

Lewis E. Smith Heads Veteran Masons' Order

Succeeds Edward C. Jackson, Blair, as President of Association; Louis Berka Named Secretary.

From Tuesday's Daily— Lewis E. Smith of Omaha was elected president of the Nebraska Veteran Free Masons' association Monday at the annual dinner meeting at the Masonic temple in Omaha, with 75 members present. During the last year Mr. Smith served as first vice president, and, since the resignation last November of Francis E. White, who had been secretary for 26 years, had been acting secretary.

Matthew A. Hall, Omaha, first vice president; Arthur C. Stem, Chadron, Neb., second vice president; Millard N. Robertson, Omaha, third vice president, and John H. Moore, Lincoln, fourth vice president. William J. Dobbs and Elmer E. Zimmerman, both of Omaha, were elected stewards. The retiring president, Capt. Edward G. Jackson, Blair, Neb., was the last of the civil war veterans in office in the Masonic order in Nebraska. He is 82 years old and has been a resident of Nebraska since 1867. The new president, Mr. Smith has been active in the Masonic order for 28 years and has served as grand master of the grand lodge of Nebraska grand high priest of the grand chapter, Royal Arch Masons, and grand master of the grand council, Royal and Select Masters. At the present time he is grand secretary of all these bodies and of the grand commandery, Knights Templar. Upon motion of Judge Henry H. Wilson of Lincoln, it was recommended to the grand lodge that members of the Masonic order who have served the fraternity for 50 years or more be recognized in some manner. Two modes of recognition were suggested, a silver badge and exemption from dues.

An unusual number of high Masonic officers were elected members of the association. Among the 17 new members are Edwin D. Crites, Chadron, grand master of Masons in Nebraska; Dr. A. S. Pinto, Omaha, grand high priest, grand chapter, Royal Arch Masons of Nebraska; George T. Sprecher, deputy grand commander, grand commandery, Knights Templar of Nebraska and Ambrose C. Epperson, past grand master. Twenty-one years of service in the Masonic order is a membership requirement. Mr. Hall gave the address of welcome. Other speakers were Mr. Crites, Dr. Pinto and James M. Robertson, grand commander, grand commandery, Knights Templar of Nebraska, and president of the Nebraska Masonic home.

Aged Man is Found Dead at Weeping Water

Swan Johnson, Aged 70, Resident for Many Years Found Dead in Bed Today.

This morning a message was received here by County Attorney W. G. Kleck, county coroner, informing him of the fact that Swan Johnson, an aged man and long time resident of Weeping Water had been found dead in his bed at his home in that city. In accordance with the message the county attorney and Sheriff Bert Reed motored over to investigate the matter of the death. Mr. Johnson has been a resident of Weeping Water for a great many years and was making his home with John Lundeen, a former associate in the quarry work at Weeping Water, the two men maintaining bachelor quarters in a building in the main part of the city. For some days Mr. Johnson has

been complaining that he was not feeling well and seemed to be suffering from an attack of heart trouble, but yesterday he seemed some better and had so stated to Mr. Lundeen when he retired last evening. The fact of his death was discovered this morning between 5 and 6 o'clock when Mr. Lundeen sought to arouse Mr. Johnson and was startled to find the lifeless body of the friend. It is thought that the unfortunate man had a stroke during the night that with the weakened condition of his heart made death a matter of but a few moments and he had passed away without a struggle. There are no relatives at Weeping Water and the only known relative is a brother residing at Friend who has been notified of the death and is expected to reach Weeping Water today. It is thought that the body will be laid to rest at Weeping Water where the deceased had made his home for a great many years and where he had a circle of very warm friends and acquaintances. As there was no reason to suspect other than natural death there was no inquest held by the county attorney, death seemingly being from the effects of the heart attack.

Supreme Court Holds Checks Must be Cashed

Holder of Check Loser if Bank on Which It Is Drawn Fails Before Check Is Presented.

From Wednesday's Daily— The state supreme court at Lincoln Tuesday passed on the matter of the liability of the drawer of a check when the check is not cashed before the failure of the bank on which it is drawn. The court held that a check drawn on a bank should be presented for payment at once by the payee, the court holding that if such was not done the failure of the bank in the interim between the receipt of the check and the presentation of it, would result in a loss to the holder of the check. This decision was in the case of Oscar Swanson against Swan Lundberg, who, the plaintiff averred, had given him a check in payment of a mortgage, which, when deposited
