AN AMERICAN AMRITSAR

Ocotal, in the mountains of Nicaragua, and Amritsar, in the Indian Punjab, are physically separated by the Pacific Ocean. In their political significance they may not be so far apart as that.

In 1920, when the people of the Punjab were aroused by two irksome sedition laws imposed upon them by the government, British Troops stationed at Amritsar fired upon the natives, with terrible consequences, ome 1,000 men, women and children being killed. Gen. Dyer, who was in command, reported that the mob. seeking to secure release of two of Suggested slogan for the Legion: their number under arrest, attacked the troops, who thereupon opened fire, though the mob was in part Germany's unemployed is 1,000,- made up of women and children, even mothers with babes in their arms.

It approximated what American Cunning is not genius. This is an Marines stationed at Ocotal did a week ago last Sunday. When the revolutionary army fired upon the American position part of the townspeople went out and joined in the at-Mounted police in Morrocco are tack, a sufficient commentary, surely, upon the popularity of our occupation. Fighting with such crude Industry thrives whether the sun firearms as they could rustle, as we wretched inhabitants, crazed by love Maybe the president is trying to of country and resentment of its worm his way into the heart of the desecration by a foreign foe, exposed themselves to the crack armament of the most powerful country in the The girls used to apply irons to world, which, with machine guns, shirt fronts. Now they use them on quick-firing cannon and bomb-dropping planes, quickly snuffed out the lives of 300 Nicaraguans and reduc-The government spends money to ed their sublime sacrifice to the hol-
