GRAHAM-PAIGE!

Can Anyone Match These Specifications and Values in the \$1,000.00 Class?

110-inch wheelbase, 5-inch balloon tires, hydraulic 4-wheel brakes, 55-h. p. engine, 2 1/2-inch 7-bearing crankshaft, drilled crankshaft carrying 40 lbs. oil pressure to main bearings, to connecting rods, to piston pins and to valve tappets and guides, water circulated by centrifugal pump, invar steel strut pistons, patented clutch silencer, oil filter and air cleaner, fuel pump and gasoline strainer, shock absorbers, custom built body, 4-door sedan, mohair or leather upholstery, seven coat laquer finish.

This is What You Get in the GRAHAM-PAGE Murray Garage

Revival services begin Sunday morning at the Otterbein church. Everybody invited to attend.

Mrs. Geo. W. Saxton of near Union was reported as being very ill at her home during the past week.

Little Joan Swan the daughter of Mr. and Mrs. Charles Swan, is reported as being quite ill with an attack of the flu.

Lester Shrader and Eugene Fitch both shipped a car of cattle to the South Omaha market, the latter portion of last week.

Oscar Gappen was a visitor in Murray on Tuesday afternoon of this week also was visiting with a number of his friends.

Rue H. Frans of near Union was a visitor in Murray for a short time on Tuesday of this week, coming to consult with the family physician.

Earl Lancaster was a visitor in Plattsmouth for a few hours on last Tuesday, driving over in his car to make some purchases for the store.

Otterbein Ladies Aid of the E. B. church will hold a market at the postoffice Saturday afternoon, January 21. Come and get your Sunday dinner.

Font Wilson and the family were visiting at Cedar Creek with the family of Levi Wilson for the day on last Sunday where all enjoyed the occasion very nicely.

A. D. Bakke sold his own private car, an Essex, last Saturday to W. H. Schopp of Plattsmouth who with the father, Frank Schopp were down and received the car.

C. H. Boedeker was a visitor in Louisville for the past week and was

Get Ready for Spring!

The Spring surely is on the way, perhaps some weeks off yet, but coming, never-the-less.

Get your disks sharpened, get the plow lays, and the cultivator shovels ready, for there will be a congestion when the spring work begins.

Put the other fellow to it. We are here ready to serve you promptly and efficiently on all your work.

Vaclav Mikulesky & Son
Murray Blacksmiths

Spring - Gentle Spring!

You have seen many a winter come and go, and this is hurrying away rapidly. Spring will soon be here. Be ready with the farm machinery repaired and in working order when you want it. Get your repairs now. Also have the harness oiled and repaired, and avoid the rush when the time to start work comes. Have your new machinery and new harness ordered before the time when you want them and might have to wait your turn.

We are Here to Serve You

Sales Are Going Good

There are Fewer Sales and All Property is Bringing Good Prices

This is an indication of returning prosperity. Be ready to welcome it. Let us all get together for a good season—the farmer and the townspeople. THE MURRAY STATE BANK is here to assist you in any laudable enterprise. Come in and let's talk over all propositions for the betterment of this community.

Murray State Bank
There is No Substitute for Safety

light during the years past against poor health with which he has been burdened. His many friends here are hoping that he may soon be able to return home well again.

The two sales which were held during this week, at Roy Gregg's and Joe Martis were well attended and the property offered found many good bidders and the sales were very satisfactory, and brought good money for the most of the articles offered. One team of horses at the sale of Roy Gregg brought over four hundred dollars, while good cows sold for over one hundred dollars each.

Machinery for Sale

I have one Hart-Parr 12-24 tractor almost new, one Wallace Cub tractor in good running condition, one three h. p. gas engine, good as new, and one half h. p. gas engine, new.—Fred Beverage, Murray, Nebraska. 119-31sw

Adding to His Hatchery.

Herman Wohlfarth, was hauling additional material to the farm from the station on Tuesday of this week for the placing of another deck on his large hatchery, which already had a capacity of 3,600, at a hatch and which is being increased by the added deck by 1,800, making now a capacity of 5,400. Herman will expect to start the hatchery early in February expecting to have it going by the tenth of the month, and will have the hatch off during the early days of March.

Will Have New Car Soon.

The Murray garage, of which Mr. A. D. Bakke is proprietor, will in a short time have one of the new cars of the Graham Paige, which he has accepted the distribution in this portion of the state, in connection with the Lord Motor company of Lincoln. He had a telegram early this week announcing the arrival of the first few car loads of these cars. The Lord Motor company wired for a shipment of one hundred of the cars to come at once which are to supply this territory. Mr. Bakke is hoping to get a car in the near future and the sooner the better it will suit him.

Makes Good Sale.

Late last week George Nickles and W. G. Boedeker were over to Muddock, where they sold two of the celebrated Essex cars, one a sedan, going to H. W. Tool and the other a coach, going to Henry A. Tool, and both well satisfied with their purchases, and well they might be for one would go a long way before they could find a better car. In exchange they received a universal sedan, which has seen some ten years of use and which has made many a mile. This car is one of the sedan model and Commander Boedeker and First Mate Nickles turned the prow of the new boat towards Murray, and were making it pretty well as Glen was stepping on the gas, when about eight miles west of Murray, the top lights blowed, but nothing daunted they came along until they arrived at the Frank Dill home, when they ran out of water, oil and gas, and had to abandon the craft, and it was headed into a friend farmer's yard, and they sought other means of getting home.

They Fed the People.

The Ladies Aid of the Christian church, have been doing a double service when they were feeding the multitude of the two sales, the one at Joe Martis, and the other at Roy Gregg, where they also, besides furnishing good cats for all who were there and were hungry, they raised a nice sum for the use of the church.

Taken to Hospital.

Last Friday Mrs. O. A. Davis was taken to the hospital at Omaha, where she underwent an operation for the restoration of her health, and has since been receiving treatment, and is reported as showing good improvement.

Her many friends in Murray and vicinity are pleased at her improvement and are hoping that this excellent woman may soon be able to return home entirely cured.

Edward Johnson Very Poorly

Edward Johnson who has been in Omaha for some time past where he has been receiving treatment, and where he has been very sick, is reported as being very serious at this time, notwithstanding the fact that everything possible in the way of medical attention and the very best nursing is being done for his recovery. His brother, Conrad Johnson and wife, and Mrs. Edward Johnson went to Omaha where they can be with the patient.

Fall Causes Injury.

While Mrs. C. N. Barrows was visiting one of the neighbors and was stepping from the step preparatory to returning to her home, she slipped and fell with great force to the ground, bruising herself very greatly and the concussion has caused her to be ill since, as well as very sore from the bruises received. She is, however, showing some improvement, and will it is hoped, be herself again in a short time.

Enjoy Birthday.

On Sunday, Jan. 15, was the 2nd birthday anniversary of Master Dick Todd. In honor of the occasion fifteen little folks were invited in on Saturday afternoon to help him celebrate. It was a merry little bunch that sat around the long table in their

high chairs and enjoyed the lovely lunch prepared for them by Grandma Spangler. Each little guest found a picture of Dick and a toy by his plate. The two great grandmothers, Grandma Brown and Grandma Perry were pleased to be there with the little folks.

Those present were: Mary Lou Hallas, Beverly Ann Brubacher, Betty Lou Kennedy, Yvonne De Lee, Bernier, Emma Reine Topfiff, Betty Jean Kingdon, Beulah Kiser, Elaine Smith, Donald Rathe, Jimmie Deles, Bernier, Charles Spangler, LeRoy Topfiff, Teddy Bakke, Kenneth Todd, Richard Todd.

Enjoyed Rotary Visit

The banquet provided by Plattsmouth Rotary club on behalf of the business men of the Murray community remains a pleasant memory. When the invitations were given out there was not a little speculation as to the main object of such generous entertainment. But it was quickly discovered as the program proceeded that there was nothing more up their sleeves than the honest effort to promote the spirit of friendship and good fellowship.

That they were successful in their efforts is abundantly evident by the many favorable and appreciative comments that have been made.

"The more we get together, together, together—
The happier we'd be.
For your friends are my friends,
And my friends are your friends.
The more we get together,
The happier we'd be."
Three cheers for Plattsmouth Rotary club. Come again.

J. C. STEWART.

HANDLING RAWLEIGH PRODUCTS

I am now the representative of the Rawleigh products in this county, having taken over the business of H. E. Burdick and would appreciate the patronage of my friends over the county and assure them of the best of service and a most reliable line. ROY GREGG.

PLATTS STATE BANK, Clerk.

Telephone Co. to Rebuild the Murray Lines

Several Thousand Dollars Will Be Expended in New Equipment Along Murray Line.

The Lincoln Telephone & Telegraph company which owns and operates the telephone lines in this section of Nebraska are to expend some five or six thousand dollars in the next few months on their line that serves Murray and vicinity.

This line is served from the local exchange of which J. P. Lahr is the very efficient manager and when completed with the new changes, the Murray lines will be among the best on the system of the Lincoln company.

The company proposes to have an entirely new metallic line that will tend to increase the efficiency of the service and the rebuilding of the line will call for entirely new and up to date telephone cabinets as well as new posts along the line of the company.

The improvements will give a great deal more satisfaction to the patrons of the telephone company and will make it possible for a real service to those who reside on the Murray line.

This is one of several improvements made in recent years by this company and which has included the rebuilding of the Plattsmouth lines and the projected changes at Louisville where there will be enlargement of the service and the installing of strictly modern equipment.

The Lincoln Telephone & Telegraph company have expended a large amount on their lines in this part of the state and are getting them in the very best of shape for the service of their patrons.

Judge Duxbury to Seek Re-Election as County Judge

Filing Made This Afternoon of the Popular Young Judge for Re-election.

From Wednesday's Daily—
This afternoon another splash was made in the political waters of the county when County Judge A. H. Duxbury tossed his hat in the ring as a candidate for re-election to the office which he has so acceptably filled.

Judge Duxbury is just completing his first term on the bench and has made a very fine record in the office and his fearless conduct of the office has made him many friends over the county.

The county judge is one of the youngest members of the Cass county bar in many years and has been also one of the ablest figures in his chosen profession in the county, trained largely through his own efforts and perseverance from a child. The judge has shown a great interest in the course of the law and which led to his being called while a very young man to the county bench.

The friends of Judge Duxbury have urged his filing for re-election for his second term in the office and in response to the wishes of the friends who give him such a strong support in the past Judge Duxbury has entered the race.

The county judge as well as the district judgeship are non-partisan and the court can well be the candidate of democrats and republicans alike.

LARGE ESTATE FILED

From Wednesday's Daily—
In the county court today there was filed the largest estate that has been offered for probate in the term of Judge A. H. Duxbury and one of the largest that was ever offered in any county. This was the estate of August F. Ost, deceased of near Newhauka. The real estate of the estate amounts to \$90,000, the personal property to \$50,000 and property in other states at \$10,000. Mr. Ost died leaving as his heirs a sister living in Illinois and a number of nieces and nephews, with one of whom W. A. Ost he made his home. The petition asks for the appointment of W. A. Ost as executor of the estate. C. A. Rawls appears as attorney for the petitioners.

MRS. GRAVES POORLY

The many friends over Cass county of Mrs. A. H. Graves, one of the old residents of Murray, will regret to learn that this estimable lady has been suffering for several days from the effects of a fall sustained on Monday during the rain and sleet storm. Since the accident she has been confined to her home and seems to have been very badly shaken up by the fall and which in her advanced years has bothered her a great deal.

EIGHT MILE GROVE LUTHERAN CHURCH

Get your school supplies at the Bates Book and Stationery Store, where you will find the complete line at all times.

Argentina is Firm in Stand Against High Tariff Duty

Pueyrredon Will Refuse to Sign Any Proposal Not Agreeing to Reduction.

Havana, Jan. 24.—Dr. Honorio Pueyrredon, Argentine ambassador to Washington, and head of the Argentine delegation to the sixth Pan-American conference, announced tonight that his delegation will not sign any convention for reorganization of the Pan-American union that does not incorporate as the duties of the union those of studying means and ways to reduce, if not to abolish completely, high tariff duties in inter-American commerce and supervise the application of agricultural and sanitary quarantines.

The approach of at least a temporary impasse in the reorganization of the Pan-American union is seen by delegates in the announcement. The Argentine ambassador's declaration followed a long speech yesterday in which he assailed high tariffs and the principle of assessing these on the difference of cost of production at home and abroad.

It was emphasized in connection with this announcement that the American delegation has the firmest views regarding the inadvisability of converting the Pan-American union into a political entity charged with carrying out political duties and investigations, which in many cases would run counter to constitutional provisions or internal legislation of its component countries.

Aviation Brought Up

Commercial aviation, frontier police, the incorporation of international legal principles in conventions, and the establishment of a Pan-American tribunal Havana for the adjudication of disputes occupied the attention of the committee on international public law of the conference today.

Commercial aviation was brought up by Ambassador Henry P. Fletcher of the American delegation, who offered amendments to the proposed commercial aviation treaty. One amendment provided for granting to signatory countries the right to agree among themselves as to what zones shall be prohibited to civilian aviation—excepting from the provisions of the convention only military and government controlled aviation.

Fletcher's proposals were opposed by Dr. Enrique Olaya of Colombia, as "contempting and stimulating" international situations and opening up the "possibility of local military alliances in America."—World-Herald.

DEATH OF MRS. GEORGE LLOYD

From Tuesday's Daily—
This morning at the family home southwest of Murray occurred the death of Mrs. George Lloyd, one of the best known and esteemed residents of that community. The death came as the result of an illness of several weeks duration, but only in the past week has her condition been critical.

The deceased was a daughter of Mrs. Sarah Cotner of this city and a sister of Lee, Edward, Albert and Clarence Cotner of this city. There remains to mourn the death of this good woman, three daughters, Mrs. Frank Marler, Mrs. Frank Dill of Murray and Mrs. Roy Cole of Weeping Water and one son, Anderson Lloyd, residing at home.

MOOSE ORDER ABANDONS FEZ FOR PURPLE TIE

New Orleans, La., Jan. 22.—Decision to abandon the fez in favor of a royal purple "tiah" as the organization's official headgear was reached Saturday by the supreme council, Loyal Order of Moose, at their midwinter session here. The "tiah" is a little deeper in the crown than the fez and has a red tassel.

Secretary of Labor James J. Davis, director general of the Moose, said it had recognized the right of strikers to the exclusive use of the fez.
