The death of George C. Lindsay, former resident of Plattsmouth for a great many years, occurred yesterday at 1:15 at the St. Joseph hospital in Omaha following an illness that has covered the past year and which has offered but little hopes to the members of the family for the recovery of the husband and father.

CALLED ON INVESTIGATION

From Wednesday's Daily—
Yesterday Sheriff Bert Reed and Deputy Sheriff W. C. Schaus were out at South Bend to investigate some matters relative to the taking of a part of the moving picture machine from the Murray town hall a few days ago and which it had been thought had been taken by a traveling picture show outfit and which had stopped at South Bend. The sheriff and deputy made a search for the missing parts of the picture machine but without success. The matter was not reported until some time after the parts had been missing and which makes the task of locating them very difficult.

Charles A. Patterson, well known banker of Arapahoe and vice-president of the Farmers State bank of this city was here today visiting with the relatives and many old friends.

"Why don't you blow your horn?"

"Who do you think I am, Little Boy Blue?"

You can't always avoid accidents by blowing your horn... nor by exercising care in driving your car... you have always to reckon with the carelessness of others.

That's why you need complete automobile insurance written by this agency of the Hartford Fire Insurance Company.
