REOPEN SHOOTING PROBE

Tulsa, Okl., Nov. 4 .- Acting on sion that held Kansas two weeks newly obtained information, County Attorney Byron Kirkpatrick today announced that the investigation fntor, feels his passing offense is suf- to the fatal shooting of Mrs. Mary Ellen Bodine during a party in her about the development of a passing apartment here Tuesday afternoon had been reopened. The girl's husband is said to be an air mail pilot in Wisconsin. Her death had been

accepted by county authorities as accidental or suicide

While Kirkpatrick declined to reyeal the source of his information or to give it in detail, it was said that the absence of powder burns on Mrs. Bodine's body, indicating that the fatal shot was fired from a distance. played an important part. It also was said that finger prints were found on the window sill outside. leading officials to believe that the party was being spied upon.

The disappearance of two witnesses to the shooting and a possible motive of jealousy, with an alleged intent to kill one of the guests, were given as other causes for renewing the investigation.

BOY SCOUT INVESTITURE
