Dainty refreshments were served at the close of the evening by the hostess and which proved a very pleasing conclusion to the entertainment.

### LIFE

To the preacher, life's a sermon,  
To the joker, it's a jest.  
To the miser, life is money,  
To the loafer, life is rest.  
To the lawyer, life's a trial,  
To the poet, life's a song,  
To the doctor, life's a patient,  
Who needs treatment right along

To the soldier, life's a battle,  
To the teacher, life's a school.  
Life's a good thing to the grafter,  
It's a failure to the fool.  
To the man upon the engine  
Life's the making of a grade;  
Life's a gamble to the gambler,  
To the merchant, life is trade.

Life is but a long vacation  
To the man who loves his work.  
Life's an everlasting effort  
To shun duty, to the shirk.  
To the earnest Christian worker  
Life's a story ever new.  
Life's just what we try to make it.  
Brother, what is life to you?

## Ladies Gym Class Organized in This City

Every Tuesday Evening Will Be the Night for Meetings at the High School Gym.

From Wednesday's Daily—  
No more will the business men's gym class be able to hold the standard in athletic work in the city and claim the whole field of pleasant and profitable exercises and training.

The ladies of the city have organized their own gym class and on each Tuesday evening at the high school gym will be able to secure their practice and exercises that will make them physically fit and mentally alert for their daily tasks.

The new physical training class will be under the direction of B. E. Woodward, physical training director of the Plattsmouth city schools and who in his experience and skill in this line of work will prove a very valuable trainer for the ladies.

The new class will be open to all of the ladies of the city and will be the first opportunity for a number of years for the ladies to enjoy the opportunity of securing the physical training and exercises that are so beneficial. The last of the ladies physical training classes was that conducted by E. E. Wurl at the German Turn-Verein here a number of years ago and that the ladies of the city will appreciate the class there is not the slightest doubt.

The new class will be open to all of the ladies of the city.

### LAST OF THE WEDDING

From Wednesday's Daily—  
The last offering of "The Woman's Wedding" was presented last evening at the Parmele theatre before a large audience that taxed the capacity of the theatre and which was kept in a roar of laughter by the antics of the gentlemen who comprised the cast.

The skit had been one of the greatest successes in the way of amateur dramatic entertainments that has been offered in this city, winning for the members of the cast many new laurels as entertainers and affording the public many hearty laughs at the funny effects that the gentlemen gave in their various feminine roles.

As the result of the play the ladies of the P. E. O. society will realize a neat sum for high school and other educational lines of work in which they are assisting many students.

The Plattsmouth men who made possible the great success of the event by their personal services are to be commended at helping in a good cause and furnishing the public with a pleasing entertainment.

We have a few of the Cass county maps showing every man's farm, and will close them out at 50c each. Call at Journal office and get one now.

From Wednesday's Daily—  
The W. H. E. S. club held a very interesting meeting at the home of Mr. and Mrs. J. P. Falter last evening, being the guests of Miss Mildred Schlater and the event was one of the most pleasant that the jolly organization of young ladies has enjoyed for some time. The event was arranged as a bridge party but the members decided to make a diversion of the evening entertainment and the time was spent in plying the busy needle in making many articles of needlework. There were some ten of the ladies present and the time passed very pleasantly in the interest of the needlework. At a suitable hour dainty and delicious refreshments were served that added to the enjoyment of the occasion.

### SOVIET SEEKING KING ASPIRANT

Kiev, Russia, Nov. 6.—Soviet police are seeking another spurious pretender to the Russian throne, who turned up here in the person of a youth by the name of Nikander Malakhov, bearing a resemblance to the slain czarévitch.  
Malakhov, who evaded the police told several large groups of peasants that he had been saved from death by a nurse at the time of the slaying of his family. He promised the peasants large grants of land if they would support his claim to the throne. The young man offered up daily prayers and even held court collecting money from gulleless natives, telling them he intended to fight the bolsheviks with the support of foreign powers.
