Colored Boys Grab 12-Inning Game Sunday

Champions of Colored League and Locals Mix in a Close Contest Sunday.

From Monday's Daily—
The U. P. Gold Coast champions of the colored league of Omaha, were here Sunday to mix it up with the Platters on the local lot and as the result of the fast and furious exhibition of the national pastime, the colored boys took home the victory by the score of 5 to 4 and it required eleven innings to decide the struggle.

The visitors had the game all won and in the eighth inning by the score of three to two, when the bat of Eddie Gradoville smashed out a double that scored Newman and tied up the score and gave the fans a chance to see two more innings of fast ball playing before the visitors accumulated the needed two runs in the eleventh that gave them the final victory.

Henderson, the colored hurler had a fast breaking curve to hand to the locals but in the pitching game was excelled by the local ace, Herb Swanson, who had good control and kept the colored boys guessing throughout the struggle and but for errors at critical times the visitors would have met defeat.

The visitors drew first blood in the opening inning when Triggs was safe when Svoboda dropped his fly in right field and Triggs registered on the hit of Roberts.

The second tally of the colored boys occurred in the opening of the second inning when a dropped fly in right field left Young safe on first and who was sacrificed by Owens to second and from where he tallied on the safe throw of Lewis to center.

The Platters scored their first run in the fourth inning when Swanson hit safe and was followed by Harold who was hit by Henderson and McCarthy was presented with a base on balls, Swanny being on third when Young was in the field and his ball was fumbled by Lee at first and on which Swanny scored.

Two hits in the sixth frame gave the visitors another run and gave them a lead that looked comfortable but not formidable.

Newman scored the second run of the locals in the seventh inning when he registered on the smash of Ed Gradoville to first and which served to bring up the hopes of the local fans to a marked degree.

The ninth inning opened with the score 2 to 2 against the locals and the Gold Coast feeling that they had the rabbit's foot working overtime, but the locals dashed the hopes of the colored crew by tying up the battle. Newman had been passed to first and purloined second when Ed Gradoville again repeated in the scoring by a bunt to left field that brought Hans in to tie up the battle.

The game was fast and furious in the extra innings and in the eleventh the visitors annexed two runs on the new hits that were garnered off Swanson and two to tie the score against them the Platters opened up strong and scored one run but lost the game by the one run margin.

The tabulated score of the game was as follows:

The sorority pledges include practically all of the young women from this city who are taking up their work at the university. Miss Edith Farley is pledged to Alpha Delta Theta, Miss Violet Begley to the Delta, Delta Delta, Misses Kathleen Troop and Jean Tidball to the Pi Beta Phi.

Mrs. Lester Taylor Takes a Dose of Poison Lotion

Patient However Is Given Treatment and Is Saved from Death by Prompt Action.

From Monday's Daily—
Yesterday afternoon Mrs. Lester Taylor, residing in the north portion of the city took a large dose of a lotion used for the relief of poison ivy and for some time was very sick and only after the efforts of a physician was she relieved of her suffering caused by the poison.

The husband had gone to the home of his brother, Marlon Taylor to assist him in repairing his auto and after he had left the house the wife had gone to the cupboard where the lotion was kept and took a large dose of the poison, whether by the intent of suicide or by mistake has not been fully determined. In a few moments after taking the poison she had started to suffer a great deal but was able to summon help and a physician was called to the home to give her treatment and relieve her of her suffering and the patient was relieved and saved her life.

The lapse of a few moments in giving the alarm after taking the lotion would have resulted fatally and only the prompt action gave the lady relief and saved her life.

Mrs. Taylor was reported today as feeling much better but is still suffering to a greater or less extent from the effects of the dose of poison ivy lotion.

DEATH OF STANLEY HALL

From Monday's Daily—
The death of Stanley Hall, one of the old time residents of the vicinity of Rock Bluffs, occurred yesterday at the state hospital at Lincoln where he had been for the past months taking treatment as he was sent to the hospital a short time ago on the complaint of the residents of the vicinity of the section where he resided. Mr. Hall having at that time become violent and threatening and it was feared that he might commit some rash act.

The deceased was some forty-seven years of age and had resided for a great many years in the locality of Rock Bluffs and where he still has his home, located in the hills near the old town. He was a son of the late P. S. Hall, one of the old time residents of the county and of the family of the deceased there remains two sisters, who have been here at the old home during the sickness of the brother.

The body will be brought to this city and the funeral services, it is expected will be held on Tuesday at Rock Bluffs and the interment had there at the old cemetery where rest the other members of the Hall family. The sisters are Mrs. Dave Allen, Plattsmouth and Mrs. Lemon Bates, Nebraska City.

PACIFIC JUNCTION COMING

From Monday's Daily—
The baseball fans will have the opportunity on next Sunday of seeing the Pacific Junction baseball team in action on the local lot as Manager John F. Wolf has secured the fast and aggressive Iowa team to stage a game on the home lot. The Pacific Junction team has made the going hard for the other teams in western Iowa this season and have made one of the best records of any year in their history and will prove real trouble for the Plattsmouth ball players. The locals will have Gradoville, Klauschie and Young again in the lineup next Sunday and some real ball playing may be looked forward to.

CHARGED WITH NON-SUPPORT

From Tuesday's Daily—
A complaint has been filed in the office of County Attorney W. G. Kieck by Mrs. Esther Bouton, of near Wabash, and which charges the defendant, Lisle Bouton, with non-support of his wife and child. The complaint was filed in the county court and the defendant will be brought here to answer to the charge that he has been preferred against him.

Many Autos are Purloined in This City Last Nite

One Car Belonging to Fred Smith Recovered After Being Driven Away by Soldier.

From Tuesday's Daily—
The city last night was visited by a well organized gang of auto thieves and as the result of their activities Chester B. Briggs is mourning the loss of his Ford coupe, Fred Smith being lucky in having his Chevrolet coupe recovered after a chase by the police and the car of Albert Alexander, who resides at the E. R. Peoples home on Oak street was saved from being stolen by the fact that the thieves were unable to get the car, which was a new Chevrolet coupe, started. An attempt was also made to steal the car of Ed Wilcox, which was parked near the home of W. H. Mason on Main street.

The car belonging to Mr. Briggs had been left parked on North 6th street in front of the Kruger paint store and when the owner of the car came out to drive away the car was missing. The police were notified and Officers Libershal and Pickrel as well as Sheriff Bert Reed and Constable Tom Svoboda started out in pursuit of the parties, the report of the stealing of the car of Fred Smith from where it had been parked near his home having also been reported to the authorities.

Officer Libershal had been driven in a car with Mr. Briggs and Lewis Frady and while they were searching for the Ford coupe they were notified at the K. of T. bridge of the fact that the Smith car was missing and on their way back to the city they met the car on the highway and as it passed the car containing the officer was turned around and started after the feeling car. They overhauled the car near LaPlatte and two men jumped from the car and ran away while the third man, a soldier who was in the car, and was brought back to this city with the car of Mr. Smith.

The soldier gave the name of W. M. Hudson and was lodged in the county jail by Sheriff Reed and according to the military authorities probably left the custody of the civil authorities to deal with.

This morning W. M. Hudson, the soldier who was caught with the car of Fred Smith, was arraigned in the county court on the charge of having wrongfully taken the car without the consent of the owner. The young man stated that he had been standing near a filling station along Vine street last evening, when two men came along in a car and asked if he wished to go to Fort Crook. The two men he claimed he did not know but that they had gone by the names of "Ed" and "Sammy" and that they had driven out on the highway and across the bridge and when on the north side of the Platte near the town of LaPlatte the other two men had jumped out and ran away and he had then driven the car over to the side of the road and where he was caught by Officer Libershal and his two companions. The soldier stated that he did not know what time he had met the men and that he had been drinking a great deal and had no very clear recollection of events until he woke up this morning in the county jail.

It was decided to have the man await until late this afternoon when Officer Libershal could be present to testify and then his plea of not guilty will be heard. The offense committed which is charged carries a penalty of a fine of \$100 and imprisonment in the county jail from three to six months as the court may direct.

RETURNING FROM INDIANA

From Tuesday's Daily—
Dr. J. H. Hall of this city, who has been visiting in Indiana for the past several weeks, is due home today or Wednesday, he making the trip via the auto route. Dr. Hall, in company with E. H. Douglas, highway engineer, made the trip back east several weeks ago, Mr. Douglas to attend the national rifle shoot at Camp Perry, Ohio, while Dr. Hall has been visiting with his relatives thru the different sections of Indiana and also attending the Indiana state fair at Indianapolis. On the return Mr. Douglas came as far as Burlington, Iowa, where he caught No. 1 over the Burlington to finish the journey by rail while Dr. Hall came on via the flivver.

UNDERGOES OPERATION

From Tuesday's Daily—
Guy Long of this city, who was taken ill the last of the week at his home, was taken to Omaha where he has placed in the hospital and was operated on Saturday for a very severe case of appendicitis.

Mr. Long was found to be suffering from an acute case of appendicitis and the operation was necessary at once. At the last reports Mr. Long was doing as well as possible under the circumstances and it is thought that in a few days he may be on the highway to recovery from his affliction.

RECEIVES GOOD NEWS

From Tuesday's Daily—
The announcement has been received here from Glendale, California, of the birth at that place to Mr. and Mrs. George Krivanek of a fine son and heir on September 14th. The reports state that the little one and the mother are doing nicely and the relatives and especially Grandpa John A. Schulhof is highly elated and Mr. Schulhof is still very much up in the air over the arrival of the little grandson, the first in his family circle. Mrs. Krivanek was formerly Miss Norine Schulhof of this city and the family have resided for the past several years in California.

RECOVERING FROM OPERATION

From Tuesday's Daily—
Mrs. Glenn Perry, who has been at the Clarkson hospital in Omaha for the past week recovering from the effects of a very serious operation, is on the road to recovery, reports from the hospital state and has gained a great deal in the last few days. Miss Helene Perry, who is with her mother at the hospital will be delayed in returning to Rockford college where she is entering her sophomore year.

LOSSES TWO COWS

From Monday's Daily—
Louis Born, who resides northwest of this city, is mourning the loss of two valuable milk cows which were electrocuted during the storm that visited this locality Thursday afternoon. The cattle were out in a pasture at the time of the storm and the two cows had been standing near the wire fence that enclosed the field and which it is thought was struck by lightning and the cows also killed by the same bolt. Mr. Born was unable to find any marks of the electricity on the cows, however, and in the vicinity of where they were standing, but the position of the cows to the fence leads to the belief that the death was due to lightning. The cows were exceptionally good ones and Mr. Born had received a good price for them.

Has Close Call from Injury in Storm Saturday

Eddie Todd and Family End Telegraph Wires Blown Down Over Road.

Last Saturday night while driving home from Plattsmouth, Eddie Todd and family had a dangerous experience with wires which had fallen across the road at the Mo. Pac. crossing at Oreapolis about one mile east of his residence.

The family had started for home in the car and were caught in the rain and wind storm, and ran into the wires on the railroad crossing. A telegraph pole had blown down and lay in a position which blocked the crossing with a net work of 12 wires, which could not be seen in the storm. The force of the impact broke all but one of the wires. Mr. Todd at once realized the danger as he suspected that the wires might be charged with electricity and requesting the members of the family to sit still he backed the car up to clear the obstruction, secured a long stick and pushed the wires off the car when he proceeded in safety. The telegraph pole laid right across the track to the north of the crossing, while the cross arm held the wires across the road like a wire fence, the wires being live, but luckily, not of high voltage.

The chief feature of the reunion was the big fried chicken dinner served in the park and at which there gathered some fifty of the members of the family and made the day one of the most happy events in the history of the family.

The report reaching this city regarding the condition of "Curley" Craig, who was injured a week ago in Chicago in an auto accident, are to the effect that Mr. Craig is in very serious condition and his recovery is doubtful. It was found that Mr. Craig was suffering from five broken ribs as well as having his skull crushed and the last injury is the one that it is feared will be fatal.

Mr. Craig was injured in the accident that caused the death of Louis Minner, former Plattsmouth barber, when the car in which they were driving overturned. Bert Minner, who was in the car with the two men, is recovering and is now out of danger although he was badly cut and bruised. Mr. Craig and another man who was in the car are both in serious shape and their recovery is considered very doubtful.

COOL WEATHER A RELIEF

From Tuesday's Daily—
The cool weather that came Monday and today through this section of the west has brought a great relief to the residents of the west, who for a sixteen day period suffered under temperatures of from 85 to 100.

This morning the thermometer registered 42 above zero and brought the first real touches of autumn and the promise of the breaking of the hot weather. There has been no frost reported in this locality altho in the west and northwest sections of the state a light frost came to bring a forerunner of the fall and winter.

The corn crop will suffer little from the effects of the cool weather as long as the killing frosts remain away.

HAS MILK STOLEN

From Tuesday's Daily—
Last evening appears to have been a bad night to have articles purloined and among the depredations that the police reported today was the stealing of three bottles of milk from the rear porch of the T. H. Pollock home on high school hill. The taking of bottles of milk is something new in the stealing line. It would pay the householders to keep a close watch on articles that are left in places where they can be taken if the epidemic is to continue.

Horn and Falter Families Hold a Fine Gathering

Members of Families From Cass County and From Pierce and Knox Counties Meet.

From Tuesday's Daily—
Among the early residents of this part of the west were the Horn and Falter families, whose forefathers migrating here from the old home in Germany settled in the agricultural section of the west and have contributed their part in the development of this part of Nebraska. From this county several of the members of the families have moved to the northern part of the state and settled in the vicinity of Creighton and Plainview and with the representatives of the family still residing here there has been a constant communication altho they are some 200 miles apart.

The family decided that they would have a real old fashioned get-together and accordingly they fixed on the date as Sunday, September 18th and as the two branches of the family are some distance apart for a one day reunion, they all decided that they would meet half way, each branch traveling 100 miles.

The place of meeting was West Point, one of the thriving little cities of the north central part of the state and here the family reunion was staged in the city park at that place. The park is one of the most attractive amusement parks in the state and has a lake, swimming pools, coasting and riding devices and a general place of entertainment for those who may desire to visit there. Here the day was spent by the members of the jolly company in one of the most happy events in the history of the family.

The chief feature of the reunion was the big fried chicken dinner served in the park and at which there gathered some fifty of the members of the family and made the day one of the most happy events in the history of the family.

The report reaching this city regarding the condition of "Curley" Craig, who was injured a week ago in Chicago in an auto accident, are to the effect that Mr. Craig is in very serious condition and his recovery is doubtful. SUFFERS INJURED LEG

From Tuesday's Daily—
Frank Godwin of this city, one of the students at the Peru state normal school, was unfortunate enough to be injured so that he will be unable to play for the remainder of the football season.

The squad of the state normal school were out for the football practice for the opening of the season and Mr. Godwin, who was considered one of the promising candidates for the varsity team, was injured in the scrimmage, suffering the fracture of one of the ankle bones and also tearing the ligaments of the lower portion of the leg. The accident will cause the young man to give up his training for the team and will be several weeks before he regains the full use of his leg again.

TO ATTEND ELKS MEETING

From Tuesday's Daily—
Mr. and Mrs. Clarence A. Atkinson of DelMonte, California, who have been here for the past week visiting at the home of Mr. and Mrs. D. C. Morgan and other relatives and friends, returned home today and on their way west will stop at Denver for a visit in that city where Mr. Atkinson formerly resided. They are returning to DelMonte to attend the state Elks convention which will meet in that city within the next two weeks and which made it necessary for them to shorten their visit here in the old home of Mrs. Atkinson. They have enjoyed a very pleasant visit here and their going so soon brings a great regret to the many old time friends.

TRADES FOR BIG RANCH

From Wednesday's Daily—
Frank E. Vallery, who has owned the fine up to date brick garage and residence in Murray for the period of several years and which is one of the best buildings of its kind in this part of the state, yesterday disposed of the building and residence in a large real estate trade.

In return for the fine brick building Mr. Vallery will receive a fine 1,250 acre ranch located near North Platte and which has been owned by Sidney Hollenback, who will take over the garage building at Murray as a part of his holdings.

Both of the gentleman interested have felt well pleased with the trade and which will give them both some very valuable pieces of real estate.

Get your school supplies at the Bates Book and Stationery Store, where you will find the complete line at all times.

ENJOYS HDNTING TRIP

From Tuesday's Daily—
Mrs. V. T. Arn of this city has returned from a very pleasant outing that she enjoyed with her brother, Frank Anderson and wife of Union and which included a pleasant hunting trip and camping expedition at the farm home of Mrs. Frank Anderson's father, Ben Hoback, in Otoe county. The members of the party took with them camp equipment and spent the time in hunting and enjoying the delights of the great outdoors, they being located in the timber land on the Hoback farm and secured a number of squirrels as the result of their skill in the hunt and altogether it was a most delightful outing for all of the members of the party.

Mrs. J. H. Carter Victim of Auto Crash in Omaha

Daughter of Mr. and Mrs. Egenberger and Mrs. Terry Egenberger Injured.

From Tuesday's Daily—
Among the victims of the numerous auto accidents that occurred in Omaha was a former Plattsmouth lady, Mrs. J. H. Carter, formerly Miss Helene Egenberger, daughter of Mr. and Mrs. L. E. Egenberger of this city, and Mrs. Henry Egenberger, well known here.

The two ladies with Mrs. A. J. Dorsey, mother of Mrs. Henry Egenberger, were passengers in a car driven by Mrs. V. S. Loomis of 3332 Park street, Omaha, when the car collided with one driven by W. E. Ryberg of 3243 Bedford avenue, at the intersection of Franklin street and Military avenue, on Sunday.

The accident fortunately did not result in any serious injuries to the members of the auto parties, altho all the ladies were shaken up to a greater or less extent and sustained bruises that have been very painful and annoying for them.

Messages to the relatives here have assured them that the ladies were not seriously injured but they have felt the effects of the accident to a marked degree. The news of the accident caused a great deal of worry to the relatives and friends of the ladies in this city and they are pleased to learn that the accident was not more serious and trust that the ladies may soon be over the effects of the accident.

ANNOUNCEMENT

Born to Mr. and Mrs. V. W. Perry, Sunday, September 18th, a baby girl.

Local P. E. O. to Have Part in Memorial Hall

Chatter F. P. E. O. Honors Memory of Mrs. Lillian Pollock Parmele

In the P. E. O. sisterhood we find these words under Object and Aim: "To seek growth in charity toward all with whom we associate." "To seek growth in knowledge and in culture and to obtain all wisdom from nature, art, books, study and society." It was with the idea of fulfilling these ideals that the P. E. O. sisterhood established in 1907 at Supreme convention held at Brookville, Mo., what is known as the educational fund.

To Plattsmouth belongs the honor of having a member of Chapter F inaugurate this educational fund project.

Lillian Pollock Parmele, deceased, in 1915, a leader not only in Chapter F, but in state and supreme P. E. O. circles, beloved by all who were privileged to know her, was the originator of this idea. She was the first chairman of the educational fund committee and to her belongs the credit of establishing this fund on a working basis, to be loaned to girls to assist them in securing a college education. This fund started with \$1,071.88, has now become on May 1, 1927, \$395,993.34. The chapters in the state of Nebraska have contributed \$34,700 of this amount. 1,735 girls have availed themselves of this loan fund. One of our Plattsmouth girls, Esther Olsen, attending school at Park college, Mo., is one of them. Indeed, "what a great fire a little matter kindleth."

The P. E. O. sisterhood was first organized in 1869 at Wesleyan College, Mt. Pleasant, Iowa. Seven girls forming the nucleus. Only recently the last of the seven passed on.

In memory of these seven girls the founders of the P. E. O. the sisterhood has erected a memorial library at Mt. Pleasant, Ia., and the executive offices will be located therein.

Chapter F, desiring to honor the memory of Mrs. Parmele, is presenting to the library a porcelain likeness of her to be hung in the executive offices. Believing that many people in Plattsmouth cherish her memory and would desire to see this likeness, it will be on display in the window of John Crabbill's store until Sept. 25, at which time it will be sent to Mt. Pleasant to be hung prior to the dedication of the memorial library which occurs Sept. 27.

GIVEN A SURPRISE PARTY

From Wednesday's Daily—
A delightful surprise party was given at the home of Mrs. Sarah Gochenour in honor of the birthdays of Walter Gochenour of Plattsmouth and J. R. Lee of Pacific Junction, also the fifth wedding anniversary of Mr. and Mrs. Martin Sheldon.
