FEBRUARY

Clean Sweep Sale

TO FURTHER REDUCE OUR STOCK AND MEET REMAINING OUTSTANDING BILLS!

Raising \$25,000 in thirty days is little short of a herculean task, even with a stock and prices like we have been making the past month. Enthusiastic buyers flocked to our store throughout January to share in the wonderful values advertised, often taxing our capacity to efficiently wait on trade, and although daily cash sales established a new high record in the history of our business, averaging nearly \$500 for each business day, the month's total is but \$15,000. We are still confronted with the necessity of raising an additional \$10,000 to pay our outstanding obligations brought on thru failure of the First National Bank in December, and in order to do so, will feature NEW and "CLEAN SWEEP SALE" prices into February. You cash will continue to buy marvelous values in Staple Groceries, Dinnerware and House Furnishings — lower prices than big chain stores advertise as "leaders." Watch our ads for continued announcement of our February "Clean-Sweep" prices that will save you money. H. M. SOENNICHSEN.
