S. Peter Madsen Is Called to His Last Reward

Aged Resident of the City Passed Away Last Night—Seventy-Nine Years of Age.

From Thursday's Daily—
The death of S. Peter Madsen, one of the aged residents of the city, occurred last night at the family home in the south part of the city, death coming as the result of several months' illness due to cancer which had in the last few days made the recovery of Mr. Madsen beyond hope and who had gradually been sinking in the last few days.

S. Peter Madsen was born in Germany February 29, 1848, and spent his younger years in that country where he was married on July 7, 1875 to Miss Agnes Catherine Peterson. The family came to Plattsmouth in 1884 and have since made their home in this city. Several years ago Mrs. Madsen was called to rest and since that time Mr. Madsen has made his home largely with the children, who have cared for him and in his last hours he was cared for by the daughters, Mrs. L. E. Lancaster and Mrs. Robert Neil, as the grim messenger drew near.

In his residence here Mr. Madsen has been one of the quiet unassuming citizens who by his efforts and interest in the city has contributed to its advancement and growth and in his own way did all possible to assist his fellow man and to be a useful citizen and in his going he leaves a place in the hearts of a large circle of friends that will be hard to replace.

There remains to mourn the death of this good man five children, John Madsen of Luverne, Minnesota; Henry Madsen of Red Lodge, Montana; Emil Madsen, Tacoma, Washington; Mrs. Robert Neil of Delray, Florida, and Mrs. L. E. Lancaster of Plattsmouth. There are also eleven grandchildren and two great grandchildren surviving.

SHOW REAL TALENT

From Thursday's Daily—
Those who had the pleasure of attending the musical comedy, "Polished Pebbles," at the high school auditorium on Tuesday evening, were most impressed with the splendid manner in which the members of the cast carried out their part of the evening's offering. The realistic manner that the various characters were presented by the Junior high boys and girls.

The principals of the cast had a great deal of dialogue to present and which was well given and made a marked difference to the realistic manner of the audience who recalled the old fashioned school entertainments. The group of characters in the musical comedy brought out some clever little actors and actresses. "Mrs. Gabriel," the village gossip, Miss Sena Woodruff; "Mrs. O'Brien," the haughty Parisian lady, Miss Yvette Robinson, with "Millicent and Winifred," daughters of "Mr. O'Brien," Misses Maxine Clouid and Madge Garnett, had a great deal of character work as did Miss Margaret Shellenberger as the country girl, Miss Jean Hayes as the prima donna of the orchestra, was, as always, very pleasing while the boys in the cast, James Bergley, as "Nick," James Comstock as "Snowball," and Richard Edwards as "Mr. Babble" with Edward Eszenberger as "Uncle Bob" showed much skill in their work and developed some real "stage stuff." Here with all of the members of the chorus proved a real treat.

The change of the years when the giving of some recitation was the limit usually of a child was most marked and the advancement of the boys and girls of today most noticeable.

DOES GIVE DANCE

From Thursday's Daily—
Last evening the Does of this city gave a very pleasant dance at the Eagles hall that was quite largely attended and the members of the dancing party enjoyed themselves to the limit until the midnight hour. The ladies were disappointed in the fact that the Pat Kroh orchestra, that they had contracted to furnish the music for the dance failed to materialize and the committee was not notified of the fact until the dance was to start and the orchestra that was sent from Omaha arrived. The dance was most pleasant however and the persons attending had a most delightful evening.

These acts will be a pleasant and lasting memory as long as life shall last.—The Children of Joseph Veternik.

Overheated Stove in Cafe Causes Fire

Main Hotel Scene of Some Excitement in Small Sized Fire—This Mornig.

From Thursday's Daily—
The overheated range in the kitchen of the Hotel Main cafe this morning caused a small fire that for a short time threatened serious results to the hotel building but which by the very energetic efforts of the members of the fire department was put out with a small amount of loss to the building.

The cafe is located in the basement of the hotel building and as the morning meal was being cooked the stove was overheated and caught the wall back of the stove and burned some little time before the fire department could reach the scene of action and apply the chemicals to the blaze that resulted in it being put out, as the fire was well confined and was handled very nicely with the chemical tanks.

The huge clouds of smoke formed from the smouldering wood rolled up through the stairway and walls to the first floor of the hotel and had the lobby and office of the building filled with the smoke. It was necessary for the firemen to remove a part of the wainscoting in the lobby to ascertain if the fire had penetrated that far up the walls of the building.

CAMPFIRE GIRLS MEET

From Friday's Daily—
The Campfire girls had one of their most pleasant meetings of the season last evening at the home of Miss Vetteta Robertson, one of the active workers in this helpful and live girl's organization. The hostess and members of the party had staged a very clever entertainment for the evening and the fun and pleasure was equal as the guests arrived, all garbed in the costumes of well known comic strip characters, there were Mac and Kelly, Mr. Appleby and Andrew's Pop, "VI Joe" and "Neighbors," "Three Jolly Gobs," "Jack and Jill" and a pair from the Ziegfeld "Polities" to add their part to the fun and pleasure of the evening.

The Robertson home rang with merriment as the members of the party spent the time in dancing until the hours for the campfire when all adjourned to the outdoors where a roaring campfire was prepared and in the glow of which the dainties were disposed of by the campfire girls.

The Robertson home rang with merriment as the members of the party spent the time in dancing until the hours for the campfire when all adjourned to the outdoors where a roaring campfire was prepared and in the glow of which the dainties were disposed of by the campfire girls.

It was a late hour when the members of the party wended their way homeward expressing their pleasure at the fine time that had been afforded them.

GIVE FRIEND FAREWELL

From Friday's Daily—
The young people of the First Christian church to the number of forty gave a very pleasant farewell on Wednesday evening to Ralph Rolland, one of the members of the high school faculty who is leaving the city at the close of the school year. Mr. Rolland since his coming here has been very active in the work of the local church and his departure brings much regret to the friends who have enjoyed his splendid services in the church and school.

The members of the party Wednesday evening staged a farewell along the banks of the Missouri river near the Burlington bridge and here they had waffles roasted and marshmallows toasted, which formed the basis of a very delicious luncheon that everyone enjoyed.

At the close of the evening the members of the party departed homeward expressing their regret at the fact that Mr. Rolland was soon to leave the city to take up his school work elsewhere.

Wm. H. Rainey, an Old Resident, Passes Away

Member of Pioneer Family Passes Away After Illness of Some Months' Duration.

From Friday's Daily—
Last evening at the family home on Elm street, William H. Rainey, one of the well known residents of this city passed away, death coming after an illness of several months' duration and in which there had been but little hope of the recovery of the patient.

The lifetime of the deceased had been spent in this locality as he was born on February 24, 1848, in Miller county, Iowa, and there and in this part of Nebraska he has resided continuously until the final summons to the last long rest.

Mr. Rainey was a son of Mr. and Mrs. Andrew J. Rainey, pioneer residents on Mills county, and was one of the family of fifteen children. Mr. Rainey came to Cass county with members of his family in 1880 and has lived in the eastern portion of Nebraska since that time. He was married on March 20, 1898 at Peru, Nebraska, to Miss Alma Parriott, the young people after their marriage having made their homes on several farms near Murray, Stella, Elmwood and Union, finally coming to Plattsmouth in 1908 and residing on a farm near this city and later moving into the city where the children were educated. Of the family circle there remains the wife and six children, Merle Rainey of New York City, Misses Clara and Isabel, Mrs. Earl Becker, Donald and Wilma, who reside in and near this city. The aged mother, who is in frail health, is also surviving as well as several brothers and sisters, Mrs. Nora Mapes, Mendon, Nebraska, Oliver Rainey, Wood Rainey, James Rainey of this city, Mrs. Mary Ingham of Texas, Earl Becker, Donald and Wilma, who reside in Iowa and Floyd Rainey of Omaha.

The deceased was one who lived his life quietly and peacefully, his acts of assistance to others less fortunate than himself being made with true christian feeling and many have been aided and helped in the struggle of life by Mr. Rainey whose greatest award was the satisfaction that these unselfish acts brought to him. In the community where he has lived so long his passing brings a great regret from a large circle of friends.

Drum Corps Cops Prize at Shubert Meet

Plattsmouth Legion Post Lives Up to the Reputation "A Live Town—A Live Post."

From Friday's Daily—
With perfect weather, Shubert, in the "heart of the apple country," was the mecca yesterday of several hundred American Legion members of the First congressional district, including forty representatives of the Plattsmouth post.

The large and enthusiastic delegation from here comprised the drum and bugle corps and individual members of the post, including Mrs. Kathryn Lugsch, one of the few lady Legionnaires of the district.

The cars began leaving as early as 7 o'clock in the morning and continued up until noon, all getting there in time for the parade at 3:30 in the afternoon.

Although not as long as the parade here last year, the formation that passed the reviewing stand was very creditable to a town of Shubert's size. The Plattsmouth gang had a place near the front of the marching column and furnished music throughout the line of march comprising a dozen blocks, alternating with drum beats, drum and bugle music and the singing of Bruce Rosenbrans' new "Nebraska" song, and got a hand all along the line of march.

The other posts of the district were represented with various sized delegations, none of them larger than the combined Plattsmouth bunch, but inasmuch as drum corps were competing for a separate prize, only the accompanying members were counted in the awarding of \$10 to the post having the largest number of members in line of march, this prize going to Pawnee City.

The Elmwood post drum and bugle corps was present and made a good showing, but the judges were unanimous in awarding the \$25 prize to the Plattsmouth post corps.

Following the parade a spirited ball game was engaged in between the Shubert and Falls City teams. The Shubert boys smacking the old apple around to come out at the long end of the score.

The much touted cider barrel was brought in from eight months' cold storage at Falls City and tin cups were hung around the barrel in great abundance. The barrel had a hard run made on it by thirsty Legionnaires, but lasted until well along in the evening.

A program of boxing and wrestling was pulled off at about 5:30 and was followed by the mess call which called the several hundred Legionnaires to the basement of the Christian church to partake of a splendid feed provided by the Shubert ladies. Potato salad, meat loaf, baked beans, hot rolls, pie and coffee comprised the menu, and each guest was presented with a large, luscious apple to round out the meal. An orchestra provided music during the more than an hour required to serve the assemblage, except for a break when Bruce's new song was introduced, the composer playing the accompanying and the Plattsmouth quartet leading the singing. It was received with great applause and several encores were necessary to appease the demands of the eating crowd.

After the supper hour came the district business session at the Legion club rooms in the municipal building. All available seats were taken and many forced to stand. Department Commander Frazier, Adjutant Collins, National Executive Committee, man Reynolds, France Travel Officer Johnson and District Committeemen Peterson and Ball were among those present, Peterson presiding over the meeting and the rest giving short speeches.

The main address of the evening was by National Vice Commander John Curtis, of Lincoln, who is well known here, having spoken at a recent Happy Hundred banquet and a Legion banquet some two years ago. John lived up to his reputation of a rapid-fire speaker and received great applause at the close of his all too brief speech, filled with good ideas and suggestions of service on the part of the American Legion.

In the awarding of prizes, Plattsmouth post was given \$25 in cash for the best drum corps; Pawnee City \$10 for largest delegation in line of march; Tecumseh \$15 for best float from towns under 1,500 population; Verdun \$15 for best float from the six towns sharing membership in the Shubert post. None of the towns of over 1,500 entered a float and their prize of \$15 went by default.

Roll call of the posts was responded to with a report of the number present, and again it was demonstrated that although having the greatest distance to go of any post represented, except Lincoln and Elmwood, Plattsmouth post had the largest percentage of its members present at any point in the district.

The "Nebraska" song was introduced in group singing at this evening session and very enthusiastically received. Commander Frazier and all

the state officers were loud in praise of the song and believe it will be adopted at the state convention in August as the official Nebraska American Legion song.

Just before adjournment came the awarding of the next convention and in response to an invitation from Commander Grassmuck, to come to Nebraska City in 1928, the convention was unanimously awarded to the Otoe county metropolis and "northenders" will be assured of a short trip to next year's scene of activities.

A rain was blowing up just as the meeting adjourned and cars were soon hitting the road for home, driving thru blinding sheets of rain, but this made no difference as the road is gravelled all the way, and by 2 o'clock this morning all the Plattsmouth boys were safely home.
