We are wishing our friends all Happiness and Prosperity. ... Our aim is to serve you the very best in the days which are to come, and thereby merit your continued good will and patronage.

Plattsmouth Storage Battery Co. Zenith and Freehman Radios-Willard Batteries

When the Walsh resolution to investigate public utility corporations was sent to political death in the United States Senate by referring it to Senator Watson's Committee on Interstate Commerce, the country had an opportunity to learn why Senate seats are high. It was not because of personal

WHY SENATE SEATS ARE HIGH

friendship that Mr. Insull, who controls public utilities with a total capitalization of \$600,000,000, gave \$125,000 to the primary fund of Col. Frank L. Smith. There is a storm rising in the country against the operations of the great public utility corporations. Warnings against them have been sounded from time to time through the last five years. That of Gifford Pinchot, who foresaw that there would arise in time a limited number of these power giants, possibly a single super-corporation, and that they or it would dominate the country politically and economically, is still fresh in mem-

The Walsh resolution was one of the preliminary flashes from this troubled sky. There are, according to A woman's portrait isn't natural Mr. Pinchot, 41 corporations which control four-fifths of all the electrical energy produced in the United States. One method of dodging popularity Of these 41 corporations 29 are al- Postmaster-General New, in his antready known to be dominated, own- nual report to Congress, announces in spring; two registered Holstein Queer isn't it, that water always porations and their associates.
