

These Improvements are Important

There are two general classes of motor car improvements. Those made primarily for their effect on the public—and those made primarily for their effect upon the car.

You will perceive at once that Dodge Brothers new five-bearing crankshaft, two-unit starting and lighting system, air cleaner and other recent improvements, are the sort that represent genuine value.

They are sound and substantial betterments, producing definite and marked results, and as such they are typical of Dodge Brothers methods and product.

Reserve Officers Dine and Frolic at Hotel Perkins

Elect Officers for the Year for Cass-Otoe County Reserve Association.

From Saturday's Daily—
Last evening the members of the Cass-Otoe county reserve officers association met at the Hotel Perkins in this city for the purpose of enjoying a fine dinner arranged by the hotel management as well as the election of officers and the other business that might come up.
The committee in charge of the program had arranged a very pleasing entertainment for the banquet and which was enjoyed as the members of the party partook of the fine menu that had been arranged for them.

Miss Vestetta Robertson was seen in a group of dances that were very gracefully and cleverly presented and reflected the greatest credit on the young lady.
Mrs. Joseph A. Capwell and Mrs. Robert Reed favored the members of the banquet party with a platoon that was very artistically presented by the ladies who are among the leading musicians of the city.
Mrs. Capwell gave two dramatic readings that were very much enjoyed by all of those in attendance.

After the close of the dinner and the program the members of the reserve heard a short talk by Captain Harvey of Fort Crook, who is the executive officer of the 51st infantry of the reserve. Captain Harvey spoke on the co-operation of the regular army with the reserve forces that in wartime will form one of the units of the national defense.
Captain V. E. Tyler of Nebraska City was also heard in a short and very interesting address that pleased all of the members of the banquet party.

From Saturday's Daily—
This morning Bert Reed, sheriff-elect, with Mrs. Reed was in the city visiting for a short time and incidentally looking over the residence of the sheriff in the county jail building and where the Reed family will make their home after the first of the year.

Mr. Reed has become more or less acquainted with the Plattsmouth people in the course of his long residence in the county but this is one of the first visits of Mrs. Reed here to become acquainted with her new home for the next few years. Mr. and Mrs. Reed were entertained at the residence of the sheriff and Mrs. Stewart and enjoyed a very pleasant stay in the short time that they were here. They will probably move to the new home in the early part of January as soon as the building will be at their disposal.

Local Post of American Legion Will Remember Little Ones With Candy.

From Thursday's Daily—
The very pleasant feature of the Christmas time last year when the Nebraska Gas & Electric Co. arranged for the lighting of the large cedar tree in front of the Cass county court house and the American Legion secured and distributed sacks of candy to the children of the community, will be repeated again this season.

The Legion at their meeting last evening at the office of the chamber of commerce acted to carry out the candy distribution for the children and which will be directly in the hands of Santa Claus as the Legion has arranged this matter with Santa who is also a veteran and he will be here with bells on when the distribution will take place of the candy on Friday evening, December 24th at the Christmas tree.

The Nebraska Gas & Electric company who have a real community spirit will be in on the Christmas festival with the Legion in the arranging of the tree on the court house lawn and these two organizations will do their stuff for the benefit of the youngsters and their elders who may be present at the big Christmas tree.

The Legion will raise their funds for the tree from their own membership by donations and with the splendid response that the members gave last year there is no doubt that the post will realize a fine sum to apply to the work.

The committee on arrangements for the Christmas festival as announced by Commander Henry G. Soenichsen will consist of Judge A. H. Duxbury, Frank Smith, Thomas Walling and Garold Holcomb and they will at once start the planning of the event that will take place three weeks from Friday.

Last year the Legion gave away some 800 sacks of the candy through their old friend Santa and the attendance this year is expected to be much larger if the weather conditions will permit as the last Christmas eve was one that was bitter and cold.

Every Legion member who can find it possible should get in touch with the committee and give their contribution, anything from 50c up being accepted for this purpose.

FORMER CASS COUNTY MAN SERIOUS ILL IN TEXAS

We are very sorry to learn of the serious illness of Lowell B. Stoner at San Antonio, Texas, where he has conducted a large and prosperous hotel business for a number of years. Mr. Stoner is a former Cass county man, having spent his boyhood and young manhood years in Weeping Water and at Louisville. He taught the Oak Grove school at that time, also.
The news reached this office thru his sister, Mrs. Carl Stamm, wife of our local baker, who was in town Monday. Mrs. Stamm informs us that her brother has been ill since last spring and was in the hospital in San Antonio at the time of his brother Ernest's death at Papillion last May. He improved somewhat and was able to be back at his office in the hotel when he was stricken a second time several weeks ago and he is now confined to the hospital with a special nurse and he is considered to be in a serious condition.
Mr. Stoner was highly respected in this locality and has many warm friends in the county who will learn of his condition with great regret.—Louisville Courier.

MARRIED AT RISING CITY

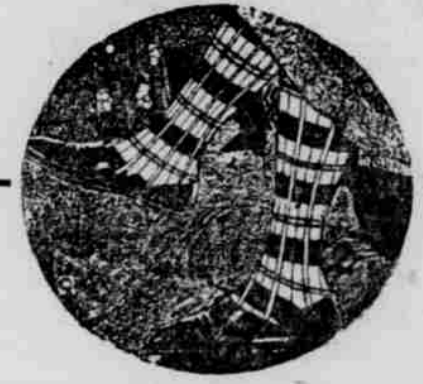

Henry Wolf and Miss Ella Ewerth rather put one over on their friends Wednesday of this week when they motored to Rising City and were united in marriage by Rev. Vosler, former pastor of the English Lutheran church of this place. The intentions of the young people had been suspected by their friends, but the details as to time and place had been withheld. After the ceremony they continued their trip to Red Cloud for a brief visit with Mr. and Mrs. Emil Polnick.

Both the contracting parties are well known to our readers, having been reared in this community, and each has a host of friends who will wish them a long and prosperous journey through life. The Beacon joins in extending congratulations.—Eagle Beacon.

RETURNS DIRECTED VERDICT

From Saturday's Daily—
The jury in the case of the Plattsmouth State bank vs. Willie Meierdierk, returned a directed verdict yesterday afternoon in which they found for the plaintiff and failed to assess any damages in the case.
This was an action where the bank held a chattel mortgage, foreclosed and sold the property covered by the mortgage, the price not covering the amount of the mortgage. The jury in failing to set any amount as the damages to the bank for not having the property turned over to it on their first demand, leaves the amount secured by the bank as that realized at the sale. After the trial of the case the court directed the jury to find for the plaintiff, they to pass on the question of damage.

Find Farm Hand Dead in a Barn Near Louisville

Emil Foreman, Who Had Been Working at Fred Stohlman Farm Found Dead Today.

From Saturday's Daily—
This morning when members of the Fred Stohlman family residing on a farm near Louisville, came to the barn to look after the morning work, they were startled to discover in one of the stalls of the barn the lifeless body of Emil Foreman, a hired man, who had been making his home at the Stohlman farm for a short time.

The family were shocked very much at the discovery as it was supposed that the hired man had gone to Manley or Louisville as he had not returned to the house during the night and his death was wholly unexpected as he had been apparently in good health altho the death was undoubtedly caused by heart failure.
The dead man had been living in the vicinity of South Bend and Louisville for the past several years altho he has no relatives in this country as far as known, as a brother and sister are living in Germany. He was 65 years of age.

The deceased man had been helping in the building of a shed at the Stohlman home yesterday and about 4 o'clock yesterday afternoon he announced his intention of going to Manley and had started off to that place. Evening came and night and the hired man had not appeared and it was thought that he had gone on to Louisville and was waiting for the chance to get a ride home. Nothing more was thought of the matter until this morning when the lifeless body of the man was found in the barn, he having evidently set down

and fell over on his face in a dying condition.

The family at once notified County Attorney W. G. Kieck who with Sheriff Stewart drove to the Stohlman farm where the body was found, to look over the situation and determine whether an inquest was necessary or not. The cause of the death was so apparent that there was no reason to suppose that the death had been other than natural.
