

Nehawka Department!

Henry Knabe and son, Edward were looking after some business and also visiting with their many friends in Plattsmouth on last Friday.

Mrs. John O. Yesiser was a visitor in Omaha for a number of days during the past week, returning to Nehawka on Sunday afternoon.

Mrs. C. D. St. John and son, Howell, were visiting in Omaha on last Saturday and were interviewing an eye specialist, regarding their eyes.

Otis Keene of Union, was a visitor in Nehawka on Monday of last week and was looking after some business matters for a short time while here.

G. W. Cheney and family of near Union were guests at the home of Mr. and Mrs. R. C. Pollard at their beautiful home at Nehawka on last Sunday.

Frank Boedeker and family who are making their home for the present at Craig, were visiting with relatives for over Sunday in Nehawka and where they enjoyed the occasion very much.

Raymond Berger of Plattsmouth, representing the Plattsmouth Motor Co., was a caller in Nehawka and was looking after some business for the motor company in this place Monday of this week.

L. F. Langhorst, who is representing a wholesale collection agency, accompanied by his son, Will Langhorst, as driver, were in Nehawka looking after some business matters in their lines on Monday of this week.

Albert Anderson and the family were visiting on Friday of last week at the home of Mr. and Mrs. Frank Horstman of near Burr, where all enjoyed the occasion very much. Mesdames Anderson and Horstman are sisters.

W. T. Schlietmeier, who has been on the sick list for some time with an attack of La Grippe, has so far recovered that he was able to be down town on Monday of this week, and was preparing to do some seeding of sweet clover.

Genuine Early Red River Olic potatoes, for seed, very nice large smooth potatoes, good to eat as well, only two dollars per bushel while they last, there being not a large quantity left. At the F. P. Sheldon Store, Nehawka.

Edwin Schumaker, who has been at the hospital at Nebraska City for some time and where he underwent an operation for the correction of appendicitis, is reported as getting along nicely and his many friends will be greatly pleased to learn of his good progress.

J. W. Murdoch and family of north of Nehawka, were guests on last Sunday at the home of Mr. and Mrs. Hugh E. Warden of near Union, where all enjoyed the visit very much. Mr. Hugh E. Warden is blessed with a great addition to his sheep family, by a number of lambs.

Most of the people in Nehawka, who are interested in Basketball and that is about all of the people, were in attendance at the basketball tournament at Avoca on last Saturday.

R. C. Pollard and family were there the two days. Everybody who went enjoyed the games very much.

Harold Kimlon and family during the past week moved from the place on the "O" street road near Charles Christweiser near Murray, where John Atkins has been living, while that gentleman has moved to near Forest Philip's farm and will work with him this coming season.

The busy workers of the Methodist church, the ladies society, were meeting last Thursday at the home of Mr. and Mrs. R. C. Pollard, where the ladies were doing the work which their society was organized for and were later entertained by Mrs. Pollard with a very delightful luncheon.

Albert Willis, who does not believe in the Henry Fields manner of doing business was placing on display his stock of garden seeds which he received from D. M. Ferry, and which he is selling at about one-third the price of the mail order house, who advertise so strongly. Better see your local men, of which Nehawka has four, and all are reliable.

Nels Anderson, who was compelled, some time since, to turn his poolhall over to other people, has sufficiently recovered his health that he is able to take charge of the business again.

Edward Woods has been in the place for some time past and as the spring season is now nearing, he has become restless as he is desirous of getting out into the open again, and working at his trade. Mr. Anderson is again strong and in good health and is wanting something to do, and an agreement was easily made whereby an exchange was consummated and they are both well satisfied.

People Want Better Gas This is demonstrated wherever there is an installation of the Ethyl Gas and was singularly demonstrated by the opening of the new gas pump which serves Ethyl gas by Ole Lundberg. Mr. Lundberg says notwithstanding the higher price by three cents per gallon, most people are desiring and using the new gas in preference to the old style.

Enjoy House Party. At the home of Mr. and Mrs. Henry Wessell for over the week-end there were Carl Wessell and wife, of Nehawka, Misses Velma Wessell, Margaret Watson, Margaret Taylor, Harold Griffith and Arno Wessell, all of Omaha, which made a merry party.

After a most pleasant day they all started for Omaha a portion of the party having cars which they had intended to return to Omaha in, and the others being taken to Plattsmouth to catch the evening train. As they were nearing Murray Sunday evening the foremost car was struck by a car coming south and the gentleman which was Jess Chambers of Murray came and arranged to have the car made good again, it being taken to the Murray garage. The others hastened to Plattsmouth, where they just arrived in time to catch the train for Omaha.

Hold Excellent Sale. On Washington's birthday, February 22nd, Harry M. Knabe held his fifth annual bred sow sale, which was well attended, and where many buyers were present. There were buyers from Nebraska, Iowa, Minnesota, and Indiana. The greatest number coming from Iowa outside of Nebraska. The stock, which is grown by Harry is well and favorably known over much of Iowa, and hence the great demand for this strain from that state. Harry has just completed the shipments on last Monday. His sales were most gratifying, as his average from the catalog show \$38.50, with some going as high as two hundred dollars for a single sow.

Mr. Knabe has made a signal success of his breeding and raising of this particular line of swine, the famous Hampshire. He has a number which he had not listed which he is offering for sale and they are excellent individuals, some pigs and boars, and anyone desiring a start in a herd could not do better than to get some of these excellent hogs.

Home From Hospital. Mrs. Albert Wolfe, the manager of the Telephone exchange of Nehawka, who has been troubled from an injury of one of her eyes which occurred some twenty-one years since, and which has been giving this excellent lady much trouble of late and on last Wednesday she went to Omaha to the Methodist hospital where she underwent an operation for the removal of one of her eyes and has since been at the institution convalescing, which ended with a most enjoyable supper. The day was most appropriately spent by the friends and neighbors of Mr. Ross. There were present for the occasion, Albert Anderson and wife and their little son, Henry Ross, Martin Ross, A. J. Ross and their families, Daniel Anderson and family, Ernest Ahrens and daughter, Miss Clara, Rudolph Hart and family, Messrs. Missing Out This Year. John Knabe, and his little grandson, both are losing out this year as their birthdays come, when they do come, which is once in four years, on the twenty-ninth of February, but as there were not enough days to go round this year they are putting off the celebration of the passing of the event until next year.
