OLAF LUNDBERG
Nehawka, Nebr.

Robert Taylor was a visitor in Omaha for the day on last Monday going for a truck load of feed and motor oil, both of which is handled at the Nehawka mills.

Mr. and Mrs. Albert Wolfe, accompanied by their daughter, Miss Gladys, were visiting and looking after some business in Nebraska City on last Monday, they making the trip via their auto.

C. E. Heebner and wife and the children as well as J. W. Murdoch and family, and Mr. and Mrs. Carl Wessell were all guests for the day last Sunday at the home of Mr. and Mrs. Henry Wessell.

Among those building cribs on their farm for the excellent crop of corn which has grown this summer despite the adverse conditions, are Leo Switzer, L. G. Plyton, John Kinch and Eugene Nutzman.

Mr. and Mrs. M. R. King of Omaha accompanied by John O. Yeiser of that place also were guests for the day on last Sunday at the home of Mr. and Mrs. A. F. Sturm where all enjoyed the day most pleasantly.

Mr. and Mrs. Louis Ross entertained at their home last Sunday and had for their guests Dan Anderson and family and Albert Anderson and family. They enjoyed the day nicely and also the dinner which was served.

Mrs. W. O. Troop was a delegate to the state W. C. T. U. which is meeting in Omaha this week, and accompanied the other delegates who attended from Plattsmouth.

Mrs. Troop having her membership in the county seat.

John Opp is showing a public spirit in the construction of a new pavement in the front of his business place as well as a gutter on the street. Both the walk and the gutter is being continued to the interesting sewer on the street west.

John G. Wunderlich, representing the subordinate lodge of I. O. O. F. of Nehawka and Mrs. Nelson Berger delegate from the Daughters of Rebekah, are attending the meeting of the grand lodge, and the grand assembly at Scottsbluff this week.

Mr. and Mrs. Fred Ruby, and Mr. and Mrs. Harold Julsua and their little son, Tommy, all of Lincoln and Harold Kimlon and family from near Murray, were visiting for the day on last Sunday at the home of Mr. and Mrs. T. E. Fulton, they being accompanied by the son of Mr. and Mrs. Kimlon.

Charles Chappell who was injured several weeks since while he was hauling hay was laid up for some time was able to return to his work on last Monday and went out to the home of Henry Wessell, with Mr. Wessell, and began working on the farm. This is the first he has been able to do since the injury.

Mr. and Mrs. W. S. Norris who departed on October 1st, for Brunswick, there they visited with two

brothers and two sisters of Mr. Norris, Messrs. Gustus and Charles, Norris and Misses Alice and Ethel Norris, they spending two weeks there enjoying the time most pleasantly and returned home on Wednesday of last week.

A new minister for the United Brethren church at Nehawka and the church north of Nehawka arrived last week, the former one having thrown up his situation, and departed hence. The latter arrival was duly welcomed by the congregation and it is hoped the church and its auxiliaries will prosper under the leadership of the new minister.

Morris Pollard has been quite ill at his home in Nehawka for some days past and has been looked after by Mrs. Malcolm Pollard, who is caring for the patient. However, it is reported that Mr. Pollard is at this time showing much improvement and it is the hope of his friends that he may soon be able to be out again and able to care for himself.

While Clyde Flaischman was shying a colt at an obstreperous mule which was determined to go where he was not wanted, the mule ducked and as Clyde's father happened to be on the farther side of the mule, the colt took Mr. Flaischman along the side of his head, inflicting a very severe wound and bruise. The injury was taken care of and Clarence is getting along nicely.

Glen Rutledge and family were over to Lincoln for the week end, they going on last Friday evening, and remained until Sunday evening. They visited at the home of Mr. Thompson while in Havelock, and also stopped for a short time at Alvo where they visited with Art Dinges and wife. They were in attendance at the football game which was staged in Lincoln on last Saturday.

Mr. M. C. Trumble, the inventor of the Doodle Bug, which locates with a certainty the deposits of oil in the earth who was here and located the spot for the oil well which is just being commenced, arrived in town again last week, and has been doing some investigation since, with the view of locating the mother pool.

The only finding one of the lesser pools the first time, but which is hoped will yield abundant supply of oil.

Attend Sunday School Convention. There were from Nehawka representing the United Brethren church or rather its Bible school, J. W. Murdoch and wife at the meeting of the Cass County Sunday School Association which convened last week at the Callahan church building near Murdoch on last Thursday and Friday, representing the United Brethren Bible school and Mrs. W. S. Norris representing the Methodist school. They report a most enthusiastic meeting.

Spudded in Last Saturday. The new oil well which is sure to strike sooner or later, was spudded in last Saturday, that is they began the drilling of the oil well, and on Sunday had gone down about forty feet. On Monday on account of being in need of some materials, the drill was not going but it was expected that they would be back at the work again in earnest about the middle of the week. The undertaking is being started with a very certain prospect that it will end in the striking of oil.

The well that was sunk a few years ago showed no likelihood of oil when the "Doodle Bug" was applied on the present site does show much encouraging features. There is also many other places which show good indications. On last Sunday there was hundreds of people from all directions which were there to view the plant for sinking the well and the project is causing much interest and giving this portion of the state and county much advertising.

W. C. T. U. MEETS. From Wednesday's Daily—The members of the W. C. T. U. held a very fine meeting of the union on Monday afternoon at the home of Mrs. Fred G. Morgan, the two ladies having arranged a most delightful time for the very large number of the ladies who were in attendance.

Miss Olive Gass and Mrs. John P. Gorder gave a very entertaining dialogue "Hold Fast and Go Forward," while Mrs. J. E. Wiles and Mrs. George Weaver of Myard favored the ladies with a dialogue, "Bar Room Fame No More," while Mrs. W. T. Richardson of Myard spoke on "The Dry Cannot Be Fooled." Miss Lovisa Albert gave two very clever readings that reflected the greatest credit on the young lady, they being, "One Where the West Begins" and "The Mustard Plaster."

The hostesses served very delectable and delicious refreshments at the close of the afternoon that were enjoyed to the utmost by the members of the party and brought to the close an afternoon of the rarest enjoyment.

Caps, horns, Hallow'en masks special favors and everything that goes to the observance of the Hallow'en season, now on sale at the Bates Book & Gift shop.

TRY IT ON YOUR STEEPEST HILL

TAKE YOUR CAR just as it is. Fill the tank with Red Crown Ethyl Gasoline and head for the steepest hill you can climb in "high."

Note the new vigor of your motor. The added acceleration—the increased hill-climbing power—more power than you ever before could get under the most favorable conditions.

This improved motor performance is the reason why the Standard Oil Company of Nebraska recommends Red Crown

Ethyl Gasoline for constant use in every age, make and type of motor.

It can't injure any motor. It will improve performance and give fuel economy and extra power whether your motor is partly worn out and carbon-choked or a brand new high compression motor. It "knocks out the knock"—reduces motor wear and tear.

It is quick-starting Red Crown Gasoline with Ethyl Brand of Anti-Knock Compound added. This combination enables your motor to use more of the power that is in Red Crown. There is no better fuel for winter driving.

Be sure you get the genuine. All dyed gasolines are not Red Crown Ethyl Gasoline. The color has nothing to do with extra power and economy. Sold only where you see the Red Crown Ethyl Gasoline sign—by reputable dealers and service stations everywhere in Nebraska.

STANDARD OIL COMPANY OF NEBRASKA

Work of Digging Oil Well is Under Way

Large Numbers at Nehawka Saturday and Sunday to Witness Drilling Operations.

The actual drilling work on the proposed Nehawka test oil well is now being rushed and the Pollard orchard, just south of Nehawka on the newly graded "O" street road, is the scene of a great deal of activity right now.

The formal starting of the actual drilling commenced on Saturday at the orchard and a large number of persons from all parts of Cass and Otoe counties were present to witness the starting of the drilling operation.

The oil well had reached a depth of twenty-five feet by Sunday and the giant drilling machines operate night and day in the sinking of the shaft that it is hoped will produce a real gusher of an oil well or a good natural gas supply.

The evident confidence of the promoters in the possibilities of either oil or gas in the Nehawka dome, is spreading to the residents of the vicinity of the well and they are watching each day the steady progress of the drill down toward the depths of the earth, where it is hoped to touch the oil supply that is or has marked the Nehawka dome.

Robert Druessow, who has had his eye on the Weeping Water valley as a possible source of oil for two years, was enthusiastic over the outlook. He said the Underwriters' syndicate is in charge of the enterprise. The manager is R. S. Chapman, who has had experience in Texas Oil operations. They pin their faith on this locality largely because of the evidence given by the M. C. Trumbull oil affinity seismograph. This is a delicate electrical and chemical apparatus which, on being attached to two steel pins sunk in the earth a foot or two apart, records the amount of the oil beneath the surface and also its depth. Trusting to this apparatus, which was broken when an attempt was made to demonstrate it on Sunday afternoon, the syndicate has leased about ten thousand acres of land in a strip about seven miles long and from a quarter of a mile to two miles wide.

It is hoped to strike oil at a depth of about 2,500 feet. In order to "have all the hole they need," as Mr. Chapman put it, they are starting with a casing twenty inches in diameter. This will become smaller as the well goes down and the casing is installed.

Many Plattsmouth people are being attracted to the scene of drilling operations and as the work progresses more and more people will visit Nehawka, as was the case a few years ago when a former test hole was sunk there.

WINS WASHING MACHINE

From Wednesday's Daily—The Automatic Washing Machine Co., of Newton, Iowa, has been staging a series of programs of a half hour duration from radio station WHO at Des Moines and in which they requested those who listened in to write in letters and suggestions as to the machines and other comments and the letters were then numbered and the prize was awarded last evening, Mrs. L. W. Niel of this city being the winner of the first prize. Mrs. Niel will receive the handsome No. 29 Automatic washer and which will be found a great addition to the household equipment and is a gift that Mrs. Niel feels very proud of receiving.

HOLD FINE MEETING

The Social Circle club of near Murray held their regular meeting on Friday afternoon at the home of Mrs. Ezra Albin and which was in the nature of a social gathering.

There was a very large number of persons present at the meeting and the time was spent in games of all kinds that made the occasion one of the rarest pleasure.

The Social Circle club has also joined the federal Women's clubs of the county and will be found in the carrying out of the club work with the others of the county.

The ladies decided to hold a Hallow'en supper at the library building in Murray on Saturday evening, October 29th and at which there will be a great array of the good things to eat prepared as only the ladies of the Social Circle club know how to prepare. It was decided by the ladies to charge a sum of 35c for the supper.

EIGHT MILE GROVE LUTHERAN CHURCH

Sunday school at 9:30 a. m. English service at 10:30 a. m. Luther League at 7:30 p. m.

The ladies aid society will meet on Wednesday afternoon at the basement of the church with Mesdames George Stoehr and Mrs. Jeff Salsburg as the hostesses.

COMMUNITY CLUB MEETING

The Fairview community club will hold a meeting on Friday evening at 8 o'clock at the Fairview school house. All members and friends are urged to be in attendance at this meeting.

NOTICE OF APPLICATION

For license to operate a Pool and Billiard Hall. Notice is hereby given that the undersigned will on the 1st day of November, 1927, at 10 o'clock a. m., at the court house in Plattsmouth, Cass county, Nebraska, make application to the Board of County Commissioners of said county for license to operate a pool and billiard hall in the building on lot Five (5), Block (3), in the Village of Manly, Cass county, Nebraska.

Dated this 6th day of October, A. D. 1927. JOHN GRUBER.

Veterans Will Hold Reunion

Members of Company B 355th Infantry Gather at Lincoln on November 14.

The second annual reunion of the members of Co. B 355th Infantry, known in the World War as "Nebraska's own," will be held in Lincoln, two days beginning November 14, according to Nathan Grossman, general chairman in charge of arrangements. James L. Brown is the other member of the committee in Lincoln.

Captain Edmund Rogers of Denver president of the Co. B society was in Lincoln Thursday and while here named Mr. Grossman and Mr. Brown to complete plans for the gathering. Lieut. Dorias Allen of Colorado Springs, Colo., is secretary.

Tentative plans for the reunion call for sessions in the morning and afternoon of both days, at the Lincoln hotel, where headquarters will be stationed. There will be a luncheon at noon on the first day, probably at the chamber of commerce and the meeting will close with election of officers followed by a banquet and dance at the Lincoln.

A theater party for the ladies the first afternoon is to be arranged and all visitors will be guests of one of the theaters that night.

The 355th Infantry was one of the units of the Eighty-ninth division when it went overseas and was made up almost entirely of Nebraskans. Heavy casualties, however, changed the complexion of the personnel and at the close of the war many men from Colorado, the Dakotas and New Mexico were listed on the rosters of the companies.

The regiment was in France from May 9, 1918, until May 9, 1919. Most of this time was spent on the front line. It took part in three major engagements.

The Co. B society was organized a year ago at North Platte where the first reunion was held. Seventy-five attended.

Invitations to the reunion already have been mailed by the secretary. Any member of the 355th is eligible and it is expected that more than 300 will be present for the two days reunion.

TAKES LINCOLN CHARGE

The Rev. Paul Calhoun, pastor of the First Presbyterian church of Council Bluffs, who was one of the speakers here for the Happy Hundred suppers in the last winter season, has accepted a call to the First Presbyterian church of Lincoln. Rev. Calhoun was one of the most entertaining speakers that was heard here in the series of talks and while he was here the members of the Happy Hundred had the pleasure also of having Captain Ruthledge of the 17th infantry here as a vocal soloist and the minister was so delighted with the wonderful voice of Captain Ruthledge that he secured the young officer to be soloist at the Council Bluffs church.
