

Alvo Department

Simon Rehmeier was a visitor with friends and relatives in Omaha for the day last Sunday, making the trip in his car.

Mr. and Mrs. C. D. Ganz, who were visiting for a short time last week in McCook, returned home Thursday, after having enjoyed an excellent visit.

Mrs. George Bray, of Syracuse, the mother of Arthur Dinges, was a visitor at the home of her daughter for a number of days during the past week.

John Wood was a visitor in Lincoln last Wednesday, taking a load of chickens to the market and bringing home a load of groceries on his return.

The wind storm of week before last was the cause of much additional work for our genial friend, A. B. Stromer, who had some fifteen poles on his telephone line blown down.

Lee Coatsman, of Elmwood, was a visitor in Alvo on last Wednesday, and was impressed into service by his cousin, Phillip, while R. M. Coatsman and the family were away, at Brownville.

John Coleman, who is at the hospital in Lincoln, where he underwent an operation some time ago, is reported as being much improved, and it is hoped will be able to return home some time during the present week.

Mrs. F. E. Dickerson was a visitor in Lincoln last Wednesday, going in her truck for a load of groceries, as Mr. Dickerson was staying at the store, as well as doing some work there, and Mr. Rosenow was attending a wedding.

John W. Banning and the good wife were visiting in Union on last Saturday and while there saw three thousand of their friends at the Old Settlers picnic, and also remained for Sunday as well, enjoying the trip very pleasantly.

Hal Skinner has just completed the manufacture of a lattice partition in the Dickerson store, which has added much to the appearance of the place. The changing of the two stores of Alvo has made some of the neatest and best arranged places of business that we have seen anywhere in the country.

Someone who told of the ball game between the Alvo team and the Rock Island nine gave us the hope that the Rock Island team had won over the Alvo boys, when in fact the Alvo team were the winners. When you tell again about the game, get the facts, for we are not there and do not know but for what you say. However, we are pleased that the home team won.

William Stewart has been making some repairs to the roof of his building and as it is his practice to keep all his property in the best of condition, he always goes after the repairs before they are really needed, in order to keep the property in the best of condition. Like many others, he believes a step to prevent deterioration is much better than to cure it afterwards.

Seed Rye, For Sale.

Good homegrown and clean, \$1.00 per bu. Call phone 1204, Alvo, Nebraska.—L. B. Appleman. Swal

Met Many Old Time Friends

James M. Manners, who was a soldier in the Spanish American war, and who has many friends who were with him in those trying times, was in attendance at the reunion which was held at Steward on last Sunday, where they were privileged to look upon the flag which first floated over Cavite, at Manila Bay, on that memorable first day of May, 1898. While at the meeting, Mr. Manners met many of his old time friends and enjoyed the reminiscences which all had experienced.

Won in First Bout

Wilbur Steele, who is at the training camp at Ashland, was catered for a boxing match on last Sunday, August 14th, and a large number of neighbors and friends were over to witness the first go and were most agreeably pleased that he was the winner in the first go which he has had.

Had Pleasant Visit

Rev. E. A. Knight, former pastor of the Methodist church of Alvo, was a visitor in town last week, having been east on some business selling grapes, and stopped in Alvo on his return home. He was accompanied by Miss Doris Coatsman, who went to visit with Mrs. Knight for a few days. Later Mr. and Mrs. Coatsman and the children, except Phillip, went to Brownville, where Mr. and Mrs. Knight now reside, and spent a couple of days there and enjoyed a very fine visit. Mr. Coatsman says there is an immense crop of grapes

there and that there will be some fifty cars of this delicious fruit shipped from there, each car containing some 400 bushels.

Seeing the Black Hills

Mr. and Mrs. Frank E. Cook and the children put away the cares of the farm, and with matters looked after by one of their neighbors, loaded their auto with the things necessary for camp life and early last week departed for the northwest, where they will see the mountain scenery and enjoy the wide open spaces, and in all probability will visit Silent Cal and the state game lodge in South Dakota, where he is rusticiating this summer.

Was Buried Friday.

The funeral of the late Tucker Uptegrove who was so seriously kicked one day last week that he died after being taken to the hospital at Lincoln, was held on last Friday and the interment made at the local cemetery. A fuller account of this excellent citizen will be given in the paper of the coming week.

Sunshine 4-H Club Activities.

In spite of the heavy threatening clouds, five of the girls of the Sunshine 4-H club, of Alvo, met at the M. E. church basement on Thursday afternoon, August 11th.

In the absence of the president, vice president, secretary and local leader the girls showed their initiative by appointing a temporary chairman and secretary from among the number present and proceeding with the afternoon's program. When the local leader did arrive, she commended the girls highly for this.

A demonstration of Problem V, "The Use of Vegetables and Fruits" was given by Genevieve Daugherty and Rose Beth Clark.

A short time was devoted to the method of summarizing the record book and making the final report.

Each member received the August Food Habits score card and the final report blanks.

The girls plan to hold their annual Exhibit day Wednesday, August 24, at the M. E. church. They intend to exhibit the canning budget for one person for the eight non-producing months, consisting of 60 pints of vegetables and 42 pints of fruit, as well as various other products, including pickles, jams and jellies.

All interested friends are invited to attend and enjoy the girls' program.

News Reporter.

Farmer Dead from Kick of a Balky Mule

Tucker Uptegrove Passes Away as the Result of Accident in the Field.

Tucker Uptegrove, 55, died early Thursday morning at the Lincoln general hospital as a result of injuries sustained when he was kicked in the abdomen by a mule Tuesday afternoon while working on the farm of Charles Foreman near Alvo.

While working in the field about 4 o'clock Tuesday a mule pasturing there annoyed the team Uptegrove was driving. He tried to chase the mule away but the animal gave him a severe kick in the stomach. Uptegrove was taken to his home on a farm near Alvo. Dr. L. Muir was called and Wednesday afternoon decided to take him to Lincoln.

A Castle, Roper and Matthews ambulance brought Uptegrove to the general hospital where he was placed under the care of Dr. W. G. Becker and Dr. F. D. Coleman. Attempts to revive him were futile and he passed away early Thursday morning.

According to Dr. Becker, Uptegrove was conscious only a short time after the accident.

Mr. Uptegrove is survived by his mother, Mrs. Elizabeth Uptegrove; three brothers, Frank, of Lincoln; Edward L. of Sidney, Neb.; and William L. of Panama, Iowa; and one sister, Mrs. Elizabeth Appleman. Mr. Uptegrove was a member of the Modern Woodmen of America. The body is being held at Castle, Roper and Matthews'.

MARRIED AT BEATRICE

Last Wednesday morning Verl F. Rosenow and Miss Blanch Sutton, the later of near Eagle in company with Mr. and Mrs. Elmer Rosenow, departed for Beatrice where they were united.

Minor homes, departed yesterday afternoon for Topeka, Kansas where she will join Mr. Riddle and pay a visit for a short time to Estes Park and other points in Colorado. Mrs. Riddle was formerly Miss Kathryn Windham of this city.

WELL DISTRIBUTED

Le Suer Center Leader: The St. Peter Herald states that citizens of some localities up north are yelling their heads off at the state highway department, claiming that all the roads being built in southern Minnesota, which the Herald classes mighty poor judgment. On the other hand last Friday the Leader editor met a man in town along No. 7 in the southeastern part of the state, who was dead sure of the road funds were being spent in the northern part of the state. And we have met many similarly minded in this section. Likely the truth is that there are several talking in both instances who do not know what they are talking about. If you want to find out what becomes of the trunk highway funds, just take your old boat some fine afternoon and set out to drive over the 7,500 mile system of the state, and keep it up until you have finished, and you'll likely find that improvements are rather equally distributed as to population and traffic and also further realize the fact that all the roads and not be built in one season, two, five or ten, even if all most unlimited funds were available to do it.

SCHOOL SUPPLIES

Buy your school supplies at the Bates Book and Stationery Store, where you will find the big line at the right price. Everything that you will need for the school year will be found here. We have placed in an exceptionally large line this year and we are in a position to please you in anything that you may want.

PURCHASE FINE FARM

Last week a deal was made, whereby Linder of this place secured 250 acres of highly improved land north of Nehawka, Nebraska, known as the Z. Shrader land. Mr. Shrader took in the 160 acres of land north-west of town owned by Mr. Linder. Frank Linder will move to the farm which his father purchased near Nehawka. The deal was made by John Gakemeier, the real estate man of Murdock. Mr. Linder has one of the best farms in Cass county and has a right to feel proud of this fine farm.—Elmwood Leader-Echo.

What Is a Diuretic?

People Are Learning the Value of Occasional Use.

EVERYONE knows that a laxative stimulates the bowels. A diuretic performs a similar function to the kidneys. Under the strain of our modern life, our organs are apt to become sluggish and require assistance. More and more people are learning to use Doan's Pills, occasionally, to insure good elimination which is so essential to good health. More than 50,000 grateful users have given Doan's signed recommendations. Scarcely a community but has its representation. Ask your neighbor!

BUICK
for 1928

Buick for 1928 gets away in traffic like an arrow from a bow!

Watch the Buicks next time you drive downtown. See how easily they step out in front when the signal changes. And note how they give other cars the slip in the friendly rivalry of traffic.

Truly amazing performance! But amazing only in comparison with other cars. For in every phase of performance Buick for 1928 is equally adept—in the ease with which it attains, and maintains,

the highest speeds—in the way it breasts the steepest hills—and in the way it ignores sand, deep mud and rough going.

Every day, in every city in the land, Buick for 1928 is demonstrating the superiority of the famous Buick Valve-in-Head engine—the engine that is vibrationless beyond belief.

You cannot say you know the full meaning of "performance" until you've driven a Buick for 1928. The nearest Buick dealer will gladly arrange a trial.

State Banking Commission Has Election

E. J. Dempster of Geneva Again Chosen as Vice-Chairman of the Commission.

Secretary Van E. Peterson of the state guaranty fund commission was re-elected by the commission at noon Thursday with an advance salary from \$6,500 to \$7,500. The increase was voluntarily granted by the commission when it re-elected Mr. Peterson and all other officers. No change was made in the salaries of others re-elected. Secretary Peterson resigned some months ago, but later reconsidered his action.

Chairman C. G. Bliss of the department of trade and commerce, presided. E. J. Dempster of Geneva was chosen again to serve as vice chairman of the commission. The other officers re-elected are:

C. G. Stoil, assistant secretary, \$4,800.
G. R. Buckner, assistant secretary, \$4,800.
C. M. Skiles of Lincoln, general counsel, \$6,000.
I. D. Benyon, Kearney, assistant counsel, \$4,000.
G. A. Bryant, chief of real estate bureau, \$4,800.

The members of the commission had reports before them showing that the amount of receivers certificates now outstanding is \$1,780,147.70. Certificates amounting to \$406,817 have been sold the past sixty days. The amount unsold is only \$4,000. In addition the courts have allowed claims amounting to \$230,993.74.

The members of the guaranty fund commission have not gone on record, but there is much discussion among bankers concerning a proposed campaign of education in favor of asking the legislature in 1929 to appropriate funds from the state treasury to clear up any remaining loss to depositors of state banks that may exist at that time, and when all depositors are paid to go back to the present method provided by the guaranty law.

A meeting of state bankers will be held in Lincoln Thursday afternoon presided over by Clyde Davenport, president of the Nebraska state association, to receive a report of a special committee appointed at a former meeting.

The guaranty fund commissioners who met Thursday are: C. G. Bliss, chairman, secretary of the department of trade and commerce; Van E. Peterson, secretary; E. J. Dempster, Geneva, vice chairman; R. O. Brownwell, Schuyler; H. C. Peterson, Chappell; I. A. Kirk, Gibbon; George

I. Parker, Newcastle; Fay C. Hill, Gordon.

MURRAY ANNUAL COMMUNITY PICNIC

Friday, August 26, 1927.

Nobody is going to work Friday August 26, 1927. You can meet your friends and neighbors in Murray on this day and enjoy the entertainment arranged by the Community Club.

The Louisville band will furnish the music for the day. Speaking (foot racing, baseball game, swimming, races, and plenty of entertainment.) Bring your baskets well filled and spend the day with us at Murray. See small bills for programs.

JUMPS WHEN CAR SKIDS

Pawnee City, Neb., Aug. 18.—John Pestinger, farmer of west of this city, was treated at the Pawnee hospital Wednesday for injuries suffered south of Humboldt while returning from a vacation trip to Manning, Ia. Pestinger attempted to jump from his auto which skidded on a slippery road. The car turned into its side and pinned his right leg underneath, breaking the ankle. Mrs. Pestinger and son, in the car, were uninjured, and the former drove the car on to Pawnee City after Richardson county farmers had righted it.

WITCH IN RADIO

The luckless owner of a radio in central Europe was recently attacked and his radio smashed by the superstitious peasants of the neighborhood. They believed the teacher was practicing witchcraft.

Have you anything to sell? Tell the world about it through the Journal's Want Ad department.

SOIL WASHED FROM YARD

Beatrice, Neb., Aug. 19.—James Soward filed a petition today asking \$5,000 damages from the city of Beatrice. The damage is said to have been done to his back yard April 27 when a hard rain storm struck the city and a storm sewer near his place proved to be inadequate. He claims that 100 square yards of earth three feet deep were washed from his yard. The foundation and floor of his garage is also alleged to have been washed away and four or five feet of water got into his basement.
