Fourth St., San Diego, Rev. W. H. Rust officiating.
